AN EMPIRE'S BURDEN. gration from India to Natal on the signs and understand them. 1st of July next, says the Montreal Herald. It was the outcome of a resolution moved almost a year ago by Mr. Gokale, in the legislative council, a resolution which unquestionably reflected the opinion of the native races in India, who felt indignant at the treatment to which those of their people who went to South Africa were subjected. Reports from India show that there is no question on which Indians of every race and creed feel so strongly and so bitterly as the differential treatment to which they are sub- With Move in Legislature for New jected in South Africa. There is another side to the question, but it is a curious fact that neither Lord Minto nor any official member of his council the heavy indictment brought against A draft bill antitled "The Berbere' February the Company indictment brought against A draft bill antitled "The Berbere' February the Company pays Indian opinion, already worked up by bers and a determined effort will be favor at popular prices.
