For Extra Session of Congress on April 4th.

TO HAVE RECIPROCITY PACE RATIFIED.

Will Then Consider ment Operative-The Wording of 860,149. the Proclamation.

is determined that the stxty-second congress shall discuss the agreement | Heinze interests have made a furthwith as little delay as possible, and er payment of \$50,000 on the Foster has, therefore, summoned both houses property at Porcupine. This makes to meet in extraordinary session on \$100,000 applied on the bargain. April 4th, to the end that they may consider and determine whether the congress shall, by the necessary legislation, make operative the agreement. The president's proclamation reads as

"Whereas, by special message dated January 26th, 1911, there was transmitted to the senate and House of Representatives an agreement between the department of state and the Canadian successful drops out of four. government, in regard to reciprocal tariff legislation, together with an earnest recommendation that the necessary legislation be promptly adopted. "And, whereas, a bill to carry into effect said agreement has passed the

House of Representatives, but has failed to reach a vote in the senate. "And, whereas, the agreement stipupulates not only that the president of the United States will communicate to congress the conclusions now reached and recommends the adoption of such legislation as may be necessary on the part of the United States to give effect to the proposed agreement, but also that the governments of the two countries will use their utmost efforts to bring about such changes by concurrent legislation at Washington

and at Ottawa.
