MAY BE IMPOSSIBLE
TO ABOLISH THE METER RATES FOR LIGHT.
The Gas Plant Requires Many Renewals, Which Must be Paid for Out of Revenue—Additional Street Arc Lamps.
Owing to the fact that half the members are out of the city the light and power committee did not have a meeting on Tuesday afternoon. Ald. Elliott (chairman), Hartly and Hanley were in attendance but as the business before the meeting was of importance nothing was done.
There is the abolition of the gas and electrical meters to be considered. Mayor Graham wants the committee to report upon the advisability of abolishing these rates, and the question will have to be held over for another two weeks. Manager Folger had his report as to the meter receipts ready. These receipts total \$5,000. It is understood that the manager will not recommend the striking off of the rates. It is well known that the committee this year is going to put aside \$6,000 as the nucleus of a rest fund. It is also known that Manager Folger has reported to the committee that the gas generators must be renewed, and this will cost at least \$12,000. New purifiers must also be purchased if the gas plant is to give satisfaction, and another \$12,000 will be required for these. Repairs to the street mains are also needed, and possibly this will cost \$6,000. All these things are renewals of the plant, and must be paid out of revenue. Debentures cannot be issued to cover the cost. Until the plant is put into good condition it is doubtful if the committee will feel like recommending that the profits be decreased by \$5,000 a year, for a while at least.
It will be three or four weeks before the new street lighting apparatus arrives. Manager Folger and City Engineer Craig have yet to decide upon the number of additional lights required for the streets. Some dark night next week they intend to make a tour of the city and choose the places that should be lit. At present there are 135 arc lamps doing duty, and this number will likely be increased by forty-five.

PARADE TUESDAY NIGHT.
14th Regiment, P.W.O.R., Out on the March.
The usual weekly parade of the 13th regiment, P.W.O.R., was held on Tuesday night, to the cricket field, and was witnessed by several thousand citizens. Kingston's "soldier boys" at ways attract a big crowd, when they are out on the march, and as they passed out Bagot street on the way to the cricket field, there were many proud fathers, mothers, sisters, sweethearts and "kiddies." The boys presented a fine appearance. Arriving at the cricket field, about an hour and a half was spent in drill, when the return was made to the armories.
Quite a large number of the boy scouts also paraded with the regiment, including the first troop, from the Y.M.C.A. and the third troop from St. Nicholas street church. The boys had a smart appearance, and many complimentary remarks were heard concerning them, as they passed along the street.

Dwyer's
Workingmen's shirts at 35c. and up are remarkably good value.
Prevost, Brock street has received all his spring and summer goods for his order clothing department, also in ready-made clothing and "gent's" furnishings department. They are all well assorted with new goods.
Ice cream in bricks." Gibson's, Mr. and Mrs. Charles Howarth, Beacon street, are removing to Shabot Lake. They have resided in Kingston for seventeen years.
William Moore, son of the late Thomas Moore, tailor, of Kingston, is a very successful real estate man in Montreal.
Blood purifiers." Gibson's.
Bellevue board of education asks the council for \$35,000 to build a new school.

The Air is Germ-Laden
In the Springtime—Disease is Ready to Make You a Victim When the Blood is Thin.
Rich, Red Blood is the Greatest of Germicides—You Can Get the Blood Right by Using
Dr. Chase's Nerve Food.
When the blood is rich and red, when it is largely composed of red corpuscles, there is little chance for disease germs. They cannot thrive in the system which is filled with good blood.
But in the spring the blood is generally thin, weak and watery. It lacks the vitalizing red corpuscles and you become an easy prey to the germs of disease, which seem to lurk everywhere at this time of the year.
You can fortify yourself against the germs of disease by using Dr. Chase's Nerve Food. This great restorative treatment feeds new red corpuscles in the blood, makes the blood rich, red and healthy.
Weakness, tired feelings, stomach derangements and disorders of the nervous system soon disappear when Dr. Chase's Nerve Food is used.
This medicine cures by the building-up process, and for this reason its benefits are lasting. Nearly everybody needs something in the spring to enrich the blood and tone up the system, and it would be impossible to get a more satisfactory spring tonic than Dr. Chase's Nerve Food. 50c a box, six for \$2.50, at all dealers, or Edmanston, Bates & Co., Limited, Toronto.

Men Arriving to Take Charge of Vessel.
The steamer John Randall cleared for Oswego on Tuesday afternoon.
The schooner Ford River discharged a cargo of coal at the W. T. Co.'s wharf, and is now at Richardson's wharf loading feldspar.
The steamer Sowards arrived from Oswego, coal-laden, with the schooner Maize in tow. The Sowards is discharging at Shortt's, Portsmouth, and the Maize at Crawford's wharf.
The steamer Wolfe Islander will undergo repairs at the Davis dry dock. She will be docked to-day. The vessel will be widened and false sides will be placed on her.
The steamer Island Wanderer will arrive in the city late on Saturday afternoon with an excursion from Clayton, N.Y. The excursionists will return home the same evening.
The steamers North King and Caspian will commence their regular trips from Port Hope and Cobourg to Charlotte, N.Y., on May 29th. Both boats have been thoroughly overhauled.

At Swift's wharf: Steamer Belleville up to-night; steamer Dunsmuir, down, to-morrow; the Bona Vista, passed down this morning; the Rideau King will be up from Ottawa this evening; the Althea down from bay ports to-day; steamer Lamonde, from Clayton and intervening points.
M.T. Co.'s elevator: The steamer Acadian, from Fort William, discharged 75,000 bushels of wheat, and cleared for Belleville to load cement for Fort William; the steamer Kinmount, from Fort William, lightered 6,000 bushels of wheat and cleared for Montreal; the tug Hall cleared with the barge Lapping, grain-laden, for Montreal; the tug Emerson arrived light from Oswego, and cleared with three barges for Lake Erie to load coal; the steamer Mapleton, grain-laden, from Fort William, is due to arrive to-morrow; the steamer Key-west will load grain at Port Colborne, and discharge at the elevator next week.

Outside Marine.
Vessel room for 30,000 bushels of grain, Chicago to Buffalo, was chartered on Saturday at one cent.
The schooner Minnehaha, Capt. Paul Mallot, cleared for Chautauq, in quest of a cargo of timber, which he proposes to use in a new fishing tug he is building.
At the request of the Crescent Yacht Club, Waterville, N.S., two great acetylene lights are being placed in Chautauq Bay. The lights are being installed by the department of commerce and labor.
Bids for the work of deepening the harbor at Charlotte and Ogdenburg, have been opened, and the contracts will be awarded in a few days. The Daniel Marine Construction company may secure the Ogdenburg job, and the Buffalo Dredging company for the work at Charlotte.

CITY AND VICINITY.
Dwyer's
Youth's tweed suits at \$3.75 make a presentable appearance at a low price.
Kingston and Ottawa.
Rideau King for Ottawa and all Rideau ports every Monday and Tuesday, at 6 a.m., Jaz. Swift & Co., agents.

Two More New Houses.
Permits for the erection of these buildings have been taken out at the city engineer's office:
E. E. Wathen, a brick house at the corner of Mack and Nelson streets.
E. Derbyshire, a frame house on the north side of Beverly street.

Shooting of 14th, P.W.O. Rifles.
Officers and men of the 14th P.W.O. Rifles will go over to the butts at Barriefield, on the morning of the 24th of May, and will shoot for efficiency pay. They will also compete for the cup offered by the London Daily Mail for the Empire match. This cup is being shot for all over the empire. On June 2nd the regiment will go over to the ranges and camp there for the night. On June 3rd the men will again shoot for efficiency pay.

Principal Must Apologize.
Although the proceedings of the separate school board, in regard to the complaints made about the principal of St. Mary's school, were kept secret, as it were, further particulars apart from those given on Tuesday night, have been learned by the Whig.
Although the principal was sustained, he has, at the same time, to make an apology. The board instructed him to apologize to two parents, who made complaints, also to the clergy, and the school children in general.

He Got His Answer.
Canadian Collier: Who says the Englishman is not a wit? The other day W. A. Fraser, the short-story writer, in search of human-interest and armoring that, got into talk with a couple of laboring men on the back platform of a Toronto street car. Fraser rather prides himself on his knowledge of dialects, so he made some guesses. "You," he said to one, "are a Devon man." The toiler, with the dinner-pail admitted it. "And you," he said to the other, "are from London." Right, again. "And now," said Mr. Fraser, spreading his chest, "where would you say I'm from?" It was the Cockney who replied: "I don't know, mister. You see, I'm not so blowed inquisitive as you are."

Ricardi's Tremendous Range.
London Daily Telegraph says: One of the most successful singers was Miss Ricardi, who gave a charming performance of Mozart's air from "Il Re Pastore." Seldom is it one's privilege to hear such a soprano as Miss Ricardi. Tremendous range, flexibility, pure and bell-like tones, clear conception of the author's spirit, and the true artist were all evident. Her register seemed almost limitless, and over top notes, clear and sustained. She had wonderful control, and evoked round after round of applause.

Miss Ricardi and Company appear in the City Hall, Wednesday, May 23rd. Plan at Uglow's.
IN MARINE CIRCLES.

GAVE FINE LECTURE.
Herbert Booth is a Dramatist of High Order.
Herbert Booth, the youngest son of Gen. Booth, now engaged in inter-denominational evangelistic work and who has been described by the press of the Canadian cities as the "peer" of a family of orators, and "the Henry Irving of the pulpit," lectured, last night, in Queen Street Methodist church, for the second time in this city, to a large and interested audience and leaves, to-day, to continue his tour in Trenton, Brookville, Gananoque, Napanee and Toronto.
He has been touring Canada since January 10th, 1910, and during this time has conducted twenty-seven large missions and delivered one hundred and forty-two lectures in almost every city and town of importance in the Dominion. He returns to Europe for the summer after which he expects to visit the western and southern states of America.

CHURCH CONCERT.
An Enjoyable Programme Was Rendered.
The concert, held under the auspices of the "Ever Ready Bible Class" of Bethel church, on Tuesday evening, was a decided success. Mayor Graham occupied the chair and the names of the following well known entertainers appeared on the programme: Herbert Treener, J. D. Bankier, Henry Crumley, William McFridger, Mrs. Evans, E. F. Trimble, Miss Willoughby, Miss Dutton. Others who assisted were: Miss Gladys Caldwell, W. Trener, Mrs. Watson, Trener brothers, Miss Holland, Mrs. Craig, Misses Singleton and Atkins, members of Salvation Army band, G. Wilson, Mrs. Kennedy, William Thompson, Miss Mooks and Frederick Hamner. The programme was made up of solos, quartettes, trios, duets, recitations, piano selections, musical selection by members of the Salvation Army band, the musical romance, a parody which was composed by Herbert Trener was one of the best things of the programme.

"Ice cream in bricks." Gibson's.
The Congregational Union will meet here June 6th to 12th. A committee is busy arranging for the billeting of the delegates.
Quite a number of Kingstonians are going to Toronto to the Woodbine races next week.
"Rye moth camphor." Gibson's.
With fine weather the Victoria day celebration will be a hummer.
The steamer Donnacoma will pass down to-night.

THAT BALD SPOT
How to Prevent it Growing Larger.
Parisian Sage will do this—first of all by killing and removing the dandruff germ. These little fellows penetrate deep into the scalp and hair roots and are the cause of all hair troubles and diseases.
Parisian Sage is the best hair tonic and hair grower in Canada. Cures dandruff and scalp-itch. It is guaranteed to do this by J. B. McLeod, who will refund your money if it fails to do all that is claimed for it.
Parisian Sage is a most beneficial hair dressing and hair beautifier, not sticky or greasy and is used by women and men of refinement the country over. Large bottles, 50c. every where.
See that the girl with the Auburn Hair is on each package.

We appreciate your patronage and in return give you best values and prompt courteous and efficient service.
CRUMLEY BROS.

IT GROWS HAIR
Here Are Facts We Want You to Prove at Our Risk.
Marvelous as it may seem Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.
Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum nor permanently stain the hair.
We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give an entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1. Sold only at our stores: The Rexall Store, G. W. Mahood.
