ROCKWOOD TANKARD

WILL BE HELD BY THE KINGSTON CURLERS.

Won Out by Three Shots in Game on Thursday Afternoon—Local Club Captured Three Straight Games.

The third game in the series of games was played at Portsmouth on Thursday afternoon and resulted in another win for the Kingston curling club, and the tankard, which was donated by Dr. C. K. Clarke some years ago, comes into the possession of the city club, after many years of striving towards that goal.

The final game will be played on Saturday on the city ice, but the local team, by winning three straight games, are in the comfortable position of being as it were, playing on velvet. They are what is known to curlers as "28 up."

The rinks and scores were as follows: Kingston—W. M. Baillie, A. Turcotte, S. R. Bailey, A. Strachan, skip—20.

Rockwood—Dr. Young, W. Fenwick, J. Davidson, J. Dennison, skip—18. E. Lyons, W. H. Montgomery, C. F. Smith, T. M. Asselstine, skip—12. E. Hogan, W. R. Dick, W. Carr, T. McCann, skip—11.

Total score, Kingston, 32; Rockwood, 29; majority for Kingston, 3 shots.

Granites Will Play. The secretary of the Granite Hockey Club writes the Whig as follows: "As I understand it, there is a report now circulating the city, to the effect that Granites have defaulted their senior game, to Portsmouth, on Wednesday night next, and that they are also likely to default the junior game to Kingston Collegiate Institute, but so far as I know, and am able to learn at present, the report is unconfirmed."
