GOOD REASONS FOR SUPPORTING RECIPROCITY.

Thomas Symington, Napanee, Gives Four Reasons Why He Believes Reciprocity Will Help Canada.

Thomas Symington, Napanee, in

three nations concerned, viz., Canada,

2nd-Because during the existence of he former reciprocity treaty Canada made wonderful progress. See Encyclopedia Britannica, vol. 4., page 788. Also evidence of thousands of living witnesses, who occupied all spheres of public and private life during that time. Although the United States had vast advantages over Canada in their common market, by reason of size, Races in the Making of the American. strength, and transportation facilities, one Year etc. But now the situation will be reversed, as the United States, instead New York. of being a competitor in supplying the old world with food stuffs, will soon be a buyer for home consumption, and

the United States than she sells will sell more than she buys. Practically every pulpit in the city 3rd-Because all men, whose opinion posing it, but as it is not given any man to excel in everything, their opinions on trade and commercial questions (in my poor opinion) are

about as valuable as a cat would be 4th-Because I think the reciprocity try's future glory, and as some of the minds in Canada, the United States and Britain have been engaged for years in casting all apples of discord such as the boundary, fishery and other Convention Session at 2 p.m., Y. like questions, into the pit of oblivion, and so making way for the time when our great waterway (the St. Lawrence) shall be deepened and improved at the cost and charges of the two nations, Addresses by Rev. Ben. H. Spence, affording free passage into our great lakes for the merchantile fleets of the

world. "Then Canada will come to her own," and although Great Britain will always remain great, greater Britain will be right here. In a few short months the clock of time on our na tional wall will have ticked off 100 Duplicate Corset free if boning years of absolute peace along a 4,000 breaks or rusts in one year. A style mile boundary line, and we will be able as never has been seen before. But on our part let there be no side stepping, Each tender must be accompanied Grows Hair Abundantly nor must we let any dirty spider hang This is an age of new discoveries, the webs of envy, prejudice, ignor-
