MARTY'S RECORD

HE SCORED TEN GOALS IN A GAME.

His Work Has Not Been Equalled Since 1905—The Kingston Boy Received Constant Applause.

A special despatch from Ottawa says: At last night's Ottawa-Port Arthur game a Kingstonian made a record not equaled since 1905. It was to "Marty" Walsh, that he bells were attached, the Kingstonian scoring no fewer than ten goals. This is a decidedly great performance, for Walsh not only tallied at will, but he did a great deal of checking and was on top of the rubber from beginning to end. "Marty's" record of ten goals has not been equaled in any N.H.A. match to

date, but six years ago in the Ottawa-Dawson series Frank McGee bagged about fifteen.
In the first period Walsh skated over to the timer's box and leaped up against the fence. "You're all in, 'Marty,'" Manager Gordon, of the challengers, jocularly remarked. "That defence is pretty hot stuff, isn't it?"

After the game Gordon walked out on the ice, patted Walsh on the back and told him he had never seen his equal. The crowd seemed to realize that it was "Marty's" night, on, and the applause for the Kingston boy was at times deafening.
The shooting of the entire Ottawa's line was brilliant throughout, they never forgot the necessity of checking back and when either Lake or Shore went up with the attack, Darragh or Walsh was back to protect Lesueur. Better team play, in fact, has seldom been seen.

More Truth Than Music.
Toronto Telegram.
"Twinkle, twinkle little star— We'll make you wonder where you are."
So sang the champion Frontenacs to the All-Stars in Kingston last night. And there was more truth than music in the ditty.

Granites Go To-morrow.
The Granite Hockey team, champions of the City League will leave at noon, Saturday, for Montreal, where they will endeavor to wrest the Jubilee Cup from the Garnets of that place, who hold it now. About twenty-five supporters will accompany them and it is probable that they will make things lively. They will arrive in Montreal about 5.30 o'clock, which will give them plenty of time to get in

THE important ingredient in Sanitol Liquid Shampoo is Olive Oil, the best of hair cleansers. Produces a copious lather. Cleans the scalp of dandruff. The result is strong, healthy hair. Its use weekly (with Sanitol Hair Tonic, daily) will avert baldness through its cleansing, stimulating properties.

shape for the game. The line-up of the team will be: Goal, Marchand; point, Nicholson; cover, Hyland; centre, Ainslee; rover, Brouse; wings, Hughes and Weicker. They will leave Montreal sometime Sunday, so as to be back here in time for work Monday morning.

Presentation of Prizes.
Arrangements will be made for a meeting of the Kingston Curling Club, next week, when the prizes won by the members in the various competitions during the season will be presented.

Will Not Amalgamate.
Princess street Methodist church and St. Luke's Anglican church will not combine this year to put a team in the Sunday school baseball league. There was a great deal of trouble last year over the amalgamation of these two Sunday schools for the purpose of putting a team in the league and those who were connected with it say this year they will have two teams or none.

Sproule's Opinion of Frontenacs.
Harvey Sproule, of the Toronto Star, who refereed the game here Wednesday evening between Frontenacs and All-Stars said that the Frontenacs would double the score on Eaton's senior O.H.A. champions. They might not do but that they would make the mail-order team look scarce anyhow.

Greatest Junior O.H.A. Team.
The Kingston junior Frontenacs are probably the greatest junior team that ever played in the O.H.A. They are certainly the greatest team that Kingston ever put in the association. It will never have a great team again for it is not possible to put together a greater aggregation.

Team Will be Weakened.
Bethel baseball team, which won the trophy in the Sunday school baseball league, last summer, will be considerably weakened this year and the remainder of the team do not expect to hold what they have. Hafner, pitcher, Yeale, second baseman, and Kennedy, fielder, will not be on the team this year, they having left the city.

Did Not Go Away.
"Scotty" Davidson, the crack Frontenac hockey player, was not lured away from Kingston last year to play elsewhere, as has been stated.

One Has Been Captured.
Montreal, March 17.—Raphael Gadois, one of the men who escaped from Longue Point asylum, on Tuesday, after murdering a guard, was captured partly clothed, here. He was loudly declaring he was on his way to marry one of Pierpont Morgan's daughters, the most dangerous of the two, is still at liberty.

Ottawa, 13; Port Arthur, 4.
Port Arthur went down to defeat in Ottawa, last night, in a Stanley cup contest, the Ottawa snowing them under by a score of 13 goals to 4.

Sports at Y.M.C.A.
The indoor hockey game in the Business Boys' League was won by Edgar's team; score 3 to 2.
Louise school basketball team defeated one from the Business Boys of the Y.M.C.A., by 18 to 6.
There will be a meeting of representatives from each school in the city at the Y.M.C.A. next Monday for the purpose of organizing a public school basketball league.

Warning to Kingston Granites.
Montreal Herald: "Visiting teams who challenge for the Jubilee Cup or any other cup should make quite sure about the situations their games may lead them to," remarked an A.A.U. official this morning.

"I see that last night an amateur team from Vankleek Hill came to Montreal and played against the Montreal Garnets.
On the Garnet team is Alf Kane, a professional hockey player.
"Therefore, if any of these people who play hockey against Kane or against any other hockey or lacrosse professional, apply to us at any time for amateur registration, we shall be compelled to refuse it."

HAD MIRACULOUS ESCAPE.
Kingston Traveller Was Struck by Train.

Alva James, traveller of the Kingston Milling company, had a miraculous escape from death, in an accident which occurred near Cornwall.
Mr. James was out on his rounds, driving through the country, and had occasion to drive over the railway track. While going over the crossing he was struck by a train, but beyond a severe shaking up, escaped injury.
The cutter was smart of these people who are now at his home in this city, taking a rest. His escape from serious injury was remarkable.

Presentation to Engineer.
On Thursday afternoon at the Dairy School, Engineer Joseph Craig, who has been connected with the school for the past five or six years, was waited upon in the cheese-room of the building and presented with a calabash pipe by the students. The presentation was made by A. Stoddley, of Brandon, Man., on behalf of those attending. Mr. Craig was taken completely by surprise. He thanked the boys for their kind remembrance and said he appreciated it very much.

To-night "The Rector."
A good Irish play, in three acts, "The Rector," will be presented at the Grand Opera House to-night, by the Young Irishmen's Dramatic Club, under the auspices of the united Irish societies. During the play songs will be sung by members of the casts, and between acts specialties, including an Irish reel and many new and old Irish songs, will be rendered, which should delight the hearts of all Irishmen on St. Patrick's night.

Sold Two Properties.
E. W. Mullin has disposed of the two properties on the Market Square, belonging to Philip Hafner, one used as a flour and feed store, and the other the Exchange Hotel, to J. A. McFarlane.

INTERESTED IN BILL

BEFORE LEGISLATURE ON MOVING PICTURE SHOWS.

Desired to Prevent Children Under Fifteen Years Attending Show Without Parent or Guardian—W.C.T.U. Want Children Protected.

In view of the fact that several bodies in Kingston have passed resolutions, asking that children of tender years be forbidden to go into moving picture shows, without being accompanied by their parents, the bill which was introduced into the legislature, a few days ago will be watched with a great deal of interest.

The bill in question is one to censor moving pictures, and to prevent children under fifteen years of age from attending a performance unless accompanied by their parents, or some other responsible person.

This practically calls for what is wanted by the people who are taking up the matter. Just at the present time similar action is being taken by the legislature, in Quebec, and at the recent meeting of the Kingston legislature, when a resolution was passed, it was stated that it was time that the Ontario legislature had taken up the matter. It may not be generally known, but the ladies of the provincial W.C.T.U. are, to a very large extent, responsible for the bill being introduced. It will be remembered that the matter came up at their convention, held in Owen Sound, and it was decided by a unanimous vote, to take the matter up with the government at once.

A special committee, composed of the ladies, was appointed to visit upon the attorney-general, They did so, and reported accordingly.
Now, the matter has come to a head and all who have been interested will keep tab on the legislature to see what is done with the bill.

AT THE POLICE COURT.

Cases Before the Magistrate on Friday Morning.

Samuel Cole had a story to tell, when he was arraigned before the magistrate on Friday morning, on a charge of being drunk.

"I came into town to get some medicine for my wife, who is sick," he went on to explain.
"And you forgot all about your wife and got drunk," put in the magistrate, "I will fine you \$2 and costs, or fifteen days."

A "first-appearance" drunk admitted his guilt, and paid \$1 and costs.
"I met a friend and had a little 'too much,'" he said.
A citizen was fined \$5 and costs for using abusive language. He admitted his guilt, and said that an overdose of liquor had been responsible.

Police Commissioners.

There was a meeting of the board of police commissioners, on Friday morning. Those present were Magistrate Farrell, Mayor Graham and Chief Baillie. The chief's annual report was received, which gave the records of the department for the year 1910. This report will be published in the Whig, on Saturday. J. C. McConachie, the newly appointed agent of the Children's Aid Society, was sworn in as a constable. This is in order to give him power to take over children he has to deal with for the society, when the parents refuse to hand them over willingly.

Will Petition the Council.

It is understood that the city carters will petition the city council, at its next meeting, regarding having their old stand given back to them. Mayor Graham gave them permission to use the south side of Brock street, below Ontario street, until the council takes action.

The Harem Skirt.

Police will not interfere with the exhibition of the Harem Skirt at the Bijou theatre Saturday and Monday. Kingston will have a rare treat.

ST. PATRICK'S DAY

IRISHMEN DID HONOR TO THEIR PATRON SAINT.

Sermon in St. Mary's Cathedral by Rev. Father Meehan, of Belleville—Entertainment in Grand Opera House This Evening.

Erin's sons wherever their lot is cast fail not to be stirred by the memory the feast day of their patron saints recalls. Happy, to be sure, and prosperous they are in Canada as all industrious, active, upright citizens should be, yet on this special day do their sympathies and thoughts irresistibly turn towards the land of their birth, impressed by her smiles and sorrows, her past trials and future hopes. Ireland's history, too, garmented as it is with thorns, no less than with triumphs, is ever a theme appealing to reflective minds. So many glories cluster round her orators, writers, warriors, patriots, priests, her saintly women whose devotion to faith and fatherland has touched the world, that veiled though her shores may be, with melancholy and gloom, there sits on her a broad coronet of chivalry more winning and glowing than all the diamonds of gold.
That the day should be honored in a fitting way, mass was solemnized, this morning, in St. Mary's cathedral before a large concourse of the people, the officiating clergyman being Rev. Father McDonald, assisted by Rev. Fathers Mea and Meehan, as deacon and sub-deacon.
A patriotic discourse was delivered by Rev. Father Meehan, of Belleville, who, with much spirit and eloquence, reviewed the salient events in the history of the Green Isle and her sainted apostle. The past had been dark, indeed, but the dawn of brighter days was nigh, all hailing with joy the solemn pledge that an autonomous government would at last be granted, when it was hoped, peace and prosperity once more should reign and abound in the land.
Antique banners of Hibernia hung from the ceiling over the middle aisle, and appealed to the national sentiment.
The dear little shamrock, grown both in Irish and Canadian soil, was much in evidence throughout the day. Those in the Emerald Isle do not forget their Irish relatives and friends in Canada when St. Patrick's day comes round each year.
The flags on public buildings floated in honor of the day. Of course, the old-time parade of the Irish societies is missed, but it has not taken place in years, owing to the fact that March 17th comes in winter, and it was found after experience that a St. Patrick's day parade was generally followed by serious illness of numerous members, who braved any kind of weather to do their Irish togs.

KINGSTONIAN MAKING GOOD.

Frederick Jackson Located at St. Boniface.
A Kingstonian who is making good away from home is Frederick Jackson, son of Charles Jackson, of the Armouries, who is located at St. Boniface, Manitoba, and a member of the firm of Jackson & Goldie, railroad and bridge contractors.
The firm has secured a great deal of work and Messrs. Jackson and Goldie have been kept very busy. Just recently they were awarded a contract to build a bridge near Red Deer, Alberta, and they also have a bid on a concrete reservoir to be built at St. Boniface. They also have negotiations on foot for the building of bridges and culverts along the line of the C.P.R. They expect to spend in the neighborhood of \$30,000 or \$40,000 a month, this coming season, and this is certainly a good showing for a firm which has been in existence only two years.

HIS MONEY MISSING.

Samuel Cole Lost His Wal of Twenty-eight Dollars.
Samuel Cole, gathered in for being drunk on Thursday afternoon, is today, wondering where his wal of \$28, which he had when he left his home, early in the morning, disappeared to. He had been drinking quite freely, but not enough to take this amount, but as to whether or not he was robbed or threw it away, it is hard to say. At any rate it is gone, for when Cole was taken to the police station he was "strapped," and was unable to pay his fine of \$2 and costs, imposed by the magistrate. He had a friend who put up the money.
