ON MOTOR BOATING.

A Fine Article Written Concerning Kingston.

A fine article, under the heading, "Motor Boating Around Kingston," written by Robson Black, formerly of this city, appeared in the March number of the Canadian Power Boat. The article is illustrated with a picture of the Kingston yacht club, and also has pictures of the Eldred, owned by C. W. Lane, James Conway's fast racer, L. C. Lockett's cruiser White Cap, F. G. Lockett's X.T.C., and G. H. Lockett's H. Jonah, and J. H. Sutherland's Minora.

Reference is made to the boom in motor boating in this city, and the facilities offered for this sport. The article is a most interesting one and indeed reflects great credit upon the writer.

PORTSMOUTH PHILOSOPHER.

Makes a Reference to the Harem Skirt.

The Portsmouth philosopher had something to say about the harem skirt, when the Whig man ran across him on the market Saturday morning. He was busy looking for eggs at a reasonable price, but he had time to chat with the scribe for a few moments.

He said that since the hobble skirt and the big hat came in vogue he was ready to take a stand for anything, and this latest craze—the harem—merely made him laugh.

The philosopher is sure that some of the girls around this vicinity who are wearing the new creation and he says to keep a close watch on the girls from Hatter's Bay.

Delicate Babies Need It.
Mrs. H. L. Boone, Tay Mills, N.B., writes:—"I think Baby's Own Tablets are an excellent remedy to keep in the house and I would not be without them. My baby was not exactly sick but was very delicate and I gave him the Tablets and they have made him strong and healthy." Such is the testimony of thousands of mothers. Baby's Own Tablets always do good—never harm. They can be given with absolute safety to the youngest child, as they are guaranteed by a government analyst to contain no harmful drugs. Never give baby "soothing" stuffs—that only dopes him. Give him a medicine that will act right on the root of his trouble. A medicine that will strengthen his stomach; regulate his bowels; sweeten the breath and make him bright, healthy and strong—such a medicine is Baby's Own Tablets. They are sold by medicine dealers or at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Held Euchar Party.
Military Court Earl Roberts, I.O.F., held a euchar party in its lodge rooms at the corner of Montreal and Princess streets, last evening. There were about eighty present, and all had a very enjoyable time. The two prizes were carried off by Mrs. H. Fowler and Mr. Smith.

To Send Boy Scouts.
Arrangements are under way to send twenty Boy Scouts, the pick of the Dominion, to England for the coronation. This will give the English people a chance to see the results of the work here among the boys which was started by Baden-Powell.

Will Give Hounds Away.
The Bourbonnais-Kiamika Hunting and Fishing Club, having a number of good Hounds and Beagles, also Pups, that they are willing to give to responsible farmers. Conditions may be learned from the secretary, 132 King street, Kingston.

The Steamer Argyle Sold.
The steamer Argyle will not likely ply on the north shore route this year, having been sold to the Grimsby Park company. The big steamer Eastlander, it is said, has been purchased by the recent owners of the Argyle at a cost of \$175,000.

The Weather Record.
The weather man is certainly working overtime. Last night's snow fall made the sleighing good, and on Saturday the sleighs were out again. The ice is still good, both at the curling rink and at the skating rink.

Smart Styles.
It behooves every man interested in good hats to see our showing of new derbies and soft hats, \$1.50, \$2, \$2.50, \$3, \$3.50, \$4. Campbell Bros., Kingston's only exclusive hat and fur store.

ABERNETHY'S

A PLAY PRESENTED

BY YOUNG IRISHMAN'S DRAMATIC CLUB

At the Grand Opera House Last Evening in Honor of St. Patrick's Day—There was a Large Attendance.

The festival of Ireland's saint was fittingly closed by a big Irish entertainment at the Grand Opera House, last evening, and the sons and daughters of Erin were present in large numbers to do honor to the occasion. The Young Irishman's Dramatic Club, under the auspices of the united Irish societies, presented the beautiful Irish drama, "The Rector," in three acts. The company displayed much histrionic ability in the action of the piece, and their work was followed with the closest interest. The unravelling of the tangle was the work of the "Rev. John Whelan" (Frank Grimsbaw), and the manner in which he accomplished his purpose was interesting. C. Cross, as "Dr. Welsh," got himself in a pretty pickle by his ambition to marry two young ladies, and his efforts to get out of the scrape were very amusing. James Purcell, as "Dr. Cassidy," was up to all the tricks of his profession, while "Eddie" Shagraw, as "Frank Dougher," was also made happy in the climax.

FOR VICTORIAN NURSING.

Sale and Musicals on Friday Realized \$122.

The Victorian order of nurses held a successful tea, sale and musicale at the Y.W.C.A. building on Friday afternoon and evening. The tea after-noon was presided over by Mrs. M. McCarthy and she was assisted by Mrs. J. F. Swift and Miss Etta Ward. Mrs. G. W. Mylks, Mrs. J. McDowall and Mrs. Linton looked after the apron table. The fancy work was in charge of Mrs. J. Sparks, Mrs. F. Mahood and Mrs. F. Reid. Mrs. E. Robinson, Miss Oberndorfer, Mrs. Cohen, Mrs. C. Wright, Miss Robinson and Miss Egan looked after a table loaded with dainty handkerchiefs. Mrs. Gill and Mrs. Oberndorfer received. Miss Oberndorfer conducted a guessing contest and secured a considerable sum.

The evening programme consisted of violin selections by the Misses Cochran and Telgmann, and the vocalists were Miss Jessie Reid, Miss A. Elder, Miss Devlin, H. Angrove and Miss Cronin. The decorations were carried out in the St. Patrick's colors of yellow and green, the shamrock being very much in evidence. The sum of \$122 was realized for the good work of the "Victorian Order of Nurses."

LOOKING FOR WORK.

City Has Quite a Number of Unemployed. Reports go to show that there are quite a few men in the city at the present time looking for work. Within the past couple of weeks quite a few strangers have been in the city looking for work, for the most part men who have been used to work on the boats and who are now looking for a place on a vessel for the summer.

Every day now the offices of the shipping companies are besieged with requests for work. "We had a dozen men in here in one day," remarked a marine man to the Whig. "From now on until the boats are running we will have men in looking for work."

Quite a few men are being given employment in marine circles as there is a good deal of work to be done on the vessels before they will be sent out.

At Leavenworth, Kas., Mrs. Carrie Nation, the militant Kansas temperance worker, is gradually growing weaker. Her condition, which is due to a general breakdown, is regarded as serious.

Med in House Where Born.
Sophiasburg, March 16.—Death claimed one of the oldest residents of Sophiasburg on the 13th, when John Demill Lambert passed peacefully away after several months' illness. Eighty-seven years, four months and sixteen days ago Mr. Lambert was born on the farm, in the same house and in the same room in which he died. He was the son of the late Daniel Lambert and he married Elizabeth, daughter of the late Isaac B. Nixon, who survives him with a family of four boys and two girls. The late Mr. Lambert was a man of many fine qualities and was beloved by all who knew him.
