In Picton, on February 6th, a pretty home wedding was solemnized at the home of the bride's grandparents when Helen Mary Ruttan and George A. Sherriff, Bloomfield, were united by the Rev. V. H. Emery.

Told in Twilight

(Continued from Page 2.)

Mrs. Bernard Browne, Clergy street west, entertained at a most enjoyable afternoon tea, on Thursday, in honor of her niece, Miss Muriel Hubbell, of Ottawa. Mrs. Browne, assisted by Miss Hubbell received the guests in the drawing-room, which was tastefully decorated with daffodils and lighted by yellow shaded candles. The same decorations were used on the tea table, which looked very dainty and pretty, and was presided over by Mrs. Browne. The guests included Miss Mabel Brownfield, Miss Laura Deane, (Lindsay), Miss Nan Patterson, Misses Leta and Vera Carson, Miss Edith Hague, Miss Muriel King, Miss Winifred Claxton, Miss Madeline Higgins, Miss Lenore Hamilton, Miss Mamie Garrett, Miss Hilda Kent, Miss Marjorie Merrick, Miss Jean Duff, Miss Marjorie Duff, (Guelph), Miss Marion Lessie, Miss Christine Cochrane, Miss May Rogers and Miss Mildred Jones.

Mrs. J. Massie, Earl street, entertained at a very delightful tea, on Wednesday afternoon, in honor of Mrs. James Gouinlock, of Toronto. The drawing room and dining room, were prettily arranged with daffodils. The tea table was also centred by the same flowers and lighted by yellow shaded candles, which stood at each corner of the table. Mrs. J. S. King presided over the tea table and was assisted by Miss Edna Lockett and Miss Hazel Massie. The guests were Mrs. H. J. McKelvey, Mrs. C. A. Morrison, Miss Loretta Hanley, Mrs. S. H. Simpson, Mrs. Ernest Sparks, Mrs. Fred. Mahood, Misses Lena and Kathleen Wilson, Misses Lulu and Ida Lee and Miss Lulu Cays.

Mrs. E. W. Garrett, Johnson street, entertained at a very successful and enjoyable dance, on Friday evening, for Mr. William Garrett. Those present were: Miss Hazel Brown, Miss Katherine Hart, Miss Ruth Anglin, Misses Lucy and Gwendolyn Waddell, Miss Mary Strange, Miss Helen Duff, Miss Nan Saunders, Miss Eleanor Phelan, Miss Veta Minnes, Miss Rose Rogers, Miss Lenore Hamilton, Messrs. Harold Brownfield, Sherman Hill, Herbert Steacy, Walter Steacy, Kenneth Taylor, Jeremy Taylor, Howard Folger, Roger Stewart, William Minnes, B. Robertson, Murdoch and A. Browne.

Mrs. Herbert D. Bibby, Brock street, entertained at a most successful children's party, on Friday evening, for Miss Kathleen and Master Kenneth Bibby. There were about forty children present. Miss Helen Chown won the prize for the pea hunt, Miss Harriett Gardiner was the successful winner of the bean bag game, and Miss Doris Mackay won the prize for pinning the tail on the donkey.

Miss Mildred Sellers, Colborne street, entertained at tea, on Thursday afternoon, in honor of her guest, Miss Mildred Fairbairn. The guests included: Miss Grace Cane (Newmarket), Miss Susie Anglin, Miss Edna Booth, Miss Eva Martin, Miss Dora Oldrieve, Miss Addie Foye and Mrs. Charles Taylor.

Miss Kathryn Sowards, Montreal street, has gone to Toronto, to be the guest of Mrs. Alfred Walker, St. Charles avenue.

Miss Reta Boyd, who has been visiting friends in the city, leaves for her home, in Brockville, on Sunday.

Dr. and Mrs. E. J. Lake announce the engagement of their eldest daughter, Mabel, to Mr. Howard Cowan, of Brockville, Sask. The marriage is expected to take place near the end of the present month.

invitations for a dance, for Tuesday, February 22nd. The patronesses are: Mrs. J. C. Connell, Mrs. F. G. G. Campbell, Mrs. J. Waddell and Mrs. J. S. Macdonald.

Miss Agnes Richardson and her guest, Miss Grace Houghton, and Mr. George Richardson, went up to Toronto on Friday to spend the weekend.

Miss Marjorie Duff, of Guelph, who has been the guest of her aunt, Mrs. H. B. Duff, Princess street, left, on Friday, for Perth, to spend a week or two. Miss Duff will stop off in Kingston for a few days on her way home from Perth.

Mrs. H. B. R. Craig, Union street, went to Deseronto, to-day, to spend Sunday with Miss Marjorie Rathbun.

Mr. Garrett left on Friday for Toronto, to spend the weekend.

Mr. E. Van Lessie, who has been visiting in Montreal, for the past few days, will return home to-day.

PLAYS AT THE GRAND.

"The Final Settlement" is the Evening's Production.

At the Grand to-night the attraction will be a new drama entitled "The Final Settlement," which is said to be a simple, terse and rational presentation of social conditions among the highest classes of present-day American life. The play is well put together, from beginning to end there is no dull moment.

Chevalier in "Daddy Dufard."

The greater Chevalier—there is no fitter way to characterize this best of English speaking character actors—is

VIOLET HEMING.

With Albert Chevalier, in "Daddy Dufard," at the Grand, on Friday, Feb. 24th.

to appear in his latest comedy, "Daddy Dufard," at the Grand, next Friday, Feb. 24th. It is a play that deals intimately with the on and off stage life of footlights favorites, and as such, presents a veracious picture of conditions that have always had a special appeal to the theatregoers. Chevalier will have the part of an old French actor, retired and living among his kind in London, a part that will reveal the genius of Chevalier at its best. Chevalier is touring America under Liebler and company's management, which means that he will have an adequate production, and a splendid supporting company. Seats for his local engagement will be placed on sale Monday morning.

"My Cinderella Girl."

Unusual interest has been aroused among all classes of theatre-patrons in the coming to the Grand, on Saturday, Feb. 25th, matinee and night of the successful musical comedy, "My Cinderella Girl," which crowded the Whitney Opera House, Chicago, for over three hundred performances, and is unquestionably one of the best attractions to be seen here this season.

Wedding at Parham.

Parham, Feb. 17.—A pretty wedding was solemnized at the home of Mr. and Mrs. Solomon Cronk, near Parham, on Wednesday evening, Feb. 15th, when their youngest daughter, Miss Edith, was united in marriage to Adr Wagar, formerly of this place. At six o'clock to the strains of the wedding march, played by Mrs. A. W. Stewart, the bridal party entered the parlor, where the ceremony was performed by Rev. J. A. Waddell, of Harrowsmith, assisted by Rev. A. W. Stewart. The bride was becomingly attired in white silk, and was attended by her small niece, Hazel Vanvolkenburg, of Enterprise, who made a sweet little flower girl. After congratulations had been extended, all repaired to the dining-room, where a repast was served to over eighty guests. The evening was pleasantly spent in speeches, vocal and instrumental duets, and social conversation. Another interesting feature of the evening was the christening of the bride's little nephew, Francis Keith Vanvolkenburg, also the little daughter, of William Wagar, and Alfred Heron. The bride was the recipient of a large number of pretty and useful gifts. Mr. and Mrs. Wagar leave next week for their home in Cobalt.

The missionary concert held in the Methodist church, on Thursday evening, was much enjoyed. An excellent address on missions was given by Rev. J. A. Waddell, of Harrowsmith, after which the pastor, A. W. Stewart, exhibited a large collection of curios from Africa, which had been gathered by his brother-in-law, Dr. Ferguson, who spent two years in the Nigeria. A quartette was rendered by Miss Betram, Mrs. Stewart and Mrs. Waddell and Stewart, also a vocal duet by Mrs. Stewart and Mr. Waddell. The proceeds of the evening will go towards the missionary fund of the church. Miss Florence Betram is visiting in Harrowsmith. Mrs. D. Goodfellow has returned from Mountain Grove. Rev. A. W. Stewart was in Lanark this week.

All may be fair in war, but there is a lot of unfairness in love matters. The spendthrift never lets one dollar crowd another in his pocket.

ARE READY TO ACT

TO STOP PELAGIC SEALING FOR TEN YEARS.

Canada Has Agreed to Treaty if Russia and Japan are Included in the Conference.

Ottawa, Feb. 15.—The Canadian government has agreed, through the British ambassador at Washington, to a treaty with the United States for the entire cessation of pelagic sealing in the Pacific for a term of not less than ten years. The agreement is conditional upon the signing of similar agreements between the United States and Russia and Japan, but it is understood that the governments of these two countries are now ready to co-operate in the imperative work of preventing the entire destruction of the seal herds in the Pacific, threatened by the continuance of the present practically uncontrolled sealing. Efforts to secure an agreement among the four powers have been in progress for some years, and the negotiations are now within sight of a successful issue. By the terms of the treaty at Washington the United States government may still continue its present system of taking each year a limited number of seals from Pribyloff Islands, to be held by experts that the killing under a limited number of males each year, is conducive to the better propagation of the herd. To compensate Canada for the withdrawal all sealing privileges on the high seas; the dominion will be given an equity based on a percentage of the total annual take from the islands. It is believed that in the course of five years of absolute protection for seals in the north Pacific the herds will again become as large as ever.

How to Stop Pimples

In Five Days You Can Get Rid of All Skin Eruptions by the New Calcium Sulphide Wafers.

Trial Package to Prove It Sent Free.

Any man or woman gets awfully tired going around with a pimply face day after day. And other people get awfully tired, too, seeing them go around with faces full of disgusting pimples.

If you are one of the unfortunates who can't get away from your pimples, and you have tried almost everything under heaven to get rid of them, take a few of Stuart's Calcium Wafers every day. Do that steadily for a few days, and in less than a week look at yourself in the mirror.

You will then say that Stuart's Calcium Wafers are a wonder in getting rid of the eruptions.

These wonderful little workers contain the most effective blood purifier ever discovered, calcium sulphide. No matter what your trouble is, whether pimples, blotches, blackheads, rash, tetter, eczema or scabby crusts, you can solemly depend upon Stuart's Calcium Wafers as never-failing.

Stuart's Calcium Wafers have cured boils in three days and the worst cases of skin diseases in a week. Every particle of impurity is driven out of your system completely, never to return, and it is done without deranging your system in the slightest.

Most treatments for the blood and for skin eruptions are miserably slow in their results, and besides, many of them are poisonous. Stuart's Calcium Wafers contain no poison or drug of any kind; they are absolutely harmless, and get the work which cannot fail to surprise you.

Don't go around with a humiliating, disgusting mass of pimples and blackheads on your face. A face covered over with these disgusting things makes people turn away from you, and breeds failure in your life work. Stop it. Read what an Iowa man said when he woke up one morning and found he had a new face:

"By George, I never saw anything like it. There I've been for three years trying to get rid of pimples and blackheads, and guess I used everything under the sun. I used your Calcium Wafers for just seven days. This morning every blessed pimple is gone and I can't find a blackhead. I could write you a volume. I am so grateful to you."

Just send us your name and address in full to-day, and we will send you a trial package of Stuart's Calcium Wafers, free to test. After you have tried the sample and been convinced that all we say is true, you will go to your nearest druggist and get a 50c. box and be cured of your facial troubles. They are in tablet form and need no trouble whatever to take. You go about your work as usual, and there you are—cured and happy.

Send us your name and address to-day and we will at once send you by mail a sample package free. Address: F. A. Stuart Co., 175 Stuart Bldg.

RUSSIAN SOLVES PROBLEM.

Milk Can be Successfully Sterilized Without Changing Ferments.

A Russian chemist claims to have solved the problem successfully of sterilizing milk without altering its ferments and antioxidants. An ordinary boiling process or heating even to sixty-two degrees C. will make milk inert, while the Russian's method of bringing it so rapidly to a temperature of eighty degrees C. that the ferments are not altered is just as effective so far as the thoroughness of the sterilization is concerned. It is done in this manner: The milk is forced into the heated vessels in the form of a spray, which breaks it up into globules. It is at once condensed and drawn off into a receiver to cool. An air spray has no effect upon the character of the milk, but a steam spray of course dilutes it about ten or fifteen per cent.

His Serious Mistake.

A student egotistical young divinity whom his colleagues have not yet seen enough of life and hard work to lose his high estimate of his own importance in the scheme of things, supplied not long ago in the pulpit of a near-by country church.

When the service was over and the congregation was leaving the church, the young man asked one of the deacons, a grizzled and plain-spoken old farmer, what he thought of the sermon.

"The old man thought for a moment before he answered:

"Well," he said, at last, "you had some pretty good things to say, young man, but you made me think of St. Martin over at the Junction. St. Martin huntin' one day last winter, after rabbits. And he followed the rabbit's tracks faithful all day long. But he followed 'em in the wrong direction."
