SUFFERED THREE YEARS

THIRTI Dr. Morse's Indian Root Pills cured his Kidney Trouble

There are few diseases that cause more acute suffering than Kidney Trouble, and Mr. F. A. Thomas, of Sudbury Ont., is one of those who know it. He writes: "For over three years I suffered from kidney disease. First I thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. Tried medicines, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy."

Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headaches, and in purifying the blood. 25c a box at your druggist.

A young man and woman living in Yorkshire—William Moxon and Miss Mary Agar Broad—became attached to each other, but the girl's father forbade the youth's suit, and they parted. For thirty years each treasured affection for the other, and they never married.

A few months ago they met accidentally in London. The acquaintance was renewed, and the pair, now advanced in years, were married, yesterday, at Duddingston, where the bride, known as Sister Mary Broad, carries on philanthropic work among orphan girls.

A large party of friends, several of whom had come from Yorkshires, assembled for the wedding.
