Of Charge By Member to that end Sir Thomas H. Price, com Venerable Resident Had From Halton.

To Enquire Into Farmers' Bank Position-Hon. Mr. Fielding De- treal, and other grain marts. clares That the Government is in No Way Responsible.

Special to the Whig. Ottawa, March 16 .- The now defunct Farmers: Bank and its convicted manlengthy airing in the house of commons yesterday. The matter brought up by David Henderson, Halhouse a royal commission should be appointed forthwith with power enquire into and investigate the said Farmers' Bank of Canada the treasury board permitting connected therewith, and to generally the boats out. enquire into and investigate the operations and efficiency of the Bank Act in relation to the affairs and transactions of said bank."

Mr. Henderson said that the total the savings of a life-time would be the United States senate, because are too far advanced in years to ever Browne, who was twice tried such mortgages.

Did the finance minister know what them to resign. he was doing when he granted such a charter? If so, then this outragupon the government.

making further investigations. He Hazelton. said he had warned Mr. Fielding personally that a bank of this kind would be unsafe, and that Mr. Fielding told him he would hold back th certificate as long as he could, and that Mr. Fielding added "he would KING AND QUEEN TO TAKE Dowell's farm, east of Picton, death simply waiting for the international the line of the C.P.R. Although the put it up to Travers.'

Mr. Fielding interrupted and said this conversation never took place. M Henderson, however, declared that it had, "It was only verbal, but my memory is just as correct as that of the minister's" he declared.

those who were unfortunate to lose is unprecedented and will furnish Sir Wilfrid Laurier intends to ask at their money, but the government was some of the most gorgeous spectacles the imperial conference for the renot responsible and, therefore, could that ever India has witnessed. not reimburse them in any way. The investigation now going on in the On | tario courts was quite sufficient, and Delhi by the Indian government, and of Canadian opinion. Canada deroyal commission as suggested by Mr. Henderson. The minister explained that when application for the incorporation of this bank was made in 1901, there was no objection, nor in 1905. "and when they came back in 1906 the only objection raised in the banking committee was by myself. I thought that owing to their slowness to or ganize, it indicated a weakness and further I did not like the name Farm ers' Bank. However, the committee allowed it and therefore it is the parliament of Canada that is responsible and not the government.

"As regards the issuing of the certigranting it, and I never said I voyage, and there will be an escort would put it up to Travers.' If this of battleships and cruisers. matter was such a grave one as Henderson thought at the time, why did he not put his objections in writing and send them to me? That is the business way of doing things." Quite a wrangle ensued between Mr.
