CHURCH IN SPORT

AN ATHLETIC CLUB FOR ALL PURPOSES.

The Young Men of Sydenham Street Methodist Church get into line - The Victoria Baseball Club has re-organized.

A meeting of all lovers of sport in Sydenham Street Methodist church was held, last evening, in the school room of the church. The meeting was called for the purpose of finding out whether the young men of the church wished to enter the proposed athletic association which is on foot just now.

It was unanimously agreed that the church should be represented in the association and officers were elected accordingly. Honorary presidents, Rev. H. W. Nair, Elmer Davis, Abraham Shaw, H. Richardson, E. E. Harrison, E. P. Jenkins, J. Hiscock and Frank Anglin; honorary vice-presidents, Robert G. Andrews, G. Y. Chown, Charles Anglin and Frederick Pound; president, George Richardson; vice-presidents, Henry Pense, Harold Aggrove and Harold Harrison; secretary, Robert E. S. Beckwith; manager of senior teams, Stanley Trotter; manager of junior teams, Roy Ward; honorary patronesses, Mrs. T. F. Harrison, Mrs. T. W. Neal, Mrs. H. Richardson, Mrs. Elmer Davis, Mrs. Oliver Chown, Mrs. Charles Anglin and Mrs. Adam Honey. The proposed organization will be the Young Men's Athletic Club and it will promote all kinds of sport conducted by associations of its kind in other cities.

Will Have Good Team. St. George's baseball team will be represented by W. Morrison and L. McCormick, tonight, at the Y.M.C.A. They have all of last year's team on hand and with "Fergie" Twigg, R. Marchand, W. Morrison and others, the team will be strengthened to a great extent. The club expects to meet early next week to elect the officers for the season.

Cooke's Will Not Enter. The Young Men's Club of Cooke's Presbyterian church has decided that it will not enter a baseball team in the junior City League. On account of the fact that they had some good material at their command, their ambitions soared as far as city league, but when they paused to think of the material which they would have to run up against, they reconsidered, and finally decided to remain in Sunday school company for a while longer.

Elected Officers. The Victoria Baseball Club held its annual meeting for the election of officers in the Y.M.C.A. parlors, last evening. The meeting was well attended by supporters and members of the team. The only business of any importance which was transacted was the election of officers, which resulted: Honorary presidents-H. W. Richardson and W. R. Givens. Honorary vice-presidents-F. S. S. Johnston and J. McD. Mowat. President-D. J. Dick. Vice-president-Hugh Douglas. Secretary-treasurer-Reginald Crawford. Manager-Edward Hartwick.

It is expected that Reginald Crawford will be here to play when the season opens and he was appointed secretary-treasurer; Robert McMahon will act until he returns. The team is looking forward to a good year and with good support will make as good a showing as they did last season.

Meerschaum. New York Sun. Meerschaum, says a British consular report from Prague, is continually getting scarcer. The price, which some four years ago rose forty per cent, and still remains high, is due, according to a London authority, "to the growing demand in the United States, where of late years there has been a tendency among smokers to disregard cigars in favor of a pipe."

As a result it is said that "the large industry which has flourished in Vienna, Budapest, Nuremberg, Paris and the Thuringian town of Ruhla seems endangered," and England has been compelled to turn from the meerschaum to clay and briar.

The meerschaum pipe smoker is something of a philosopher, with one of the burry of the man with the "cutty," or the leisure of the dignitary with the long churchwarden and he has no desire to deprive others of the pleasure that he enjoys. Toleration, in fact, is his creed. The villain among smokers, by all the best traditions of the stage, always flicks the ashes from a cigarette, and the monopolist chews on a big black cigar. Our pipe smokers would never bring dire disaster to Europe by robbing her of her meerschaum, as our rich are charged with robbing her of her art treasures. Put the blame on the Turk; he will neither debase his meerschaum mines nor permit foreign capitalists to do so.
