REID & CHARLES

COMING

Canada's Hair Expert

Every woman and every man whose hair is not in a perfect condition is vitally interested in the coming visit of Frank Pember, of the Pember Hair Store and Beauty Culture Institute, of Toronto. Prof. Pember's advice upon the condition of your scalp, if followed now, may prevent baldness. If your hair is thin, faded, straggly, coarse, transformation, wave, braid or set of puffs, you will see the most beautiful and the most beautifying exhibition ever displayed in this town.

PROFESSOR PEMBER

Desires to emphasize the famous Pen-

ber Toupees for bald or semi-bald men. He will show a full line of the very unusual preparations used at the Institute of Beauty for the complexion, hands, hair and feet. A visit will be undoubtably worth your while at the

THE SPORT REVIEW

COLLEGIATES AND CADETS MEET THIS EVENING

In Junior Intercollegiate Game—Collegiates Have a Lead of Two Goals—Other Hockey News.

Kingston Collegiate Institute and Royal Military College hockey teams meet at the covered rink, to-night in their second game of the intercollegiate series. The question is being asked, "Can the collegiate beat them out on the round?" They have a lead now of two goals and the cadets will have to win to-night by three goals to win from the husky collegiate lads. The cadets had a good workout at the covered rink Monday evening, and will be in good shape for their contest to-night, and the collegiate will be in equally good condition. The game will probably be watched by a large crowd, as the collegiate and R.M.C. fans are very enthusiastic and always turn out in large numbers to cheer for their respective teams. The winners of this group will play the winners of the Regiopolis-Queen's III. group.

The Game Friday Night

The return match between Frontenacs and Peterboro will be played at the covered rink, on Friday evening and will be witnessed by one of the largest crowds this season. Now that the Frontenacs are in the semi-finals, the interest in the results of the games is intense. The boys will have a good rest after their battle last night, and then have a good practice before the game.

Final Games on 21st.

The final games in the Sunday School Basketball League will be played in the Y.M.C.A. gymnasium, February 21st, between St. Paul's and Brock. Each team will strive hard to overcome the other and from all appearances it points to Brock as being the winners. It will be a hard tussle and the winning team will have to earn all they get.

Sunday School Basketball.

In the Sunday School Basketball League series, at the Y.M.C.A. gymnasium, last evening, Bethel defeated Sydenham by the score of 31 to 17. At half time things indicated that the game would be close, but Bethel got away with nineteen points to their opponents' nine. The half time score was 12 to 3.

Sydenham—Harrison, Chown, Trotter, Pense, Ward and Day.

Bethel—Haffner, Kennedy, Moxley, Holland, Veale and Wilson.

G. Fleming refereed the game and K. McCullough acted as umpire.

The second game was between St. Paul's and First Congregational, the former winning out by 44 to 22. At half time the score was even more puzzling than the first game, inasmuch as it was a tie, twelve all, but in the second half Orr, who was the star man for St. Paul's, got away and piled up the score for his team.

St. Paul's—Woodrow, Fleming, Orr, McCullough, McCormack.

First Congregational—Thompson, McCullum, Singleton, Stagg and Stearn.

H. Day refereed and M. Lemmon acted as umpire.

All Kinds of Sports.

Stratford's three O.H.A. teams are now down and out.

Johannesburg, South Africa, is erecting a hockey arena.

Manager John Ganzel is said to have cleared \$70,000 for the Rochester Baseball Club during his two years' command.

At Sydney, Dave Smith, the Australian middleweight champion, defeated "Johnny" Thompson, the American pugilist, on points, in a twenty-round contest.

Pittsburg scribes declare that Han Wagner will surely be switched to first base during the coming campaign, if a new recruit named Hunter falls down on the first corner assignment.

Hockey critics say that Cobourg has the honor of uncoveting the most promising young hockey player, this season, of the junior O.H.A. in little "Jimmy" Freeman, their rover. This boy is only sixteen, and this is his first season in the game.

Brooklyn Eagle: We would suggest that visiting Canadian hockey teams who enjoy night-seeing, be placed under lock and key as soon as they hit town, and be kept closely guarded until it is time for the game.

The championship of the central division of the Interprovincial Hockey League, will go to an Ottawa team, as the M.A.A. seven were walloped, on Montreal-ice, by New Edinburgh.

by 8 to 3. Victorias have already been eliminated.

Zybyzsko, the Polish wrestler, has gone up in the air because Hackenschmidt's manager has talked of having the Russian lion undertake to throw the Polish bear three times in two hours. Zybyzsko's manager says that Hack's manager is trying to cast asparagus on him. He even has the courage to say that Zybyzsko might throw Hackenschmidt three times in two hours.

TO ABOLISH OFFICE.

No Pursers on Boats of Inland Lines.

Hamilton Spectator. The Dundurn will be the only Inland Lines boat which will carry a purser on its trips this year, the company having announced this morning that the purser system had been abolished. In previous years each boat of the fleet was supplied with a purser, whose duty it was to take charge of all freight picked up at the ports where the company had no agent. It was the duty of the purser to bill the freight and have complete charge of the cargo, but the work of some of the pursers last year was so unsatisfactory that the management decided to do away with those officials. One of the pursers will, however, be retained and given the position of agent at Port William. He is a university man and his name is withheld.

This year the company intends to have agents on shore at any port where the business warrants such a course being taken, and those agents will, as in the large cities, have charge of the inward and outward freight and will have complete charge of the billing, etc. In ports where no agent represents the company the freight will be handled by the crew of the boat, and the charges and other details will be looked after when the boat arrives at a port where an agent is stationed. In case freight is taken aboard at Ganaquoque, for instance, where the Inland company has no agent, the billing, etc., will be at the wharf, or if the boat is bound up the lakes or some eastern port, if the boat is bound for Montreal, the company expects to accomplish better results by the non-purser system.

Notice to Agents.

Thomas Jones, president of the Jones' Packing company, Smith's Falls, passed away Monday morning, February 6th, aged sixty years. He leaves to his wife and two sons, Arthur M. and C. Grant Jones; also six brothers and two sisters.

Likely to Move.

The head office of the C.M.B.A. is likely to be moved from its present quarters, in the Golden Lion block, on Wellington street, to the large brick residence, on Montreal street, formerly occupied by the late Mrs. J. McCammon, and now owned by Dr. E. Ryan. The association requires more office space.

Kelptomaniac Steals Diamonds.

It has just been learned it is a lady of high social standing that stole the diamonds off her friend. This show is on at the Bijou theatre this afternoon and evening; always three reels of daylight pictures. Saturday London anarchists.

STADIUM'S CARNIVAL

WAS LARGELY ATTENDED LAST EVENING.

The Costumes Were Good, and the Judges Had Much Difficulty in Selecting the Winners—Some of Those Who Took Part.

The first annual carnival of the Stadium rink, was held Tuesday, and from every standpoint was a complete success. The night was perfect, and the ice at the start was good, but was cut up badly toward the last. The 14th band furnished a fine programme of music. The judges, William Carroll, John T. LeFever and Ralph Bowron did their work well, and it was only after a great deal of hesitancy and debating on their part that the decisions were reached. Nearly half of those on the ice were in costume, and some very pretty and original ones were observed. After nearly an hour's debating the judges finally handed down the following decisions:

Best lady skater, Mrs. J. H. Bajus; best gentleman skater, Vincent Doyle; best costume, (lady), (1), Miss Flora Scofield and (2), Miss Norma McFedridge; best costume, (gent), W. Mackney; comic costume, Miss Marion Moncrieff; best girls costume, Campbell Sisters; best boy costume, E. Elmer.

The decorations were very pretty, and appropriate. Bunting was hung from all corners of the rink and knotted in the centre. A very original lighting effect was caused by digging holes in the snow and setting different colored lights in.

Among those who were in costume were the following: E. Freeman, Wild Devil; G. Geary, Jester; John Watson, Kid from California; H. Hawley, Claman; H. Hamilton and V. Doyle, Siamese; Miss Norma McFedridge, Morning Star; Miss Flora Scofield, Daily Standard; W. Burke, Irish Molly O; W. Mackney, Woman Impersonator; John McLaughlin, Cowboy Servant; Gordon Carroll, Baden-Powell; Earl Ryder, Annie Laurie; Stanley Perryman, Clown; Herbert Saunders, Clown; Miss Muriel Metcalfe, Miss Canada; H. Percy, Courtier; Donald Robinson, Clown; Miss Moncrieff, Red Riding Hood; Miss Edith Clark, Cowboy Girl; W. Elmer, Indian; Edward Sims, Red Riding Hood; Phyllis Caines, Western Girl; Willie Carroll, Uncle Dudley; Thomas James, Cowboy; Albert Anson, Colored Sport; Harry Stratford, Knight of Washington Army; Bert Lee, Rastus Johnston; Miss Mabel Timmerman, Silver Heels; Leo McFatrye, Clown; Star, E. Timmerman, Policeman; John Tetlock, Cowboy; Miss Edith Saunders, Starry Night; Miss Marion Moncrieff, Mrs. Kelly; Miss Ethel Campbell, Snowshoe Girl; Miss Nettie Somerville, Eighteenth Century Belle; Miss Muriel Campbell, Miss Canada.

This comprises only about half of those who were in costume, but it was impossible on account of the crowd, to get all the names. Messrs. LeFever and Carroll donated prizes for the best lady skater and gentleman skater. The prizes were given out as soon as the band played "God Save the King."

The management was so well pleased with the way things were carried out that they intend holding another carnival in the near future. The presenting of the special prizes will take place Thursday evening.

A FINE LECTURE

Was Given in St. Andrew's Hall Last Night.

St. Andrew's hall was crowded, last night, to hear Rev. Joseph Northey, of Belfast, Ireland, lecture on "Derry, Its Siege and After." Mayor Graham occupied the chair and Dr. Elmer Lake was in charge of a powerful limelight lantern. The lecture was purely historical, recording in full detail, and with much feeling, the stirring tale of the causes of the siege and the stubborn resistance of the Protestant Irish to the forces of King James. The lecture was followed by a fine display of Irish scenery warming the hearts of those who recognized the places and creating in Canadian hearts Irish desire to visit the beautiful Emerald Isle. Mr. Northey is an cultured and pleasing speaker and so won the hearts of his hearers that they arose in a body and asked him to give another lecture on the humorous social life of the Irish people. This he consented to do, without charge, on Friday evening, in the same place. After the address a vote of thanks was extended to the speaker, by Rev. W. F. Fitzgerald and heartily seconded by James Berney.

The city council abolished the printing committee but cannot do away with the printing. Printers' ink will live forever.

The best valentine gift. Life membership in the College Book Store Library. Special rate of \$1.00.

J. D. THOMPSON WINS.

Former Kingston Citizen Makes Big Moway at Cobalt.

Cobalt Nugget. J. D. ("Dynamite") Thompson has won his suit against W. H. Jeffrey, regarding the division of the commission and profits on the sale of the Silver Cliff mine. The case came before Judge Riddell, in June last, and judgment was given in favor of Thompson. Jeffrey appealed and the appeal was heard in the divisional court, Toronto, recently, before Chief Justice Mulock, Justice Sutherland and Clute, who in the previous judgment was upheld, and Thompson wins. The property was cut for \$550,000 and the commission amounted to \$75,000, besides a block of stock, all of which Mr. Thompson contended was to be equally divided between the two parties. The matter has now been amicably settled between the two parties, and the division made.

Who Will be Archbishop?

There have been several names mentioned in connection with the archbishopric of Kingston, which will be come vacant next week. From inner Roman Catholic circles now comes the information that Archbishop Gauthier's successor here will be either Rev. Father Spratt, of Belleville, or Rev. Father Hogan, of Perth. The latter is the more likely to be appointed, it is said, in view of his having been a possibility some years ago for the bishopric of Alexandria.

Do You Enjoy Your Meals?

One of the Most Important Questions to Consider in the Search for Happiness and Health.

The burning question to you is, "Are you getting out of life all the pleasure and the health you are entitled to?" If not, why not?

No matter whether every organ and member of your body is in a sound state of health and strength, if your stomach is in any way disordered, you are not going to be "yourself." You are going to be a worried, out-of-sorts, nervous or sullen individual, whose actions will reflect your condition inside, and people will naturally avoid you.

The world wants to smile and be cheerful, and unless you are cheerful and smile, at least, occasionally, you will have few friends, fewer opportunities, no success, and you will go down in defeat—defeated by dyspepsia and a bad stomach.

A good and thorough digestion has a quick, wonderful reaction upon the brain. You must have noticed it many times, for the brain and stomach are as intimately connected as a needle and its thread, one can hardly be used to advantage without the other. If your stomach is slow and lazy in digesting your food, it will produce at once a slow, lazy and clothed brain. If you are absolutely quiet work, and fermentation is poisoning your vitals—as a result, surely your brain is going to be sluggish and correspondingly depressed. No one need tell you that.

But why continue to suffer all the miseries and torments that a disordered stomach brings you? If your stomach can not digest your food, what will? Where's the relief? What's the cure?

Stuart's Dyspepsia Tablets are the relief and the cure. Why? Because, as all stomach troubles arise from indigestion and because one ingredient of Stuart's Dyspepsia Tablets is able to thoroughly and completely digest 3,000 grains of any kind of food, doesn't it stand to reason that these little Dyspepsia Tablets are going to digest all the food and whatever food you put into your stomach? Science nowadays can digest food without having to use the stomach for it. And Stuart's Dyspepsia Tablets are the result of this scientific discovery. They digest and digest thoroughly and well, anything and everything you eat.

So, if your stomach refuses to work or can't work, and you suffer from cructations, bloot, brash, fermentation, biliousness, sour stomach, heartburn, irritation, indigestion, or dyspepsia of whatever form, just take one or two of Stuart's Dyspepsia Tablets, and see the difference. It doesn't cost you much to prove it. Then you can eat all you want, what you want, whenever you want, and you can use these tablets, and you can look the whole world in the face with a bearing eye, and you will have a cheerful spirit, a pleasant face, a vigorous body and a clear mind and memory and everything will look and taste delicious to you. That's life.

Get a package of Stuart's Dyspepsia Tablets at any drug store on earth for 50c. a package.

Send us your name and address today, and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 150 Street Bldg., Newark, Mich.
