REDUCED TO A SKELETON

DOCTOR SAID SHE WOULD DIE "Fruit-a-tives" Saved Her Life

RIVIERE A PIERRE, QUE., May 9th 1910
I look upon my recovery as nothing short of a miracle. I was for eleven years constantly suffering from Chronic Dyspepsia, Indigestion and Constipation. The last two years of my illness, I was confined to my bed nearly all the time. I was so thin I weighed only 90 pounds, and I vomited everything I ate. Even water would not stay on my stomach. The doctors gave me up to die as the stomach trouble produced heart weakness and I was frequently unconscious.

Colds Upset The Kidneys

And Uric Acid Poisons Bring Pains and Aches to Back and Limbs. DR. CHASE'S KIDNEY-LIVER PILLS.

You feel pains in the back, find the urine heavy and muddy colored, have indigestion and irregularity of the bowels and there may be rheumatic twinges. You wonder what has gone wrong until you recollect that you have been exposed to sudden changes of temperature, perhaps sitting in a draft or passing from a very warm room to be chilled by the out-door air.

The kidneys are most susceptible to cold, and a sudden lowering of temperature throws an extra burden on them by closing the pores of the skin, which are ordinarily a great aid to the kidneys in removing poisons from the blood.

The danger lies in not understanding the meaning of the symptoms given in the first paragraph. Once you know that the kidneys need assistance you can help them promptly by using Dr. Chase's Kidney-Liver Pills.

Get Dr. Chase's Kidney-Liver Pills to-day. One pill a dose. 25c a box, all dealers or Edmondson, Bates & Co., Toronto.
