SOFTNESS OF SEALS KIN Is Rivalled by Human Hair Where Dandruff is Eradicated. Seal skin is admired the world over for its softness and glossiness, and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. James B. McLeod, special agent, Kingston.
