T. LAMBERT, Merchant Tailor

Get your clothes made to your own measurement by a practical tailor. Why?
 1st—Because no two men measure exactly alike. Even thumb prints are all different.
 2nd—Because hand-made garments are skillfully moulded, stayed and sewn, so that they keep their shape and have lasting qualities.
 3rd—Because your particular physique can be considered and pattern and style given which will be specially adapted to your own personality.
 For your next suit try

THE SPORT REVIEW

COLLEGIATES BEAT CADETS BY SEVEN TO FOUR.

Win the Round by Five Goals—Other Hockey Games—General Notes on Sports.
 Kingston Collegiate Institute defeated Royal Military College in the junior intercollegiate game, at the covered rink, last night, by the score of 7 to 4, after a hard tussle. The result of this game gave Collegiates the round over the Cadets by five goals. The game was not brilliant on the whole, although excitement was at fever height for the last ten minutes. The first half was about even, although the collegiate boys scored two goals to nothing by their opponents. Owing to the good work of McNeil, LaRush and Reid, on the forward line, the puck was rarely allowed to get past centre and if it did, Ellis or Walsh broke up any cadet rush. Reid and LaRush have the faculty of getting back after the rubber. Cadets' forward line would get control of the puck when "Spider" would start out with lightning rapidity and overtake them before they got past centre. He very rarely missed his man, and the first surprise of the game was at the beginning. The puck had no sooner been faced off than "Jimmie" Stewart wormed through the cadet defence, and scored, only a fraction of a minute elapsing between the toot of the referee's whistle and the finding of the net.

In a mix-up near the Cadets' goal, the puck was kicked in behind the net and Stewart scored the second goal on a pass out from McNeil. Up till this time the game was very clean, not one penalty being handed out, but Ellis couldn't stand the strain and was given a rest for hard checking. Pearce, the Cadet point, was penalized and Ellis took another rest on the penalty bench. The first half closed without any more scoring.
 The first thing noticeable in the second half was the hard-checking of Pearce and he was given another chance to cool off his overheated ardor on the seat beside the time-keeper. McNeil opened the scoring for Collegiate, on a rush down centre. He lost the puck right in front of Cadets' goal but in a mix-up he got it again and scored. Another goal followed in the same manner. Stewart on a pass from McNeil. Reid scored a few minutes later on a long shot from centre. Walsh started down the ice and he passed to Stewart but the goal was not allowed. Reid scored again on a pass out from behind goal. McNeil rushed from centre and a long shot found its way to the opponent's net. This made the score 7 to 0 in Collegiate's favor. Reid was put off a few minutes later and with the aggressive rover of the Collegiates off the Cadets were able to do something and rained in four goals in almost less time than it takes to tell. Sutherland scored two, Slater one and Codville the fourth. Reid's re-appearance on the ice, however, put a stop to any further scoring. A few minutes later time was called and Collegiates walked off the ice victors.
 "Spider" LaRush and "Shavnee" Reid were probably the stars of the Collegiate seven. Their work was brilliant. LaRush never lost an opportunity to get the puck away from an opponent and did so times without number. He and Reid stuck to the Cadets like burrs and never allowed the military boys to get away with the rubber. The remainder of the forward line, McNeil and Stewart, were also good. "Lankee" Walsh and "Bill" Ellis as a defence, broke up innumerable rushes that looked dangerous. Sliter in goal did his work well and warded off a great many fast shots.
 Cadets did not have any particular stars, although Pearce was probably the pick of the team. Sliter and Sutherland on the forward line might have been more effective than they were.
 K.C.I.—Goal, Sliter; point, Ellis; rover, Walsh; rover, Reid; centre, Stewart; right wing, LaRush; left wing, McNeil.
 R.M.C.—Goal, Woodman; point, Pearce; rover, Fisher; centre, Sutherland; rover, Slater; right wing, Helmer; left wing, Codville.
 Referee—George Vanhorne.

To Play Off a Tie.
 Belmonts and Halligans play, at the Stadium rink, to-night, from ten to eleven o'clock. The last game, which was to have been played for a supper, finished a tie, and the boys agree to play off the tie to-night.

The Games To-night.
 Granites II and Barrielfield play, to-night, and as the weather is very mild it looks as though there would be a large crowd of fans. The senior game will be between Granites and Regiopols.
Standing of N.H.A.
 —Goals—
 W. L. F. A.
 Ottawa 3 0 71 32
 Canadiens 5 4 46 35
 Wanderers 4 3 35 52
 Renfrew 3 5 43 54
 Quebec 1 1 8 33 56
Waldron's Beat Y.M.C.A.
 In an exhibition game at the Stadium rink, last night, the team from Waldron's dry goods store defeated Y.M.C.A., 6 to 5, after a hard tussle. The game was snappy and full of life. Waldron's—Goal, Ryder; point, Hamilton; rover, McFedridge; centre, Harrington; rover, Thornton; right wing, Sullivan; left wing, Green.
 Y.M.C.A.—Goal, Holland; point, Singleton; rover, Bowron; centre, Williams; rover, Edgar; left wing, Keill; right wing, Doyle.
 Referee—Hugh McCormack.

Sharbot Lake Won.
 At Sharbot Lake, last night, the local team defeated the team from Verona by a score of 7 to 5 in a most interesting match. The ice was in good condition, and a good crowd turned out to see the battle.
 In the game played at Verona a short time ago, Sharbot Lake was given a "shut out," but in the game

last night, the boys from the lake showed that they could "come back," all right, and they distinguished themselves.

May be Chosen.
 A name freely mentioned among sports for the presidency of the City Baseball League, this season, is Bernard Tierney, who, last year, served the league in the capacity of secretary-treasurer. Bernard is a zealous official and a good sport, and the mention of his name in connection with the presidency is well favored.

Last of Afternoon Games.
 The last of the afternoon hockey games in connection with the City Hockey League will be played off, this afternoon, between Regiopols II and K.B.C. As the Collegiates have this group there is not much interest being taken in whether the games are played or not, and it is like that the game will be defaulted.

Win for St. James.
 St. George's and St. James' hockey teams came together at the Stadium rink last night, and St. James' won out by 7 to 3.

St. George's—Goal, Curtis; point, L. McCormack; rover, Sands; centre, H. McCormack; rover, Stinson; left wing, Morrison; right wing, Jamieson.
St. James'—Goal, H. Partridge; point, H. Sargeant; rover, Johnston; centre, V. Sargeant; rover, Atkinson; left wing, Partridge; right wing, Rathford.
 Referee—R. Bowron.

Delivered the Goods.
 Peterboro Review.
 Yet a some satisfaction to be beaten by a better team, even if it is on your own little sheet of ice. The visitors delivered the goods as advertised, and there is no kick coming. After watching their work of last night it is easy to figure out how the team has taken the big end of the score in all of its games this season. Every man has all kinds of speed, is able to hold his head, and plays with his mates at every opportunity.
 But the Limestone City boys had to extend themselves all the time. They soon found out in the first half that it was not going to be easy picking. Capt. Reynolds and his braves held them safe for the first fifteen minutes, and with a little better luck would have counted. The opposition tendered to his team had "Jimmie" Sutherland guessing as to what the outcome would be. But his youths worked steadily in the pinches, not on all occasions, but sufficiently so to make the likely-looking winners in the long run.

All Kinds of Sports.
 Knotty Lee is going to start another Canadian baseball league. It will stop itself, the Toronto Telegram says.
 King George V. has continued the subscription of fifty guineas for the King's Plate entries which will close March 1st.
 A critical game in the N.H.A. is billed for next Saturday, when Wanderers go to Ottawa for the third game of their schedule.
 George Hackenschmidt took two straight falls from Dr. Roller at the Riverdale rink, Toronto, the first in four hours and sixteen minutes and the second in 13.05.

The American court tennis championship will be decided at the Tennis and Racquet Club, Boston, the first week in April. Jay Gould, champion will be one of the competitors.
 A colored cricket team has been organized in Winnipeg and a small-sized sensation has been created here by their application to play in the senior league. They are nearly all West Indians.
 The Eastern league baseball pennant winners will, at the end of the coming season, play a post-season series of five games with an all-star team, managed by the leader of the club that finishes second.
 The Allan hockey cup trustees want St. Michael's College to defend the trophy against the Winnipeg Victorians within the next week or two, which is impossible, as the O.H.A. senior series, a most important affair in the hockey world in this section, will not be finished until after the end of this month. There will be ample time then to meet any challenges.

They are not satisfied over in New York state to do without even amateur baseball on Sunday, and Senator Ferris has just introduced a new kind of permissive Sunday sports bill. It empowers the mayor of a city, supervisor of a town or president of a village to issue a license for Sunday baseball, football, golf, running, jumping, tennis, skating, swimming, rowing, skiing and other outdoor sports.

The wise man always has the construction gang a mile ahead.

EASY CHANGE

When Coffee is Doing Harm.
 A lady writes from the land of cotton of the results of a four years' use of the food beverage—hot Postum.
 "Ever since I can remember we had used coffee three times a day. It had a more or less injurious effect upon us all, and I myself suffered almost death from indigestion and nervousness caused by it.
 "I know it was that, because when I would leave it off for a few days I would feel better. But it was hard to give it up, even though I realized how harmful it was to me.
 "At last I found a perfectly easy way to make the change. Four years ago I abandoned the coffee habit and began to drink Postum, and I also influenced the rest of the family to do the same. Even the children are allowed to drink it freely as they grow up. And it has done us all great good.
 "I no longer suffer from indigestion, and my nerves are in admirable tone since I began to use Postum. We never use the old coffee any more.
 "We appreciate Postum as a delightful and healthful beverage, which not only invigorates but supplies the best of nourishment as well." Name given by Postum Co., Battle Creek, Mich.

FOR BATHING HOUSE

PARKS COMMITTEE TAKE UP THE MATTER

On the Recommendation of Ex-Mayor Couper—City Engineer Asked to Give Estimate on Cost—The Work for the Season.
 The recommendation of ex-Mayor Couper, in his closing address to the council last night, that steps be taken towards the securing of a public bathing house, will bear fruit, if the necessary funds can be secured for the proposition. The retiring mayor asked that the parks committee take up the matter, and at its first meeting, on Wednesday afternoon, it was discussed, and decided to have the city engineer submit an estimate of the cost of the erection of a suitable building. It will be remembered that ex-Mayor Couper also asked that something be done to secure a public play ground for the children. This matter was referred to the property committee.

Other business before the committee was that of going over the estimates of the cost of work required to be carried out this year.
 Ald. Kent, the chairman, presided, and the other members present were Alds. Hanley, Fair and Armstrong.
 The chairman said that he had been considering the work which would be necessary to be carried on this season, and he went over the slate with the members. The band stands and benches, in all the parks would need painting. These were not painted last year, and would certainly have to be attended to this year. Lack of funds prevented the work being done last year. An estimate for painting was given at \$350. Some of the parks also needed repairs, and a water pipe was necessary for one of the new flower beds in the city park. Then there was the usual tree cutting and trimming to be done. A new mowing machine was also a necessity.

The chairman made a suggestion which met with general favor, that of having three or four lights placed along the route through city park, from Wellington street. He also suggested the placing of small lights at the top of the flag pole, in Macdonald park. There were small lights at the old flag pole.
 The amount to be asked for by the committee this year, is \$2,635. Last year, the committee asked for \$2,000, and was given \$1,500.
 The chairman also referred to another suggestion which met with general favor, that of having twelve or fourteen lights along the breakwater. He said the mayor was in favor of the scheme, if it could be carried out.
 The usual grant of \$300 for band concerts will be asked for.
 W. H. Phillips, who has for seventeen years acted as superintendent of parks, and who is a valued employee of the city, asked for an increase in salary, and on motion of Ald. Fair, it was recommended to give him a raise of \$50 a year. The chairman paid a warm tribute to the work of Mr. Phillips.
 The chairman introduced the question of the bathing house, and there was some discussion as to the site, etc. One site suggested was near the old malt house. The committee is anxious to provide the bathing house if the money can be secured, and his order to get something to work on, the matter was referred to the city engineer for an estimate of the cost of a building.

The chairman and superintendent were given power to purchase all the trees, shrubs, seeds, etc., necessary for the parks for the season of 1911.

Two Captains Lose Licenses.

Two Kingston captains who have held United States marine certificates, have had them withdrawn, in accordance with the recent order of the Washington government, that all captains and engineers serving on United States vessels must not live abroad. One of the captains has latterly been in charge of a Canadian vessel.

To Command Steamer Belleville.

Capt. William Bloomfield, of this city, who has been in command of the steamer Caspian for the past few years, will, this coming season of navigation, take command of the steamer Belleville, having joined the ranks of the Richelieu and Ontario Navigation company. Capt. Bloomfield is a first-class navigator.
 "Plasters for lame back," Gibson's. The clearing of snow on Princess street has been completed. The corporation men are now working on Lower Bagot street. Thence they will go on certain crossings.
 The board of works will not meet on Saturday afternoon.
 "Buy dough straps" at Gibson's.

GRAND OPERA HOUSE.

Two Fine Productions Billed For This Week.

All the world likes to laugh with the laughter which has a tear close behind it and that is why James Forbes' comedy, in slang of chorus girl life, "The Chorus Lady," promises, like Tennyson's brook, to run on forever. Manager Henry B. Harris will present this charming and tensely dramatic play at the Grand, on Friday, Feb. 10th, with Edna Aug in the role of Patricia O'Brien, the apostle of cheerfulness. Miss Ang's histrionic ability has won her the favor of American playgoers and the acclaim of the critical Parisians where she acted for a season, in French, at one of the most famous of the Paris variety theatres. Manager Harris has surrounded the star with a cast of unusually strong and popular players. The stage settings, costumes and properties have been kept up to the excellent standard which was set in the original production of this most successful comedy of stage life and stage slang in America.

A Wonderful Singer.

An American girl, Miss Grace Nelson, is declared by the foremost critics to be the latest discovery among coloratura sopranos. Not since Tetrazini astounded the world with her wonderful voice has so much interest been shown in a soprano as is being caused by Miss Nelson. Joseph F. Sheehan, the famous tenor, while in Europe last summer heard Miss Nelson sing and was immediately impressed with the fact that here was an ideal Leonora for his all cast production of Verdi's great opera, "Il Trovatore." It was only after many weeks that he secured her from her European contract and engaged her for his company. Miss Grace Nelson will be heard at the Grand Opera House, Saturday, Feb. 11th, matinee and night, when the Sheehan English Grand Opera Company comes here, for two performances of "Il Trovatore" with a chorus of forty and an augmented orchestra.

To Wait on City Council.

The city council, at its meeting next Monday evening, will be waited upon by a leading deputation composed of leading citizens and be asked for a generous grant to the Mount Memorial hospital, towards which there has now been about \$20,000 subscribed.

World-Wide Leadership.

The one Bicycle Tire which leads the world over—whether that has to do with quality or service—is the Dunlop. Don't ignore Dunlop Leadership in Canada. Follow the lead and make your Bicycle days brighter.

Not Eager For Canal.

It is said that the Thousand Island Steamboat company is not anxious that the Wolfe Island canal should be re-opened as there would be the likelihood of all kinds of small craft entering the ferry business between Kingston and Cape Vincent if the canal route was provided.
