About Zutoo Tablets
"I have been a sufferer from headache since childhood and have used all, or nearly all, of the so-called "cures" on the market. Some months since my attention was called to your Zutoo Tablets and I have been using them ever since with the most gratifying results. I find they cure a "sick" or "nervous" headache in a few minutes and leave no bad effect. My family use them whenever needed with equally good results. I have frequently given them to friends who were suffering from headache and they never failed to give quick relief. I find them a good remedy for "sour" stomach as well as headache. I always carry them in my grip on the road and would not be without them at any cost."

THE VICE OF CHICAGO

REPORTED UPON BY A COMMISSION.

The Recommendations Made—There are Two Standards of Morality in Chicago.

Chicago, April 8.—The Chicago vice commission, the first salaried municipal commission of its kind, made many radical recommendations in its report to the common council, and gave an exhaustive review of the present status of the social evil in Chicago, its past, its causes, and means of suppressing it. The recommendations were directly against the European principle of segregation. They were:

Constant and persistent repression of the social evil as an immediate method, with absolute annihilation as the ultimate ideal. This, by means of:

First, the appointment of a morals' commission;

Second, the establishment of a morals' court.

In summing up present conditions, the report says:

Most of the police are honest. One standard of morality in Chicago applauds dances by nearly naked women in the name of art and condemns dances no worse before less prosperous audiences; men, not women, are the ones "highest up" in the business administration of the social evil; hotels which "ask no questions" of their patrons are a great contributing means of wrecked girlhood; prejudice against colored girls drive them into the social evil centres either as servants or inmates; the "white slave traffic" is not organized.

Contributing causes are named as follows:

Want of the necessities of life, craving for simple luxuries, ignorance, broken promises, deceit of men, but, chief of all, poverty. Lack of protection to immigrant girls aids the evil, says the report, and lake steamers with no regulations are fruitful sources of victims. Lack of proper pay for working girls is assailed at great length in bitter terms, and is called the chief reasons why young girls fail to resist temptations placed in their path.

Among the recommendations, besides the moral court and commission, are these:

Instruction of children, twelve to sixteen years of age, in sex hygiene; by personal attention of parents; physical examination of applicants for marriage licenses, better pay for girls, abolition of fines for known members of vice districts, home for old offenders; the state to take place of parents for illegitimate children, women officers for police force; vigilance in public parks, and other like measures.

Marlbank News.

Marlbank, April 5.—R. Perry will soon have his store completed. Miss Ruth Loyst is spending a few days in Tamworth. Mrs. J. McLaughlin, and J. J., of Forest Mills, was the guests of her brother, Daniel Foley, one day last week. Richard Broughen, Stoness' Corners, was here last week on business. Miss Katie Foley spent a few days in Larkins.

Confined to the house the greater part of the time for the past year Mrs. John Y. McIntyre, Lanark, gradually sank until the final call came on Thursday, March 30th. She was aged forty-seven years.

The paraffine paper in which a bar of soap is wrapped is an excellent thing to use on ironing day, instead of wax. Fold the wrapper, lay it on the board and pass the iron over it.

HEAVY DRINKER CURED.

Samaria Cured Him and He Helps Others.

A man who has been released from the awful cravings of drink, and whose first thought is to help others, shows the spirit of true brotherhood and philanthropy. Read his letter:

"The Samaria Remedy Co., Toronto, Ont.:

"Will you please send me book on drink, also circulars relating to your valued remedy for the drink habit. I wish to hand these to a friend who is going to ruin through drink. You will remember that I have taken your remedy, and I find it all you claim it to be. I never think of taking or using strong drink in any way, as all desire for it has left me. I cannot speak too highly of your wonderful remedy. You may use my name in any way you wish in public.

R. Lillywhite, Brigden, Ontario."

Samaria Prescription is tasteless and odorless, and dissolves instantly in tea or coffee, or can be mixed with food. It can be given with or without the patient's knowledge. It removes the craving for drink, builds up the system and restores the nerves. Drink becomes distasteful and even nauseous.

Drink is a disease, not a crime. One drink of whiskey always invites another. The inflamed nerves and stomach create a craving that must either be satisfied by more whiskey or removed by scientific treatment like Samaria Prescription. Samaria Prescription has been in regular and successful use by physicians and hospitals for over ten years.

If you know of any family needing Samaria Prescription tell them about it. If you have a husband, father or friend that is drifting into drink help him save himself. Write today.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, price, etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence sacredly confidential. Write to-day.

A WHITE VOILE DRESS TRIMMED WITH CERISE CHIFFON.

A touch of color makes all the new spring frocks kin. Scarcely any costume is pure white; there is always the saving touch of color or of black which adds French cachet. This pretty dress of thin white voile is trimmed with bands of batiste embroidery and insertions of heavy Cluny lace. Yoke and cuffs are of patterned filet net. Around the bottom of the skirt and bordering the sleeves are broad bands of cerise chiffon laid over thin white satin.

NEW WOMAN MAYOR

SAYS SHE WILL SWEEP THE CITY CLEAN.

To Appoint One of Her Own Sex as Chief of Police—Spotless Streets, No Liquor or Poolrooms, and Proper Inspection of Factories.

Hunnewell, Kas., April 8.—The first woman mayor-elect in the United States, Mrs. Ella Wilson, has announced that during her term of office there will be no intoxicants sold in Hunnewell, and a woman chief of police will be put in office to enforce the laws.

Mrs. Wilson outlined her various reform policies in the following statement:

"I shall see that the city water supply is improved. The source will be tested for purity and the supply increased.

"I shall also name a city physician to compel the proper ventilation of all public buildings, stores, factories, places of amusement, etc., and to see that every possible precaution is taken to stamp out tuberculosis. I shall see that proper places of amusement are provided for the young people of the city, conducted on a moral basis, so that a taste for pure entertainment may be cultivated. I shall try to see that athletics for the young men are promoted, but only under the supervision of Christian officers.

"All sewerage systems, cesspools, and the like will be brought up-to-date, and every street and alley in the city kept perfectly clean. There will be no intoxicants sold in the city or used by anyone, as the spirit as well as the letter of the law will be observed, and a license tax will be put on all poolrooms, and made so high that few, if any, can afford to pay it.

"Mrs. Osborn, defeated for police judge, I will name as chief of police, and I will make Mrs. Hilton city treasurer.

"I intend as mayor to show the people of the United States that a woman can be trusted to govern wisely and well, and to provide a clean, honest and law-abiding city administration."

At Carrying Place.

Carrying Place, April 6.—John Boyce died suddenly on Sunday last. He was buried on Tuesday. Dr. Boyce, of Kingston, and J. R. Boyce, Toronto, were here for the funeral. George Pierson left for Revelstoke, B.C., this week to work on a steam shovel for the C.P.R. Mr. Percival, of Cornwall, was here this week visiting Mr. Fitzgerald. He is thinking of buying a fruit farm in Prince Edward. Miss Hope Rogers, of Consecon, died suddenly. Rev. J. deP. Wright officiated at the burial on Wednesday. A large number were present at the last meeting of the ladies' guild in St. John's hall. It is rumored that George Bingly is about to purchase a lot in town from H. W. Hayes and erect a store. Mr. Rowe and Miss Ella returned from Bloomfield this week, where they spent the winter. Mrs. Young is visiting her aunt at Queenston.

Hartington Pie Social.

Hartington, April 6.—A successful pie social under the auspices of the Epworth League was held last Friday evening in the school house. Rev. J. H. Waddell acted as chairman. A fine programme was rendered. After the programme pie and coffee were served. The proceeds were $19.25.

All family jars do not contain preserves.

TO LEARN JIU-JITSU

THE SUFFRAGETTES TO BECOME ATHLETES.

A New Club to be Known as the Women's Development Society Has Been Launched.

London, April 8.—Some British suffragettes not being content with securing the political equality of woman with man now aim to place women upon the same physical plane and are organizing the "Women's Development Society."

Miss Alice Chapin, the secretary of the militant organization, describes the movement as one primarily intended to induce women to pay greater attention to their physical well-being, and also to educate them for social work.

No one but sympathizers of the militant woman suffrage movement will be admitted to the new Amazonian ranks. It is given out, however, that a misfortune of sex will not exclude men from the clubs.

It is planned to have dancing and other social entertainments at the clubs. All sorts of reports will be practised, and there will be physical culture classes, which will include the manly art of self-defence and jiu-jitsu.

"We must need know something of self-defence," said Miss Chapin.

Tennis, rowing, swimming, riding are pastimes in the almost inexhaustible list of things that the suffragettes will master.

DEATH AT HARTINGTON

Of David Dennison, Aged Eighty-six Years.

Hartington, April 5.—On March 26th there passed away one of the oldest residents of this place, in the person of David Dennison. Deceased had been in poor health for the past two or three years, and his death was not altogether unexpected. Mr. Dennison was born in Collins Bay, in 1825, of Irish parentage and came to this village when very young. He was a most prominent and most popular farmer, and an earnest promoter of things tending to agricultural progress. He was twice married, first to Miss Willoughby, and after her decease to Miss Wallace. The funeral, which was held on Wednesday, was attended by a large concourse of relatives and friends. The service was conducted by Rev. J. A. Waddell, assisted by Rev. J. E. Lidstone. A brother of Mr. Dennison, the late George Dennison, represented this riding for several years in the provincial house. One sister, Mrs. George Smith, of Harrowsmith, survives, also one son, Frederick, at home on the farm, and four daughters, Mrs. Cannon, of Bearsford, Man.; Mrs. (Rev.) Browne, of Wilton, N.Y.; Mrs. B. Campeall, of Ottawa, and Mrs. R. Deline, of Harrowsmith.

$100 Reward, $100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

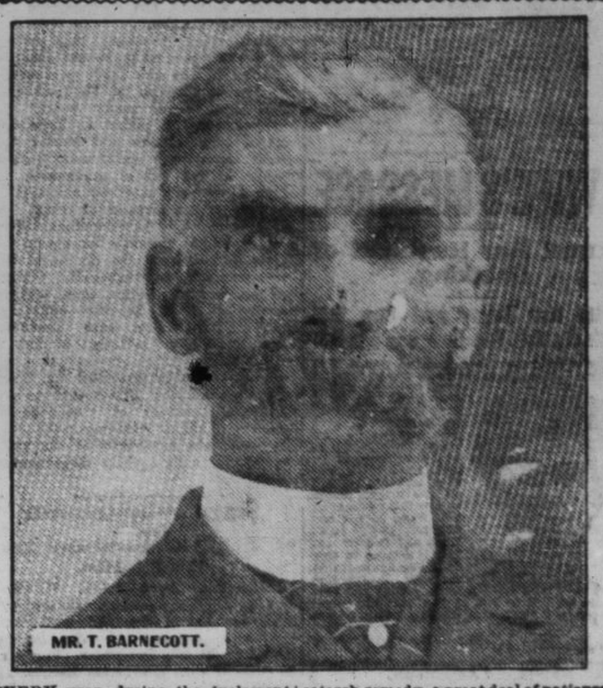
Pe-ru-na Promptly Relieves Severe Cold and La Grippe.

Mr. T. Barnecott, West Aylmer, Ontario, Can., writes:
"Last winter I was ill with pneumonia after having la grippe. I took Peruna for two months, when I became quite well, and I can say that any one can be cured by it in a reasonable time and at little expense. Every time I take a cold, I take some Peruna, which makes me well again.
"I also induced a young lady, who was all rundown and confined to the house, to take Peruna, and after taking Peruna for three months she is able to follow her trade of tailoring.
"I can recommend Peruna for all such who are ill and require a tonic."



MR. T. BARNECOTT.

EVERY year, during the inclement weather of winter, there is an epidemic of la grippe. The disease is really catarrhal in nature, but from the form it assumes, has been commonly termed the "grip."

Splendid Remedy for La Grippe.

Mr. Frank H. Fielder, 213 Pleasant Ave., Montgomery, Ala., formerly principal of Haynesville High School, writes:

"I can truthfully say that Peruna is a splendid remedy for la grippe and a good tonic for building up the system."

La grippe is very tenacious when it once gets a firm hold upon the system, and in addition to a thorough, systemic catarrh remedy, a great deal of patience and persistence in the treatment are required to eradicate the disease.

Peruna, an internal catarrh remedy, is one of the best medicines ever devised to meet the exigencies of these cases. The large number of commendatory letters received by Dr. Hartman, the inventor of Peruna, in behalf of his remedy is proof sufficient of its value as a reliable medicine for the "grip."

Prompt Relief.

Mr. Frank Bauer, Minneiska, Minn., writes: "I suffered with la grippe. My lungs felt as if knives were sticking in them. I took Peruna and in four days I was able to go out."
