HOCKEY INCREASED.

By Challenge of Montreal City League - Queen's and McGill Here in Intercollegiate Game on Friday Evening.

The challenge which has been issued by the Montreal City Hockey League to the Kingston Hockey Beague, here, has revived local sport considerably, and no doubt will add a great deal of spirit to the finishing of the league. The league required a stimulus such as this, for things were getting into a rut, as the boys had nothing special to strive for. There will be great rivalry amongst the teams from now until the end of the season, for it will be quite an event for the winning team to go to Montreal, have all their expenses paid, and also receive a

McGill Here on Friday.

McGill will play Queen's here on Friday evening in a senior intercolle giate hockey match, which Queen's has every intention of winning. The defeat of the Presbyterians in Montreal last Friday was rather unfortunate as it simply aids Varsity to annex the championship. Queen's only hope now is to win from McGill here this week and then go to Toronto and trim the many new customers, but we have Varsity seven on the Mutual street rink. Whether this can be done with-

A DREDGING SENSATION

In Which Hon. Mr. Pugsley is Made to Figure.

Ottawa, Feb. 1.-There were startling developments at the public ac counts committee, this morning. The firm of S. R. Loggie was instructed by the public works engineer to commence dredging at Bathurst. Loggie claimed the telegram instructed the work at Dalhousie, and proceeded there accordingly. When at the end of the month he presented a bill for five thousand dollars, he was instructed to been wonderfully successful in for Bathurst Loggie went right on until the bill amounted to forty thousand dollars, which Hon. Mr. Pugsley ordered paid, as the work was in the public interest. Loggie also proceeded with work at Bathurst and got sixty thousand dollars out of the government altogether. The revelations made a distinct sensation with both sides o politics here. Mr. Pugsley is alleged to be interested in the Dalhousie Lumber company, in front of whose wharf the dredging took place.
