THE SPORT REVIEW

THE CITY LEAGUE BASEBALL SCHEDULE.

Montreal Challenge Will be Accepted for an Exhibition Game—What the Ball Teams are Doing.

A meeting of the executive of the City Baseball League occurred, last evening, to receive final entries for the series and to draw up the schedule for the coming season. President Bernard Tierney was in the chair and the other officers of the league were present. Representatives of the various teams were on hand and this schedule was drawn up:

May 20—Victorias vs. C.L.C.
May 27—Victorias vs. Y.I.C.B.A.
June 3—Y.I.C.B.A. vs. C.L.C.
June 10—C.L.C. vs. Victorias.
June 17—Y.I.C.B.A. vs. Victorias.
June 24—C.L.C. vs. Y.I.C.B.A.
July 1—Victorias vs. C.L.C.
July 8—Victorias vs. Y.I.C.B.A.
July 15—Y.I.C.B.A. vs. C.L.C.
July 22—C.L.C. vs. Victorias.
July 29—Y.I.C.B.A. vs. Victorias.
Aug. 5—C.L.C. vs. Y.I.C.B.A.
Aug. 12—Victorias vs. C.L.C.
Aug. 19—Victorias vs. Y.I.C.B.A.
Aug. 26—Y.I.C.B.A. vs. C.L.C.

This is the senior schedule. The junior one was not drawn up at the meeting, but was left for a later date. Applications for position in the junior series will be received for a couple of weeks yet and application forms may be obtained from the secretary, Stanley E. Trotter.

May Have City League Pitchers.

Last season in the Sunday school baseball league all city league players were barred from playing with the Sunday school boys. This year the question was brought up again and it is probable that this rule will be altered somewhat in the constitution which will be presented to the executive at the next meeting. The question of allowing pitchers who executed for teams in the city league to do duty for the Sunday school league was up before the executive at their meeting Tuesday evening. It was suggested that they be allowed to play in any position but in the pitcher's box. Some of the teams were satisfied to have it that way.

Will Entertain Challenge.

The challenge from the Star baseball team of Montreal will be accepted for some holiday during the summer. It was suggested that the challenge be accepted for the celebration on the king's birthday but the answer was that the money for a baseball match for this day should be turned over to two local teams.

Notes on Sports.

University of Pennsylvania cricketers will tour Canada this summer.

Australia and American tennis players have been invited to play at the coronation games in England.

If Frank Lukeman is chosen for the Canadian coronation team he will be sent to England by the Ottawa A.A.C.

The professional sculling race between Ernest Barry and William Albany for the championship of England and The Sportsman cup will be rowed next Monday; over the Thames course.

"Knotty" Lee has been summoned to Brantford to aid in financing the local club in the Canadian league. Thus far sufficient money is not forthcoming to put a team in the field, but it is thought with a persistent canvass by Lee it will be available.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

PAGEANT WILL BE OMITTED.

Britain Feared it Might Prejudice Good Relations With U.S.

London, April 27.—It was in consequence of communications between London and Washington and hints to the Canadian committee, of which Lord Strathcona is president, that a decision was reached to eliminate from the coronation programme Canada's principal contribution to the pageantry, "Festival of the Empire."

The piece which has been in course of preparation at the Crystal Palace, and which called for 800 performers, entitled "Chateauguay, where Canada was held for the Empire," was intended to represent the defeat of the invading American force in 1812, by a handful of Canadians.

After consideration it was thought that the pageant might wound the susceptibility of American visitors to the coronation, and it was also suggested that a feeling might be caused in the United States that would endanger the conclusion of the proposed Anglo-American arbitration treaty. Rather than make either event possible the authorities decided to abandon the spectacle.

New Ocean Port for Canada.

Montreal, April 27.—A cable from J. N. Greenshields, K.C., states that a syndicate has been formed in London for the construction of a railway from the Saguenay river to Cape Charles Bay, on the east coast of Labrador, a point 650 miles from Quebec. Montreal people, including Rodolphe Forget, are interested in the enterprise, which will connect with the Quebec and Saguenay line, which M. J. O'Brien will build during the next eighteen months to Murray Bay, ninety miles from the ancient capital. James Hill had his eye on this route several years ago, but it remains for English and Canadian capitalists to test the practicability of the scheme. The promoters say that Cape Charles Bay is open all the year round, and from that port fast steamers will make Liverpool in fifty-two hours, or land mails in Chicago thirty hours before they could reach New York by any of the other routes.
