Cold Upsets The Kidneys
And Uric Acid Poisons Bring Pains and Aches to Back and Limbs.
DR. CHASE'S KIDNEY-LIVER PILLS.
You feel pains in the back, find the urine heavy and unduly colored, have indigestion and irregularity of the bowels and there may be rheumatic twinges.
You wonder what has gone wrong until you recollect that you have been exposed to sudden changes of temperature, perhaps sitting in a draft or passing from a very warm room to be chilled by the out-door air.
The kidneys are most susceptible to cold, and a sudden lowering of temperature throws an extra burden on them by closing the pores of the skin, which are ordinarily a great aid to the kidneys in removing poisons from the blood.
The danger lies in not understanding the meaning of the symptoms given in the first paragraph. Once you know that the kidneys need assistance you can help them promptly by using Dr. Chase's Kidney-Liver Pills.
Every day you put off treatment you are taking the risk of developing Bright's disease, dropsy or rheumatism. Because of the inactivity of the failing kidneys your system is being loaded with poisonous impurities, and that means pains and suffering.
Get Dr. Chase's Kidney-Liver Pills today. One pill a dose, 25c. a box, all dealers or Edmondson, Bates & Co., Toronto.

WOULD MARK CHINS

OF ALL WOMEN WHO ARE MARRIED

So That the Young Men May Know—What a New Zealand Preacher Suggests.
Chicago, March 13.—Rev. Francis Rawel, a native Methodist minister of New Zealand, yesterday suggested that married women be marked, and announced that he would call President Taft's attention to the plan.
Speaking before the Cook county teachers' association, Rev. Mr. Rawel advocated the tattooing of married women's chins in order that men seeking to be conquered by the charms of the fair sex might distinguish between those in and out of the matrimonial market.
"I think this is a magnificent custom," Rev. Mr. Rawel said as he caressed to be thrown on the canvas a picture of a New Zealand woman thus tattooed. "These marks are put on the chin in order that the young men may know that a woman is married. When I go to Washington I am going to suggest this to President Taft in a very convenient manner of conveying information of women's married state."

Secley's Bay Position.
Secley's Bay, March 14.—Mrs. J. Bracken is in a low condition. Miss Edie Johnston, who is in Brockville hospital quite ill, is doing as well as can be expected. James Simpson is busy with his sawing machine. The Secley's Bay hockey team having objected to playing the finals with the Newboro team at the Brockville rink last Friday, the latter team has claimed the game, which is unfair, as according to the rules of the association they were not obliged to play the game on ice outside of the division. William Melroy and family left last Monday for Saskatoon, where in the future they will reside. D. J. Raven left last Friday for Saskatoon in charge of a car load of horses belonging to E. M. Bracken. He purposes to take up residence in the near future. Married, on the 8th inst., D. J. Raven to Miss H. M. Carr. Rev. Mr. Lakin lost a valuable cow last week, caused by it getting choked with a piece of turnip.

William Sly has returned home from the Spanish river. S. Aswellstine gave a farewell party on Wednesday evening, prior to his departure for the west. Visitors: Mr. and Mrs. J. Scott at C. Gowdy's, Ontario; Miss Jessie Leslie and A. Aswellstine at J. Green's; Mr. and Mrs. C. Micks at G. McKivror's; Mrs. Wagar and E. Gordon, Sharnbrook; S. Hanna, who has been very ill, is recovering slowly. J. Allison is able to be about again. Joseph Steele, Sr., has returned from a visit to Uncle Sam's domains. Rev. Mr. Stewart, of Parham, gave an exhibition of curios in the village hall on Saturday night. Mrs. S. Hanna has returned home. A young daughter has arrived at J. Curri's.
A social gathering took place at the home of J. Kish, on Tuesday evening, to celebrate the sixty-second anniversary of the wedding of Mr. and Mrs. Lemuel Kish, Sr. Both old people are hale and hearty, despite the fact that Mr. Kish is in his eighty-second year, while Mrs. Kish has seen seventy-eight years pass by. A large number were present and some pretty and useful presents were received. Dancing was indulged in until the wee small hours, and despite her age, Mrs. Kish took great enjoyment in it. She danced a "rig," also indulged in a waltz with her nephew.
