A New Costume Which is the Talk of Fashion Circles in Paris-Fur-lined Chiffon

so becoming that among smart women it is likely to be a great favorite. In shape it very closely resembles a cure's coutane, and is generally made of soft black, with a row of crochet buttons from throat to hem. A flat sash with fringed ends accentuates the simulated bolero of bright bishop's purple satin, and a white stock gives the finishing touch to a high black satin collar. In addition there is a little stiff bow of the bishop's satin, with long gold tasselled ends. Many of those who have adopted this priest's frock, add to it a little semifitting coat of black velvet with touches of purple satin and a bat of black beaver, that is called "papal." Chiffon and fur, though one is the lightest of filmy fabrics and the other the heaviest of pelts, are quite a usual combination, the one as a trimming cially marked, and the little ones were allowed to order their own favorite breakfast, a touch which gives one an ing themselves during their travels on the simplicity of the house and the little ones were the forthe ones work in God's Vineyard, and young beams of the Disc" (the Sun God).

Dandruff is a contagious disease

well lead to baldness. Never try on anybody else's bat. Many a hatband is a resting place for microbes. If you happen to be troubled with dandruff, itching scalp, falling hair or haldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic, We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness; he cause of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised : to banish dandruff, restore natural color when its loss has been brought about by disease, and make the buir naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, exusing them to tights on and grow new hair. We want every body who has any trouble with hair or scalp to know that Revel "93" Hair Tonic is the best leads tonic and restorative in existence. and no one should scoff at or doubt COUNTESS OF SUFFOLK this statement until they have put elected Vice-President of the Wo- | nothing for the remedy if it dies men's Imperial Beaith Association, not give full and complete astiwhich will hold a Congress in Lon- faction in every particular. QUEEN MARY

Happy Home Life, Domestic Happiness and Quiet Contentment

A deeply interesting series of articles on the "Life Story of Queen Mary" is being published in England. In the first chapter some interesting details are given of her Majesty's home life and early training: "In these early days a visitor to White Lodge has put on record the universal appreciation of the picture of happy home-life, domestic happiness, and quiet contentment presented by the household there in the following words: 'It was a pretty sight to see the Royal parents, with their young family, at tea-time, under the old apple tree in the garden, which, by the skill and taste of the Prince and | 000 in fares every year, thanks to the no son and no daughter shall arise The Prince and his brother Albert Princess, had been transformed from are suffering with measles.
