**BLOOD BAD IN THE WINTER**

Indoor Life, Too Little Exercise, Breathing Impure Air, Eating Artificial Foods.

Is it any wonder that the system becomes poisoned with impure waste matter in the winter time, when you think of the artificial life we lead? With doors and windows tight shut we breathe the same air over and over again until it is incapable of purifying the blood.

In vain effort to cast the poisons out of the system the liver and kidneys are worked over time until they too are played out. Then comes the attacks of constipation and indigestion.

The quickest and most certain way to overcome this condition is by the use of Dr. Chase's Kidney-Liver Pills. They act definitely and directly on the liver and kidneys, awaken them to renew energy in filtering poisons from the bowels and remove the cause of indigestion, backache and other body pains.

You are not experimenting when you use Dr. Chase's Kidney-Liver Pills. They are unique in their combined action on the liver and kidneys and for this reason stand without a rival as a means of purifying the blood and cleansing the filtering and digestive systems.

**Doctors Using Mental Healing.**

Many of our best physicians who only a few years ago ridiculed mental healing, are beginning to adopt the principle—so far as they know how—in their practice, especially the power of suggestion. They are finding that their patients are often more affected by mental medicine, by their "calls," their encouragements, and good cheer, than by their pills.—Health Record.

M. T. Buchanan pleaded guilty, at St. Thomas, to three charges of graft while an Oxford county councillor, and was released on suspended sentence on promising restitution.

**WHO PAYS THE DUTY?**

You or our foreign competitor?

You pay. About that there is no room for doubt. And it's more than likely you believe in the necessity of the tariff. But—of what earthly good is it if you pay the duty?

The foreigner laughs at duties imposed by our government as long as you are willing to cash up. Take beer, for instance.

**Salvador**

The Famous National Drink

is the purest and best brewed on this continent. The formula and entire process of brewing "Salvador" is a secret and absolutely controlled, on this side of the Atlantic, by Reinhardt's of Toronto.

Beer, almost as good as "Salvador," is brewed by the big American brewers and sold in the States at exactly the same price as "Salvador" in Canada.

But—when you order an American beer in Canada there's 34% extra to pay—the duty—plus extra freight charges.

Is it rational to pay that duty—when you can get a better beer at the normal price? "Salvador" beer is rich in flavor, sparkling and charged with invigorating properties.
