To prevent dry, thin and falling hair, remove dandruff, allay itching and irritation of the scalp, and promote the growth and beauty of the hair, frequent shampoos with Cuticura Soap, assisted by occasional dressings with Cuticura Gintment, succeed when other methods fail. Cuticura Soap and Ointment have been equally effective in the treatment of torturing, disfiguring scalp humors and the alarming loss of hair which so often results. For example, read how George E. "My disease started with a little pimple on my head. Then it began to itch. The more I would scratch, the worse it grew until it spread all over my head. So I went to the doctor. But my head grew as raw as a piece of beef and my hair commenced to fall out in bunches. So I changed doctors. My head at this time was so sore I could not touch it. Then I decided to go to the hospital. They began to treat it but it improved very slowly. For over three years I was a sufferer from this disease. I thought all hopes of a permanent cure were impossible. A friend, upon seeing the condition of my head—which was a mass of running corruption—asked me if I had tried the Cuticura Remedies. I told him nothing would do Remedies. I told him nothing would do me any good; but being very anxious to be cured, I decided to try them. The first treatment brought immediate relief. My hair became alive and stopped falling out, all the scale left and now I am perfectly well and have a full head of hair. I can truthfully say that it was entirely due to the use of the Cuticura Remedies."

# Father Morriscy's "No. 11" Cures Stomach Troubles.

When your stomach is working right you never know it is there. But when it feels as heavy as leadwhen you have Heartburn, Belching of Wind, Sourness, a gnawing hunger, with distress after eating-when you feel irritable and depressed - then you may know that the digestive fluids in the stomach are not sufficient to digest what you eat.

Father Morriscy's "No. 11" Tablets supply these fluids in concentrated form. Each tablet, dissolved in the stomach, will digest 134 pounds of food, which is more than an

average meal. Read what Father Morriscy's treatment did for Mr. Gosline, of Salmon Lake. He writes Nov. 30, 1908: "I was troubled with indigestion, so severe that I really thought I had cancer of the stomach. I took much doctors' remedies, till

I was forced to seek another resource, and this was the Rev. Father Morriscy. His treatments worked miracles, until I have been entirely

cured, so that now I do not look to the quality of the diet but to the quantity." 50c. at your dealer's,
