THE CURSE OF
THE NATION IS
CONSTIPATION

"Fruit-a-lives" Alone
Cures This Disease

A famous scientist states that Consti-
pation, or non-action of the bowels, causes
more deaths than all other diseases
combined. Constipation inflames the
Kidneys, ruins digestion, is the founda-
tion of Rheumatism, poisons the blood,
causes Headaches, Neuralgia, Nervous-
ness and Insomnia.

Constipation is caused by a weak or
sluggish liver. Bile, the only purgative
of the body, is secreted by the liver,
which in turn should pour out into the
intestines sufficient bile to move the
bowels. Unless the liver is active, there
cannot be enough bile to move the
bowels regularly, and Constipation is
the result.

"Fruit-a-lives", the famous fruit me-
dicine, will always cure Constipation
because it acts directly on the liver—
relieves the congestion—increases the
quantity of bile—and strengthens the
bowel muscles.

Baby Nearly
Died with
Itching Rash

Mrs. M. C. Maitland, of Jasper,
Ont., tells in the following letter of
her child's remarkable cure by the
Cuticura Remedies:
"When my boy was about three months
old he first broke out with a rash which
was very itchy and ran a watery fluid. We
tried everything we could but he got worse
all the time. It spread to his arms, legs,
and then to his entire body. He got so
that he could not sleep. The rash
would itch so that he would scratch till
the blood ran and a thin yellowish stuff
would be all over his face in the night-
time. I had to put mittens on his hands
to prevent him tearing his skin. He was al-
most a skeleton and his little hands were
like claws.

"He was had about eight months when
we tried Cuticura Remedies. I had had
heard him down in his cradle in the day-
time for a long while. I washed him with
Cuticura Soap and put on one application
of Cuticura Ointment and he was so
soon that he could sleep. You don't
know how glad I was to feel better. It
took one box of Cuticura Ointment and
pretty near one cake of Cuticura Soap to
cure him. I think our boy would have
died but for the Cuticura Remedies and I
shall always remain a firm friend of them.
He was cured more than twenty years ago
and there has been no return of the
trouble."
(Signed) Mrs. M. C. MAITLAND,
Jasper, Ont.

No more convincing proof of the effec-
tiveness and economy of the Cuticura Re-
medies could be given. As in this instance,
a single cake of Cuticura Soap and box of
Cuticura Ointment are often sufficient.
Sold throughout the world. Potter Drug

Hot-air Talk of the London Pall
Mall Gazette Regarding New-
foundland's Future.

London, April 19.—The Pall Mall
Gazette says no one can be in the
least surprised that having got Can-
ada safely caught as they imagine in
the reciprocity net American states-
men are now laying plans for secur-
ing Newfoundland. If the Washington
agreement passes into one of settled
conditions the New World Pan-Ameri-
can propagandist will be unable to
endure the sight of England's oldest
colony still upholding the flag of Brit-
ish imperialism, and ways and means
will be found for coercing it into sur-
render.

It is no longer possible to disguise
the significance of these approxima-
tions in which the empire is allowed
to count for nothing, and which
amount to the uprearing of a new cult
of Pan-American solidarity.

Blue Tits Love the Bees.
Agricultural Economist.
Bees have enemies of various kinds
like the real-estate creation. Every one
knows that many birds are insecti-
vorous, but all insects do not form the
food of any one species. The bird
which has formed a taste for bees is
the blue tit, and if a pair of these
discover a suitable nesting place in
the neighborhood of an apiary it is
surprising how many bees will be
carried off to satisfy them and their
young. Generally their work is most-
ly left when queen raising is exten-
sively indulged in, for queens and
drones being largest and slowest on
the wing form a desirable and easy
prey.

When the Odds
Are Against You
You Can Depend on Dr. Chase's
Syrup of Linseed and Turpentine
to Help You, if You Get
the Genuine.

What a fight goes on during the
winter season against coughs and
colds. The children are careless about
keeping dry and warm, and the pa-
rents are worried to hear them cough.
The best insurance against serious
results is the use of Dr. Chase's Syrup
of Linseed and Turpentine.

So well-known is this medicine and
so universally used that we need
scarcely tell you of its merits. But
we do want to warn you against imi-
tations and substitutes.

Once you know that there are at
least four imitations of Dr. Chase's
Syrup of Linseed and Turpentine on
the market, you are not likely to let
any dealer talk you into accepting
anything but the genuine, on each
bottle of which are the portrait and
signature of A. W. Chase, M.D., the
famous Receipt Book author.

Imitations are sold on the reputa-
tion of this great medicine, and not
on their own merits, or why should
they not have a name of their own.

With the genuine Dr. Chase's Syrup
of Linseed and Turpentine, you can
readily overcome croup, bronchitis,
whooping cough, throat irritation,
and the most serious coughs and
colds. 25 cents a bottle; family size,
60 cents, all dealers, or Edmanson,
Bates & Co., Toronto.

At Conson, who was sick and since
died. He was also a brother of Mrs.
John Curli, Sr., of this place. Mrs. A.
Martin, teacher, has resigned and left
at the beginning of the Easter holi-
days.

Death at Laguna's.

ronto. The funeral, conducted Sunday
morning, to the Methodist church,
here, was largely attended.

ful accident, while splitting kindling

donald, where she spent a couple of

Stover's.

The Annual Meeting of the Public
Library.
Gananoque, April 19.—The annual

Sine, Freeman Britton, C. J. Wilson,

ture and efforts will be made to place
the library on a more substantial
basis.

Died at Providence, R.I.
Living Church.
Rev. Charles W. Forster, rector of
St. James' church, Providence, R.I.,
died at 10 o'clock, yesterday, of the
supper death of his mother, Mrs.
Euphemia Forster, who was living
temporarily with him. On Thursday
evening, April 6th, she attended church,
it being the occasion of the
bishop's visitation, and appeared in
her usual health. But early the next
morning she was seized with paralysis
of the heart and died almost imme-
diately. Mrs. Forster was the wife of
John D. Forster, of Pictou, N.S., and,
besides the rector of St. James'

of North Adams, Mass., and Mrs. W.
J. Macleod, of Kingston, Ont.

Modern Kitchens at Sea.
Cassier's Magazine.
The term "son of a sea cook" is no
longer a title of reproach. The highly
paid specialist who presides over the
kitchens is a chef with an interna-
tional reputation. The menu at the
end of the longest sea voyage gives no
indication that the ship has not been
supplied from land. Immense stores
of fresh meats, vegetables, fruits and
even flowers must be carried. The
kitchens are incredibly clean, with
their tiled floors, glass tables and
shelves, as are also the cold storage
rooms. To keep a kitchen in order is
a far more difficult problem at sea
than on land.

E. O. Sitter's Opinion.
In a discussion at the Ontario Educa-
tional Association session in Toron-
to, on Tuesday, the Toronto News
says that while favoring industrial
education in the high schools, the
leader of the discussion on the sub-
ject, E. O. Sitter, of Kingston, did
not regard the present staffs of such
schools competent to undertake the
subject, nor was the atmosphere of
the high school congenial to its pro-
per development. Separate manage-
ment was, therefore, urged.

Western Club for Baldheads Reported

Perhaps this report that bald-
headed club had been organized in
a western city of the States is a
joke, but one thing is certain, a
baldhead is no joke to the mau-
who displays it.

A club of baldheads formed in
every city in Can-
ada would be an
educational or-
ganization if its
members could be
induced to parade
baldness through the
main streets of the
city as a warning to those who still
have hair. Baldness is in nearly
every case the result of careles-
ness.

In France baldheads are few be-
cause men understand how to care
for the hair. Parisian Sage quick-
ly destroys the dandruff germ
that causes falling hair and bald-
ness.

Parisian Sage is a hair grower
and invigorator that is guaranteed
by J. B. McLeod to grow hair if the
hair root is not already destroyed, to
eradicate dandruff, stop itching scalp
and falling hair or money back.

Men and women
who want to have
hair full of life
and luster will not
be disappointed in
Parisian Sage. It
is a delightful re-
freshing hair
dressing not sticky or greasy.

A large bottle costs 50 cents at
J. B. McLeod's and druggists every-
where. The girl with the Auburn
hair is on every package. Mail
