The Man On Watch.

The Lampman is informed that the flags which float on the town building are the colors of the merchant marine service, and that the town councilmen have no right to display them.

Canada should not be without an official bandman, the Lampman says. There seems to be a lot of neck-breaking to do nowadays and only an expert should be allowed to perform the ceremony.

It seems that the only way to draw a crowd of men to talk over the mission problem is for the ladies to prepare a big supper.

He surprised the Lampman to read a Bath, Road criticism of Glemburnie. The "Glen" is the most hospitable place in the countryside.

Probably the First. Russell Wallace, the eminent scientist, who worked out the theory of natural selection at the same time as, but quite independently of, Charles Darwin.

Thanks for Him. "Oh mother," exclaimed little Raymond, upon his return from Sunday school.

To Prevent the Grip. Laxative Bromo Quinine removes the cause. There is only one "Bromo Quinine." Look for signature of E. W. Grove, 25c.
