REMOVED BY DEATH

LATE MRS. JANE HURST, AN OLD RESIDENT.

Resided Here for Sixty-three Years—Alexander McClavery, Barrack Street, Died Saturday Morning.

The death of Mrs. Jane Hurst, on Friday afternoon, at the home of her daughter, Mrs. Elizabeth Rea, Alfred street, removed another of the old landmarks of this vicinity. Deceased was in her eighty-first year and had only been ill for the past three weeks. General debility brought to an end a life that has been associated with Kingston ever since her girlhood. She was born in Enniskillen, Ireland, but had resided here ever since she was eighteen years of age. Her husband, the late William Hurst, preceded her about eight years ago. She is the last of her family to go, her sole remaining sister passing away about a year ago. She was a Methodist in religion. Surviving are three daughters, and two sons, William, of Trent, and James of this city, Mrs. Adam Craig, Belleville, Mrs. John Dennison and Mrs. Elizabeth Rea, of Kingston. The funeral, on Monday afternoon will be conducted by Rev. Mr. Jones, of Union street Baptist church.

Died From Diphtheria.

The death occurred at the general hospital, Saturday afternoon, of Nelson Compton, aged one year and seven months, son of Francis Compton, of the Perth Road. Death was due to diphtheria. Mrs. Compton is also very ill, her illness being brought on by attention paid to the child.

Late Alexander McClavery.

Alexander McClavery, a tailor, who was employed by Thomas Lambert, of St. Saturday morning, at his residence, Barrack street, of heart disease. He was an elderly man and had been in the employment of the firm for about six years. He leaves a wife and family.

Chicago, March 18.—Judge Landis, in the United States district court, yesterday, sentenced Edward S. Nichols, who was convicted of having indicted Elsie Ferrier, thirteen years old, to Hammond, Ind., to ten years' imprisonment in the federal prison, at Fort Leavenworth, Kansas.

CURLING LAST NIGHT.

Scotchmen Defeated Team of All Nationalities.

There was a great curling game at the rink last night, when a team composed of Scotchmen defeated a team composed of all nationalities by a score of 64 to 52. The ice was in good condition and the sport was much enjoyed. As long as the ice holds good there will be games.

It was the intention to have the game Irish vs. Scotch, but an all-Irish team could not be arranged, as the Irishmen were busy celebrating St. Patrick's day in other ways.

Curling at Rockwood.

The much talked of curling match between two teams composed of Irishmen and Scotchmen was pulled off on St. Patrick's afternoon. The ice was in splendid condition. It was quite evident to the crowd of spectators present that the Irishmen had it over their opponents from the start. Excitement was quite high at one stage of the game when Skip Mike Dennison, after a six ender, trapped the crowd to the "Shamrock of Old Ireland" this seemed to paralyze Sandy Carr and his players, for at no stage of the game after did they have a look in. The score was; Irish men, 14; Scotchmen, 11.

The following players took part—Irishmen—Dennis Hogan, J. W. Dickey, W. J. McCommon, Mike Dennison. (skip.) Scotchmen—Scotty Young, (Jack Potter, W. Fenwick, Sandy Carr, (skip.)

A Youthful Goalkeeper.

Charles Stewart is the "kid" goalkeeper who played on the Collegiate Institute junior city league team, this year, and whose marvellous work in the nets won the hearts of the spectators. He practically won the championship for the team. He was fourteen years of age last September and is the son of Thomas H. Stewart, Alfred street. This is his first year in the city league, although he has played on different teams since he was knee high. He sprang into prominence in one night by his performance for Collegiate in goal. J. T. Sutherland said it was the finest junior exhibition he had ever seen, and he marked the "kid" as one who will make a name for himself.

THANKOFFERING MEETING

Held Friday Afternoon by Y.M.C.A. Auxiliary.

There was a large gathering of ladies at the regular meeting, of the Y.M.C.A. auxiliary, which was held Friday afternoon, at the building, and which took the form of a thank-offering. The president, Mrs. Oliver Chown, occupied the chair. The meeting was opened with singing.

Mrs. John Wright read the scripture lesson. Mrs. T. F. Harrison led in prayer. After the adoption of the minutes of the previous meeting the treasurer reported having paid out \$43.17, leaving a balance on hand of \$142.90. A bill for printing, \$1.75, was passed. A letter received by Mr. Trimble from the board of directors was read expressing appreciation of the excellent bill of fare and the service rendered by the auxiliary at the business men's banquet.

Greetings from the Y.W.C.A. were conveyed by Mrs. Wright to the Y.M.C.A. ladies.

Mrs. McCallum, of Turkey, then favored the gathering with a very interesting and instructive paper, dealing with the life and customs of the east. A hearty vote of thanks was tendered the speaker for her excellent address.

Trimbale's solo, "A Clean Heart," was heard with pleasure.

Mrs. McCallum, sr., spoke of the regret felt by the ladies because of the departure for new homes of two of the members, Mrs. Cliff and Mrs. Beale, who have both been such untiring and faithful workers in the interests of the Y.M.C.A. What is Kingston's loss will be gain to the cities to which these ladies go.

The late Miss Inkster will be missed as she had always been a loyal supporter of the institution. It was announced that two "Boys' Papers" will be given at the next regular meeting in April, to which all are invited.

Mrs. Dyde closed the meeting with prayer after which the ladies enjoyed a social cup of tea and a chat. The receipts amounted to \$52.06.

THE KING AS PATRON.

His Majesty Confers Distinction on the Sheffield Choir.

Today Prof. Teigmann received the following letter from Dr. Harris, who is bringing the world-famous Sheffield choir to Kingston on Saturday, April 1st:

"Will you convey my compliments to the principal of the university of Kingston, and to the students' committee under whose auspices I am to give my festival concert in Kingston, and say that I have had the honor of receiving from Buckingham Palace to-day a communication, stating that his majesty the king had been graciously pleased to become patron of my musical festivals throughout the empire.

"I am very pleased indeed to think that owing to this very great distinction having been shown to the festival, that we are additionally privileged to give them in Kingston under the auspices of the students of the great university.

"Yours sincerely,
"CHARLES HARRISS."

WILL BE INVESTIGATED.

Claim Put Forth by Portsmouth Deputation.

The Portsmouth deputation, consisting of Reeve Baines, Councillor Halifax and J. W. Henridge, village clerk, which went to Ottawa to interview the minister of justice, on important matters connected with the municipality returned Friday morning.

They were introduced to the Hon. Sir Alan Aylesworth, by Hon. Wm. Hart, and were very kindly received. The deputation had with them a map of the village showing the large amounts of land under the control of the government, and from which the village derives no revenue, and the minister acknowledged that Portsmouth had some claim on the justice department, and promised to investigate the matter. The deputations left Ottawa, feeling that something substantial would be done for their hamlet. The villagers expressed themselves as very grateful to Mr. Hart for the kind attention shown to them while in the capital.

By the will of the late Mrs. W. G. Strange, University avenue, the sum of \$200 is left to the First Baptist church, which was a member, and the sum of \$200 to the Orphans' Home. The balance of the estate goes to nephews and nieces in Canada, United States and England. The estate is worth somewhere in the neighborhood of \$10,000.

James M. Smith, of the Kingston Shipbuilding company, is in the city. He says the government lightship will be ready for launching in another month.

WHO WILL BE FIRST

To Wear Harem Skirt in Kingston? — A Vital Question.

This is the question which is being asked by the women of this city. Will it ever be worn? is another question which is running through their minds now that the much-talked-of garment is really here they will not be satisfied until they see it. If Waldron's upstairs department is not besieged with curiosity seekers for the next few days then the Portsmouth Philosopher is a poor prophet.

The skirt is much more roomy and comfortable than the hobble which is being worn a great deal now. The hobble skirt was pook-pooked when it first came out, but as soon as a leader was found who was brave enough to run the gamut of society gossip, and don it, scores of others wear it, and even the grandmother take a certain amount of pride when mentioning her latest addition to her wardrobe to say that the skirt is made "slightly hobble my dear." Hobble skirts are made and sold now in which the wearer can hardly walk at all. When the ladies have gone their far perhaps they will not be stopped by the latest creation of Paris.
