THE GRAND FINALE OF THE HOCKEY SEASON.

Frontenacs and Ontario All-Stars Meet This Evening at the Covered Rink.

The curtain will be rung down on the last act of the hockey play in the covered rink, to-night, when Frontenacs meet the Ontario All-Star team which "Billy" Hewitt has picked for them to go up against.

The season has closed earlier this year than in many years before, yet it is what has been expected, for the winter began so early, earlier in fact than has been known here for a number of years.

This season has undoubtedly been one of the most, if not the most, successful seasons in the history of the sport here.

The City Hockey League where these players just spoken of first came to be recognized as players of ability goes on year after year, forming new hockey material, and when the players are in a semi-ready condition they are turned over to "Jim" Sutcliffe and he makes stars of them.

is from their ranks that the O.H.A. players are picked. They are not selfish. If the Frontenacs see a man that they think necessary to their lineup...

The juvenile league, which has had as its president, William McFadden, who is known to everyone, large and small, has shown that there is material in its ranks which will yet be in the public eye.

Much to the regret of many of the sporting fraternity in the Sunday schools, a league was not formed there but no doubt another year, one will be formed.
