SUIT SATISFACTION.  
 Having Clothes made to order is the only rational way of getting clothes. You all YOU and not the other fellow, and a tailor can give you just what your size calls for and a style and personality suited to yourself. Besides it is generally admitted that there is more satisfactory wear in properly tailored garments. The price need not be excessively high if you go to

**A BANQUET GIVEN CHURCH SERVICES**  
 BY ROOTERS' CLUB TO FRONTENACS.

An Enjoyable Event at King's Cafe—The Frontenacs End the Season With a Surplus of \$400.  
 Eighty enthusiastic men, comprising the Frontenac Rooters' Club, Frontenac Hockey club, and team and representative of the press sat down to a beautifully laden table prepared by Miss Host Millan and his able staff of assistants in King's Cafe last evening, at a complimentary banquet tendered the Junior Frontenac hockey team by the Rooters' club.  
 The toast list, was an exceptionally fine one. It was quite lengthy and was not finished until one o'clock. "Jack" Cousins, supreme rooster of the Rooters' club, was toastmaster, and proposed the various toasts in a pleasing manner. The first toast, "The King," was heartily drunk. Mr. Cousins then favored the assembly with a solo, which was encored.  
 The toast to "The Ontario Hockey Association" was responded to by James T. Sutherland, manager of the team, who referred to the success of the O.H.A. in closing terms and told how they had fought in the early stages of organization to keep the thing afloat. He said Kingston had always been well represented in the league and her creditable showing had manifested on all occasions, she having carried off cups on three different occasions, the first time they had been put up for competition. He gave the O.H.A. a great sport on all occasions. He also referred to the fact that Kingston had never found it necessary to make a complaint regarding treatment meted out to them. On behalf of the O.H.A., he presented the team and trainers with medals similar to those which were presented last year. Norman Rae, D. J. Dowlsley and James A. jr., also figured in this deal.  
 In the meantime James A. jr., had been presented with a locket suitably engraved as a token of regard from the Rooters' in club.  
 The toast to "The Intercollegiate Hockey Association," was responded to by John Marshall, manager of Queen's Hockey team. He dealt more particularly with the Frontenacs rather than the Intercollegiate team and spoke in glowing terms of the enviable record which the team had made. David J. Dowlsley and Edward Hartwick spoke. Mr. Dowlsley outlined very briefly a record of the financial standing of the club, which showed that they had a surplus in the bank of about \$400.  
 C. B. S. Harvey sang two songs, after which Harvey Milne responded to a toast to "The City Hockey League." Mr. Milne said he was glad if the league over which he had control had been of any assistance to the junior Frontenacs, and said the league was willing at any time to furnish material for junior O.H.A. ranks. William McFriedrick spoke a few words on behalf of the junior league and when requested to recite "Casey at the Bat" and "Casey's Revenge" in a highly satisfactory manner.  
 "Jack" Cousins, in responding to the toast to "The Rooters' Club," told the assembly that he was glad if the club had been of any assistance to the team. He told of the hard struggle at times to make things move until the exploits of the Frontenac Rooters' Club was known the length and breadth of Ontario. Assistant Chief Supreme Roster "Jack" McElonaid, in his very short speech, said the secret of the success of the club was unity. A. E. Hunt, manager of the 14th band, expressed pleasure on behalf of the band if they had assisted in any way in bringing glory to the city.  
 "Jack" Cousins recited "The Creation of Sam McGee," in such a manner as to deserve an encore. Dr. Robert Hanley spoke to the toast to "The Ladies" and George A. Mackie and F. H. Williams responded to the toast to "The Press."  
 David Gregg, of Scotland, who was present, also spoke a few words expressing his appreciation at being present. Con. Millan said he was glad the boys had met for such an occasion and hoped they would meet under similar conditions next year. After singing "Auld Lang Syne" and "God Save the King" the gathering dispersed.

Made Honorary Member.  
 At the banquet tendered the Frontenac Hockey team, last evening, it was unanimously agreed that Mrs. Henry Coyle, who during the whole season had been a most ardent supporter of the team, should be made an honorary member of the Rooters' club. It was suggested by Dr. Robert Hanley in his response to the toast to "The Ladies." The doctor said he was afraid to comment on the harem skirt.  
 J. P. Hanley returned last night from New York.

**EDICT NOT RETROACTIVE.**  
 Only Affects Marriages Entered into After Promulgation.  
 Toronto Globe.  
 Speaking of the Ne Temere edict, yesterday, Father A. E. Burke said: "It has been stated that the Ne Temere law is retroactive. I say that it is not. It affects only those who have been married after its promulgation in 1908. All marriages previous to that date are valid, and the church casts no aspersions whatsoever on the legitimacy of the offspring of such marriages."

**BEGGING ON THE STREET.**  
 Three Men Given Shelter, Afterwards Arrested.  
 As the result of a round-up made by the police on Friday afternoon three men who came to the police station on Thursday night were arrested for vagrancy. Begging from door to door is the complaint registered against them.  
 The men were at their little game on Rideau street and when a call was received from some of the residents in that neighborhood Constables Filson and Armstrong went out and gathered them in.  
 The police are very severe on professional beggars nowadays, also the magistrates. There is plenty of work for all who are willing to work, and there is no need for them to go about begging.  
 On Thursday night eleven able-bodied men came to the police station for shelter and the three men gathered in were found to be men who had been given shelter.  
**TO KEEP GIRLS OFF STREET.**  
 Hamilton Police Are Out After the Street-walkers.  
 The move which the Hamilton police are making, that of keeping all young girls off the street at night, and to rid them of the street-walking habit, is receiving favorable comment in this city, and there are a great many who believe that the same rule should be applied in Kingston, and that the boys should also be included.  
 The Hamilton police escort the girls home, with the warning that if they are found out again they will be arrested.  
 Kingston has quite a few "street-walkers," both boys and girls. On a Sunday night, Princess street is thronged with young girls, but, of course, there would have to be a by-law to give the police power to act.  
 "The root of the whole trouble lies in the home," remarked a citizen. "Parents could do a great deal more good than the police if they would. There will always be a great deal of trouble until parents keep their boys and girls off the street."  
**Dairy School Closed.**  
 The Eastern Ontario Dairy school closed after another very successful season, on Friday, and the students scattered to the different parts of Canada and the United States. Students come here for a course of instruction from all parts of this continent and it is regarded as one of the most up-to-date of its kind in the world.  
**Factories Will Soon Open.**  
 As the end of March draws near the different cheese factories in this vicinity will be opened for another season. Most of them start during the last two weeks of this month. Last year was a very hard season, and the makers scattered broadcast through the country are hoping for a better season this year.  
**THE SHEFFIELD CHOIR.**  
 Dr. Coward an Enthusiastic Choir-master.  
 The approaching visit to Kingston, on April 1st, of the most famous chorus in the world makes it of interest to relate how eagerly the picked singers of England vied with each other for the two hundred coveted places.  
 Dr. Henry Coward, the king of chorus masters, is responsible for the selected two hundred voices. In response to Dr. Harris' invitation Dr. Coward informs us that 560 applicants sent in their names to him, and that he has personally submitted each candidate to a test that required eighty-five per cent. out of a possible 100 marks to make eligible. Of these 560 voices Dr. Henry Coward has made his choice of the 200 world singers, and in doing so makes the statement that the Sheffield Choir will be the finest 200 selected voices he has ever controlled throughout the whole of his professional career.  
 The great chorus sailed for Canada on March 17th and after making a tour of the dominion will sail from Vancouver, and visit in turn the Fiji Islands, Tasmania, New Zealand, Australia and South Africa, leaving Cape Town for England on September 10th.  
 To-day is the festival of the annunciation of the Virgin Mary, or, as it is known in England, Lady Day. It is not obligatory in Ontario.

 Was Mediterranean Once Sold?  
 That a large body of land, known as the Lost Continent of Atlantis has disappeared from the earth's surface is generally acknowledged. Differences of opinion exist as to where this once existing continent was located. Most of those who have discussed the subject are of opinion that it extended from Africa in the direction of, if not connecting with South America.  
 Another theory is now advanced, i.e., that the lost land covered what is now the Mediterranean sea. Indeed it is said that scientists practically agree that the entire Mediterranean basin was formed by the collapse of the earth's crust, which took place at a (geologically speaking) late period. It may not have been one vast cataclysm, he thinks, but everything points to a series of great subsidences having taken place, as the result of the supporting crust being weakened by constant earth tremors, such as still prevail in Sicily and Calabria.

**HOOD'S Sarsaparilla**  
 For Pimples, Boils and All Other Eruptions.  
 Is Distinguished for its Unequaled, Radical and Permanent Cures. Its Record is Positively Unparalleled.  
 Impure Blood is common in the spring, because of the unwholesome modes of living during the winter, and it is the cause of the loss of appetite and that tired feeling as well as the sores and eruptions that occur at this time. Be sure to take Hood's this spring.  
 Found It Excellent—"I have used Hood's Sarsaparilla and found it an excellent blood purifier, healing ulcers in the head, causing deafness. I cannot recommend it too highly and intend using it again this spring." Mrs. John F. Mott, Niagara Falls, Ont.
