Gold in Twilight

A most successful dance was held on Tuesday evening, at Grant hall, Queen's University, by the sophomore years, arts, science and medicine.

The guests were received at the entrance to Grant hall by the patronesses, Mrs. J. C. Connell, who wore a handsome gown of blue brocade silk, with white lace trimmings.

The programmes were very pretty, being in the shape of a "Q," outlined in gold.

There were sixteen dances and the music was supplied by the orchestra of the R.C.H.A.

The halls were tastefully decorated with ferns and palms and were used as sitting out places.

Supper was served in the reading room at quartette tables, which were decorated with flowers.

Some of the guests noticed were Miss Irene Swift, Misses Hilda and Boris Kemp, Miss Hanne Anglin, Miss Phyllis Short, Miss Grace Hemming, Miss Jean Duff, Miss Jessie Slater, Miss Freda Burns, Miss Mildred Sillery, Miss Ruth Martin, Miss Mildred Henderson, Miss Helen Uglow, Misses Margaret and Alice Marshall, Miss M. McLachlan, Miss Grace McLelland, Miss Evelyn Newlands, Miss Dorothy Hooper, Miss Christina Cochran, Miss Marjorie Merrick, Miss Madge Taylor, Miss Winnifred Claxton, Misses Blanche and Flossie Hudson, Miss Florence Williams, Miss Marguerite Stuart, Miss Irene Williams, Miss Sibbald Hamilton, Miss Mary Johnson, Miss Marnie Garrett, Miss Jessie Dickson, Miss Edna Booth, Miss M. Robinson, and Miss Ruby Gillies.

COWAN-LAKE WEDDING.

The Happy Event Took Place on Tuesday.

A very quiet wedding was solemnized on Tuesday, at the home of Dr. and Mrs. E. J. Lake, Alfred street, when their eldest daughter, Mabel, was united in marriage to Howard Cowan, of Broderick, Sask.

The ceremony was performed by the grandfather of the bride, Dr. S. K. Lake, of Battersea, assisted by Rev. Douglas Laing, pastor of the First Baptist church, of which the bride was a member.

Only a very few of the immediate friends were present. The bride wore her traveling suit of blue and carried a shower bouquet of pink and white carnations, the color of the decorations of the drawing-room and dining-room. First congratulations and best wishes were in the form of telegrams from the west, opened by the bride as the party sat down to the wedding breakfast.

The presents were numerous and costly, some coming from a distance. Mr. and Mrs. Cowan left on the noon train for Toronto, Winnipeg and the west.

Canadian Girls Hold Drive.

The members of the Canadian Girls' Club held a jolly driving party, Tuesday evening, to which they invited a few of their friends. The young people enjoyed a drive around the city for a couple of hours, after which they went to the home of one of their members, where all sat down to a supper.

Another hour or two was spent enjoying music and games.

Married at Parsonage.

A pretty wedding ceremony was performed at the parsonage of Sydenham Street Methodist church, when, on Tuesday evening, Rev. Thomas W. Neal, united in marriage Mrs. Lema Harper, daughter of Mr. and Mrs. W. R. Caswell, Alfred street, to Herbert Wright, of this city. The couple were unattended, save for the presence of the parents of the bride.

TO VIEW ARC LAMPS IN OTHER CITIES TO DECIDE ON TENDER.

Ald. Elliott and Manager Folger to Make a Trip—City Will Pay \$3,000 a Year More for Street Lighting.

Ald. Elliott, chairman of the light, heat and power committee, says that at the next meeting of the city council a recommendation will be made as to the acceptance of a tender for new street arc lamps.

The committee has secured some information as to the up-keep of the lamps on which tenders have been received.

The company, whose lamp casts a dark shadow, claims that it does not do this in other places. The committee has instructed Ald. Elliott and Manager Folger to proceed at once to several cities where both companies' lamps are used, and view them, and secure first-hand information.

They will report to the committee next week.

The manager of the light plant and the city engineer will shortly make a tour of the city for the purpose of deciding where the additional fifty arc lights and some Tungsten's should be located. They will report to the joint committee on street lighting and the light plant. It will cost the city \$3,000 a year more for street lighting this year.

GIFT FOR G. G. PUBLOW.

The Retiring Superintendent of the Dairy School.

G. G. Publow, superintendent and chief dairy instructor of the Eastern Ontario Dairy School, was agreeably surprised, this afternoon, when he was waited upon by the staff and students of the school and presented with a valuable gold-headed cane.

The address was read by J. W. Charbonneau, of Plantagenet, and the cane was presented by the kind remembrance, and thanked the donors in his pleasing way, assuring them that his heart was and would always be with them.

Mr. Publow has been superintendent of the school for several years, since Mr. Hart, the former superintendent, went to Brazil. He fulfilled the double duty of superintendent and chief dairy instructor. He has been connected with the school since its founding, in 1894, and is now severing his connection as superintendent, but will still be the chief dairy instructor.

WILL BE REMOVED.

Mica Works Will be Located at Trenton, N.J.

It has finally been decided to remove the mica works, on King street, to Trenton, N.J. Dallas B. Smith, of Opelika, Ala., who has been superintendent of the plant, will take charge of the plant there.

It is understood that the plant is being removed because it will be a more advantageous point for the work. The matter of removal has been under consideration for some time.

White Ribbon Social.

The White Ribbon Social, held on Tuesday afternoon, at the home of Mrs. Horatio Day, 24 Division street, was a grand success. Upwards of one hundred people were in attendance, and the event was a most pleasant one for all.

Miss Hattie Chown was in charge of the programme, and she was assisted by Miss Laura Stillwell, and the different numbers were much enjoyed. A goodly sum will be realized.

A Chimney on Fire.

At 1.50 this afternoon an alarm was rung in from box 24, at the corner of Princess and Victoria streets. When the firemen arrived they found that it was only a chimney ablaze, at the residence of J. Caswell, 231 Victoria street. The fire was quickly extinguished, with very little loss. There is insurance to the amount of \$500 on building and contents.

"Chaucer" to Referee.

Toronto News: "Chaucer" Elliott, of Kingston, will referee the senior games Wednesday night and Saturday. He was appointed last week by Secretary W. A. Hewitt, but it was not until yesterday morning that his acceptance was received. Strange to say, the Argonauts and Eaton officials agreed upon Elliott after a strenuous session, many names being rejected, the clubs being unaware of the fact that he had already been selected.

McGill Intermediates.

The McGill Intermediate hockey team arrived in town at noon and their line-up for to-night will be: Goal, Warwick; point, Hughes; cover, Kelly; rover, Thompson; (Capt.), center, Forman; right wing, Smith; left wing, Ryley.

B. Noble Steacy will referee the game.

Won Curling Series.

The curling games in the local series will have all been finished in the course of a few days. "A" series will be finished this afternoon, with the game between Skip Sils and Skip Gill. Skip Ross is announced as the winner of series "B." Skip Sutherland is the winner of series "C." The result of series "D." will be made known on Friday.

Curling Results.

The curling games in the local series on Tuesday night resulted as follows: Skip Goodwin, 15; Skip Watson, 9; Skip Reid, 15; Skip Strachan, 7; Skip Sutherland, 18; Skip McFarlane, 7; Skip Robertson, 11; Skip Slater, 9.

Incredible? Ridiculous?

Possibly, to Pitman or Gregg acquaintances, but "seeing is still believing," so any who doubt the idea of a college being able to fully equip strictly first-class, high-grade stenographers with only twenty-five to thirty-five days' study are urged to apply at 282-286 Yonge street, Toronto, (Moon College), and ask for good, sound, sensible, reasonable and convincing and satisfying evidence. They say: "Come see and believe."

Cornelius Fitzgerald, Almonte, has purchased the Allan House, Perth, from P. J. McPartland, Westport, for \$7,500. When the lease expires, John Fitzgerald, brother of the new owner will occupy it.

Neil Robertson, an ex-teacher of the Perth Collegiate Institute, died Sunday. He was seventy-one years of age. For a number of years he lived in Drummond township. Mr. Robertson owned an unusually fine library.

A pretty wedding took place at St. Michael's church, Belleville, on Tuesday morning, when Rev. Father Spratt, officiating, Miss Sophia Palmer, of Ross' Corners, was united in the holy sacrament of marriage to Thomas Wood, Poucher's Mills.

Peter Milne passed away, on Monday at his home in the second concession of Thurlow. He lived and died at the old homestead. He was seventy-three years of age and had been a widower for about twenty-two years.

There are four children left to mourn his loss, two daughters, Misses Mary and Lillie, second concession of Thurlow, and two sons, Frank, Thurlow, and Edward, Toronto.

IN-SPORTING CIRCLES.

McGill H. vs. Varsity H.—With the Curlers.

The junior Frontenac hockey team is endeavoring, this season, to rely on their share of the gate receipts at the different games, to pull them through financially. They do not wish to ask the citizens of the city to assist them unless necessary.

It is the impression of many, that they make large hauls out of the different games, and they do, but, one must take into consideration that they are under big expense. The trip to Orillia will cost them over \$100 in railroad fare, not counting hotel bills.

The people of this city are proud of the place which their junior team occupies in junior O.H.A. circles, and if they win the championship again this year, will no doubt subscribe a sum of money with which to purchase them trophies of some sort.

SPAN WILL BE COSTLY.

Because of Necessity of Twenty-foot Channel.

The city engineer says that the reason a seventy, or eighty-foot span in the centre of Cataract bridge will be so costly is because, according to the agreement between the city and the Ontario exploration syndicate, a channel twenty feet deep is guaranteed. The present foundations of the bridge at that point would be undermined, and it will be necessary to build piers and abutments to the rock. It is impossible to construct a span in the bridge for less than \$25,000. Just what the civic finance committee will do in regard to the matter is hard to say.
