**AS TO SITE FOR TUBERCULOSIS HOSPITAL.**  
Upon Request, Board of Health Will Wait Until Hospital Governors Have Been Heard on Question—Majority of Doctors Opposed to the Hospital Site.

A special meeting of the board of health was called for Tuesday afternoon to discuss the proposed site for the tuberculosis hospital. Out on the request of F. Welch, honorary secretary of the tuberculosis hospital fund, no action was taken on the matter, it being laid over until the board of governors of the general hospital are heard on the matter.  
The matter, it will be remembered, came up for discussion at a meeting of the board of health, held a week ago, when a deputation waited upon the board and asked that the proposed site, on the general hospital grounds, be not approved. The deputation was backed up by a large, signed petition, protesting against the erection of the hospital on the grounds of the general hospital. Owing to the fact that there was a large crowd of business men on hand at that meeting the board was unable to take up the question and it was for this reason a special meeting was called.

Chairman McLeod presided at the meeting and the other members present were Messrs. Strachan, Bailey, Taylor, Knapp and Dr. Williamson, medical health officer.  
At the opening of the meeting the chairman stated that two years ago the board had approved of the proposed site on the ground that the isolation would be all right. He pointed out that since that time the question had caused a great deal of discussion and there had been strong opposition to having the hospital erected on the hospital grounds.  
Continuing, the chairman stated that in view of the opposition to the site he had placed the matter before the leading physicians of the city in order to get an expression of opinion. The chairman had the doctors place themselves on record as being in favor or opposed to the general hospital site, and placed a document before the members.  
The document was read by Cit. Clerk Sands and it showed that twenty doctors had signed it as being opposed to having the hospital on the general hospital site and three signed it as being favorable.

The doctors gave no reasons why they were opposed to the proposed site but merely gave their answer as to whether they were in favor or against it.  
The city clerk read a letter from F. Welch, honorary secretary of the tuberculosis hospital fund, asking that the board defer action in the matter until the hospital governors had been heard on the matter.

Mr. Strachan said that the board should not take any action until the hospital governors had been heard and the other members were willing that no action should be taken, pending the hearing of the said deputation.  
Mr. Bailey spoke briefly, pointing out some of the disadvantages of having the hospital erected on the site of the general hospital.  
Mr. Knapp said that he had an idea that it would be better to have the hospital on the outskirts of the city in some place where the patients could cultivate flowers in their spare time.  
Mr. Taylor said that it would be a wise thing to have the matter laid over until the members of the hospital board had been given a chance to speak on the matter and it was finally agreed to adjourn the meeting accordingly.

**REV. T. E. BOURKE WILL SHOOT?**

**Any Kingston Ladies Who Wear "Harem" Skirts.**  
In his address at the anniversary tea at Princess Street Methodist church, Monday evening, Rev. T. E. Bourke, B.D., pastor of Brock Street Methodist church, touched on the "harem" skirt and strongly condemned it. It does not meet with his approval in any way, as it borders too much on the dress of man. He made the statement that if he saw any Kingston ladies wearing the "harem" or "sacrum" skirt, as he called it, he would shoot them.

**Breaking in a Colt.**

Breaking in a colt is no easy task. Any horseman will tell you that. Yesterday afternoon, ex-County Constable Smith had a colt on King street, and the animal gave him a lively time for a few minutes, dodging in and around street cars, but Mr. Smith, who has had considerable experience in this work, handled the animal in fine style. Afterward the colt was taken out on the harbor. People passing along the street held their breath, as they thought sure there would be an accident.

**GRAND OPERA HOUSE.**

To-night, Walker Whiteside in "The Melting Pot."

"The Melting Pot," which comes to the Grand to-night, with Walter Whiteside in the leading role, deals with a big theme—the massacre of the Jews in Russia and the Jews' place in America. Mr. Zangwill writes "from his heart." The sight of the ships from Europe, laden with immigrants for these shores, has touched his imagination. His hero is a young Jew, David Quixeno, whose parents have been murdered in Russia. He has been wounded, but has escaped and in this country is composing a symphony, the music of which shall express some of his gratitude to America as home of refuge for the oppressed, and making his living meanwhile by giving violin lessons. He meets Vera Revendal, a Russian Christian, and they love each other. She is a revolutionist and has come to America to escape Siberia. In the early part of the play, David says to Miss Revendal:  
"You must remember that all of my life I have heard of America," everybody in our town had friends there, or was going there. All my life America was waiting, beckoning, shining; the place where God would wipe away tears from all faces. To think that that same great touch of liberty, which throw its light across all the broad seas and lands into my little garret in Russia, is shining also for all those other weeping millions of Europe."

REEVE D. W. CRONK, M.P.P., of the Township of Oleno.

**Kingston Woman Lost Quite Large Sum.**  
A Kingston woman, living on Nelson street, is mourning the loss of quite a large sum of money, about \$100, and all because of the fact that she put the money in her stocking, for safe keeping.  
The lady in question lost the money while coming along Brock street, and as far as can be learned, it has not been returned to her.

**Secured Position in Montreal.**

Thomas Dowley, who, for a number of years, has been a clerk in F. G. **A CONCERT GIVEN IN THE CITY HALL.**

W. F. Nickle, M.P.P., Presided—The Attendance Was Large—A Fine Programme Was Rendered.  
The concert given in the city hall, last evening, in aid of Kingston Humane Society, was the success that it deserved to be, on account of its worthy object. Referring to the concert during the evening, W. F. Nickle, M.P.P., the president, said Mrs. J. R. C. Dobbs had seen the need of strengthening the finances and she very generously offered the talent of herself and pupils in an endeavor to assist in wiping off the debt which at the present time encumbers the society. The object of the society was to prevent unnecessary cruelty to dumb animals. Of course, in the case of dehorning cattle, it was a case of cruelty which was of material benefit to man, inasmuch as it made the animal more docile. In glowing terms he thanked Mrs. Dobbs and her pupils for their assistance, and those who had come to the concert and helped to make it a success.

The programme represented the best talent in the city, and was of a varied nature. Three choruses given by a choir of forty voices made the old hall resound with harmony. The second chorus, "The Last Post," in which a cornet obligato was played by Sergt. Joseph Huberland, R.C.H.A., and in which the solo was taken by Miss Hazel Massie, was very finely rendered. Mrs. W. Robertson delighted every one with the brilliancy of her violin playing. Her touch is light and very sympathetic and the selections she chose particularly suited her. James Bankier, in a tenor solo, "The Fair Hills of Yare," accompanied by Misses Orser, Rosevear and McLeod, was heard to good advantage, and had to respond with two encores. Miss Mona Knight held the audience entranced by her magnificent rendering of two solos, and very graciously responded. The ladies' quartette, Mrs. Clark, Misses Orser, Macdonnell and McLeod, sang "A Little Dog Barked" in a very pleasing manner. The R.C.H.A. orchestra, under the leadership of Bandmaster A. Light, played an Italian romance, "Hobomoko," in a decidedly artistic way. Miss Hazel Massie was heard at her best in a beautiful soprano solo, "Spring Voices." Miss Florence McLeod, in two contralto solos, brought out the power in her voice in a very pleasing way.

**THE COMMAND CHANGES**

**Are the Sole Topics in Local Military Circles.**

The command changes to go into effect on May 1st are the sole topics in military circles here. It has been known for some time that the militia department contemplated making some shifts, as the result of the recommendations of Gen. Sir John French, but only one or two were known. The transfer of Lieut.-Col. H. E. Burstall, of the R.C.H.A., to the citadel at Quebec, was stated by the Whig, a month ago. He will likely be succeeded here by Maj. Henri Panet, now in England, where he is attached to a battery of Royal Horse Artillery. The fact that Col. Hemming, only a short time ago, leased his residence here for another year shows that the changes were not expected so soon.

**Dr. Coward and His Choir.**

Dr. Henry Coward, conductor of the Sheffield Choir, which will visit Kingston, on April 1st, in its Musical Festival of the empire tour, has created a new tone and new life in the art of choral singing. Until his advent, the greatest of modern compositions attracted the composer to the orchestra, because of its rich and varied color. His superb flexibility and wide range. The human voice is, however, the supreme instrument and should be unapproachable in the grandeur and power of its expressional force when well combined and well trained. In England, it remained for Dr. Coward and his Yorkshire Chorus of which Sheffield is the centre, to accomplish this ideal, just as Dr. Vogt and his Mendelssohn Choir are followers along the same brilliant path over here.

**THE SPORT REVIEW.**

Meeting of Victoria Baseball Club Postponed.

There was to have been a meeting of the junior Victorians, Thursday evening, for the launching of the team for the season, and to get things started, but owing to the inability of some of the members to be there, it has been postponed until next Monday evening. The result of the meeting will be eagerly awaited on account of the fact that the statement has been made that the team will go into senior company. It is settled now and the only thing that remains to be done is electing of officers and forming of the team.

**Final Meeting To-night.**

The last meeting of the executive of the City Hockey League will be held this evening, in Y.M.C.A. building, for the purpose of straightening up the affairs of the league for the season. The executive have had some very stormy meetings, but at the meeting to-night all will be forgotten and the members will depart in peace.

**NEITHER TENDER ACCEPTED**

**For New Street Lamps—Both Unsatisfactory.**

The light, heat and power committee decided, yesterday afternoon, to accept neither the Canadian General Electric or the Westinghouse company's tender for new street arc and tungsten lamps. The tenders have been under consideration for over a month. The lamps of one company were considered unsatisfactory under test, and the price of the other tender was considered too high, in comparison with the other. Ald. Elliott, Ald. Toye and Manager Folger will see if better terms can be had.  
To meet the requirements of the city auditor, the chairman and the manager were given authority to engage extra help whenever required. Several contracts were awarded for supply of gas pipe and metres.  
In attendance were: Alds. Elliott, Toye, Armstrong, Hanley and Rigby.

A YOUNG MEN'S CLUB.

It Has Been Organized in Cooke's Church.

A very enthusiastic meeting was held in Cooke's church, Tuesday evening, when about thirty of the young men of the church gathered together for the purpose of forming a Young Men's Club. A great deal of interest was manifested and the boys entered into the spirit of the thing heartily.  
The following officers were elected: Honorary president, B. A. Shaw, president, Melville Arnie; vice-president, Frank Keill; secretary, Walter Swan; treasurer, Grant Smith; chaplain, H. W. Newman; book-keeper, committee, W. Sierbino, W. Francis, James Dunlop, D. Parkhill and W. Cleshan; social committee, T. Lemmon, D. Somerville, A. Dunlop, G. Keill and H. Smith.

It was decided that the club would have a glee club and the first practice will be held at the next meeting, Tuesday, March 25th. A debating club will be organized and the first debate will be held on Tuesday evening, April 4th. The subject will be, "Resolved, that reciprocity is in the interests of Canada." The affirmative will be taken by Grant Smith and the negative will be taken by Donald Parkhill.  
After routine business had been transacted the boys adjourned to an adjoining room, where a delicious banquet was served by the young ladies of the church. Rev. Dr. MacTavish acted as toastmaster and a number of appropriate toasts were made. Addresses were made by H. W. Newman, Frank Keill, Frank Newman, M. Arnie, Dr. MacTavish, D. A. Shaw and others. A great deal of interest was manifested during the whole meeting and the club has started off well. It was organized for the purpose of improving the minds of the boys, to hold them to the church, train them to speak, sing and debate as well as any young man should.
