## Imitation Cough Cures

Is an Imitation Cough Medicine Good Enough for Your Children?

When you are sick and send for the doctor you don't want him to send a young medical student he has in his office. You would rather have the young fellow experiment on somebody else.

No more do you want imitations of the medicine you know to be of proved value in the cure of disease.

The remarkable success of Dr. Chase's Syrup of Linseed and Turpentine in the cure of croup, bronchitis and colds has proven too great a temptation to imitators. They expect you to take chances with their medicine because the price is a few cents less.

Imitations are never told on merit, but depend on the merit of the article they imitate. You don't want to be experimented on, and for this reason insist on seeing the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, on the bottle you buy.

As it is made of simple ingredients of proven value, it is well suited for a treatment for children. That it is effective in the cure of croup, bronchitis, whooping cough and the most severe coughs and colds is attested by its many years of continued success and enormous sales. 25c. all dealers or Edmondson, Bates & Co., Toronto.

## SHE WAS SURPRISED

When Dr. Morse's Indian Root Pills Cured her Chronic Liver Complaint

Mrs. R. Smith, of Winnipeg, Man., tells an interesting story of relief from almost intolerable sufferings:  
"I can hardly tell you how great my sufferings have been. Chronic liver complaint accompanied by biliousness was a daily source of trial to me. Every day I experienced the sickening effects of these ailments. I longed for some medicine that should permanently drive them away."  
Hearing of Dr. Morse's Indian Root Pills, I thought they were worthy of a trial. My surprise was indeed great. From the very first I experienced relief. Continuing with them I found my troubles were slowly but surely leaving me, and before long I once more knew what it was to be free from the harassing effects of the ailments that had long sickened and weakened me. So great is my faith in Dr. Morse's Indian Pills that I shall never on any account be without them."

## AFTER 7 YEARS SUFFERING

I Was Cured by Lydia E. Pinkham's Vegetable Compound

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and was cured. In a short time I had gained my average weight and am now strong and well."  
—Mrs. SARAH STEVENS, R. F. D. No. 3, Box 31, Waurika, Okla.

Another Grateful Woman  
London, Ont.—I feel as if I could not tell others enough about the good Lydia E. Pinkham's Vegetable Compound has done for me. I was so weak and tired that I could not rest nights. A friend recommended your Compound and I soon gained health and strength and could not wish to sleep better. I know other women who have taken it for the same purpose and they join me in praising it.—Mrs. Wm. A. BUFFY, 905 Dame St., London, Ont.

Lydia E. Pinkham's Vegetable Compound has surely cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, and nervous prostration.
