ELECTED OFFICERS THE MERCANTILE BASEBALL LEAGUE ORGANIZED. Two Teams Will Not be Allowed to Combine—A Team Entered From the Locomotive Works.

A meeting of the executive of the Mercantile Baseball League met in the offices of the K. & P. railway, last evening, for the purpose of electing officers for the coming season. There was a good attendance, representatives being present from all teams in the league. The election of officers resulted as follows:

President—William McFedric. First Vice-president—Harvey J. Milne. Second vice-president—Frank Kinneer. Secretary—John Welch.

The question of the amalgamation of Richardson and Live Coals was brought up and discussed with the result that it was decided not to allow them to combine. Richardson then announced that they would drop out of the league. Live Coals were allowed to pick six men from Richardson's team. The Railroaders request that they be allowed to join forces with the express messengers was refused. The application from the office staff of the locomotive works asking permission to enter a team, was allowed and the team will enter under the name of the Locomotive Works. Edward Hartigan was appointed official umpire for the season. Everything is now running smoothly and it is a good indication that the league will be as big a success this year as it was last. The executive will meet next Monday evening for the purpose of drawing up the schedule for the season.
