## RACES AND SPORTS A PRIEST DROWNED

IN CONNECTION WITH THE CELEBRATION: FATHER FITZHENRY'S BODY WASHED ASHORE.

Results of the Foot Races Conducted by Y.M.C.A.—The R.C.H.A. Sports Were Interesting and Entertaining.

On Wednesday afternoon a large share of the population of the city, and a large number from the surrounding district, gathered at the fair grounds to witness the holiday events put on there. The programme was almost the same as given out in other years, and consisted of baseball games, horse races, foot races, running races and mounted military sports. The grand stand was packed and the fence half way around the race track was lined with people, who the mounted artillerymen had great difficulty in keeping off the track. The Watertown city band was present, and together with the 14th band rendered a good programme of music. The officials in charge of the celebration were well pleased with the way things were carried out. A notable feature in connection with it, and a commendable one, was the lack of drunks. They were conspicuous by their absence and the people were very glad that they were not there.

**Y.M.C.A. Foot Races.**  
Under the auspices of the Y.M.C.A. several races were pulled off. The first was the mile race, which is twice around the track. The entries were: Jackson, of Battersea; Tubman, of Ottawa Y.M.C.A.; Gondee, of Clayton, N.Y.; O'Brien, of Ganges, and Adams, of Kingston. Y.M.C.A. Tubman, of Ottawa, had this race cinched, winning easily from O'Brien, the long distance runner, in 5.57. Adams, of Kingston, took third place; Jackson, of Battersea, fourth, while Gondee, of Clayton, had to be satisfied with the last position. Time 11 1/2 minutes.  
Tubman took the 100 yards race, easily winning from his nearest competitor, Private Skipper, of the R.C.H.A., with Phillips third. In the quarter mile race Sparks, of Kingston, had the lead, with Gord in second, and Adams, of Kingston, third. The officials of the races were: Starter, Ralph Bowron; judges, Prof. James Small and Staff-Sergt. Law.

**Military Sports.**  
The R.C.H.A. furnished a great deal of entertainment, as they have done in years gone by. This year the artillery sports were in charge of Sergt.-Major Gimblett.

The section riding and jumping was most interesting and after a great deal of hesitation on the part of the judges the victory was awarded to "A" battery. The tent pegging was watched with interest and it fell to the lot of "A" battery to win again. The feat of riding up to an ambush in the face of a heavy fire, jumping off their horses, picking up dummies, getting on their horses again, and out of reach of the guns was awarded to "A" battery for quickness and alertness. The Balatava hunt, in which four members of each battery fenced on horseback, was most amusing. "A" battery was again victorious. Two running races on horse back were pulled off by members of the batteries.

The races were a half-mile each. The race which members of "B" battery participated in, Dr. Morley won out; Gr. Giguere second; Gr. Coulthard, Dr. McDermott, fourth. Time, 22 seconds. "A" battery races resulted as follows: Sergt. Tolson, first; Dr. Eward, second; Dr. Caltity, third; Dr. McDermott, fourth. Time, one minute.

**Out Again, in Again.**  
Harold Hough, of Ottawa, was released from penitentiary on Wednesday after serving a three-year term for theft, but he was not sooner out than he was arrested by Inspector Parkinson of the Dominion police, for breaking a previous parole by committing the offence which sent him back for three years. Hough will now have to serve a further term of one year, five months and one day.

**Season's First Band Concert.**  
A fine concert was given in Macdonald park, on Wednesday evening by the band of the R.C.H.A., as the first of the Victoria day events. There was a very large crowd in attendance. A couple of times splutters of rain sent portions of the crowd on the homeward journey, but the majority remained to listen to the music of the splendid Horse Artillery band.

The Deceased Disappeared About the End of December—Was Formerly Chaplain of St. Mary's-of-the-Lake Orphanage.

About 3.30 o'clock, on Tuesday afternoon, the steamer Caspian moved out of the slip near the Great Works, at the foot of Gore street, when the body of a man was seen to come to the surface, and some of the deck hands succeeded in getting the body to one side of the slip.  
A call was sent to the police station and also to Coroner Dr. Beaton, and the doctor and Constable Filson and Armstrong were soon on the scene. Corbett's ambulance was also summoned and the coroner had the remains removed to Corbett's morgue.

When the body was searched papers were found which proved the identity of the deceased. The gold watch, belonging to the deceased, was also found in a pocket.  
Dr. Kilbom made a thorough investigation into the facts of the case and found that it was a clear case of accidental death and that there was no need of an inquest. When found deceased had on a winter overcoat and a pair of rubbers.

Word that the body of a man had been found soon spread and when the body was taken out of the water close upon one hundred people were present to view the ghastly sight. The body proved to be that of Rev. Father R. H. Fitzhenry, formerly chaplain at the St. Mary's-of-the-Lake orphanage, King street, and who mysteriously disappeared after last Christmas. Father Fitzhenry was not in good health and was in a precarious condition at the time. It is supposed that he wandered out on the thin ice of the harbor, and was drowned. A search was made for him in the winter, as it was thought he had gone away and would return, but no trace could be secured of him, and the breaking up of the ice was awaited in the hope that the harbor would give up its dead, as the deceased's intimate friends were fearful that the young priest had met death. The remains were sent to Quebec on Wednesday morning.

The late Father Fitzhenry was born in Quebec city about thirty years ago. He was ordained priest about eight years ago, and belonged to the Fathers of the Holy Cross. He made his studies for the priesthood at St. Laurent College, near Montreal, and took his theological course in Quebec city. When the orphanage of St. Mary's-of-the-Lake was opened last summer he was appointed chaplain by Archbishop Gauthier, and while in Kingston he made many warm friends. He was a bright and energetic young priest.

## THE LATE JOHN S. HENDERSON.

Head of the Well-known Grocery House of Kingston.  
The death occurred at an early hour on Wednesday morning of John S. Henderson, head of the well-known and long established grocery house of Henderson & Co., Brock street, after an illness of a week. His passing away came as a great shock to his many friends, who did not know of his serious illness, and was heard with great sorrow. Mr. Henderson was born in Kingston fifty-six years ago, the son of the late Peter Henderson, and resided here all his lifetime.

He is survived by one son, Loren, of Brooklyn, N.Y.; one daughter, Mrs. Ernest Cooper, of London, Eng.; also by four brothers and two sisters: George F. Henderson, K.C. Ottawa; Lawrence L., general manager of the Montreal Transportation company, Montreal; James R., Kingston; Dr. Norman R., London, Ont.; Mrs. J. S. Hendrie, Hamilton; and Mrs. Thomas Alexander, London.

In politics, Mr. Henderson was a conservative, and in religion a Congregationalist, being one of the oldest adherents of the First Congregational church.

The funeral will take place on Friday afternoon, from the residence of his brother, James R. Henderson, Earl street.

## Home-seekers' Excursion.

The Grand Trunk railway has issued a circular authorizing all agents in excursion tickets to points in Western Canada. This is interesting information for those desiring to take advantage of these excursions on certain dates from April to September, 1911. The Grand Trunk route is the most interesting, taking a passenger through the populated centres of Canada, through Chicago, and thence via Duluth, or through Chicago and the twin cities of Minneapolis and St. Paul. Ask Grand Trunk agents for particulars.

## Daughters Were Honorary Bearers.

The funeral of the late Captain William Montgomery took place on Wednesday morning, at ten o'clock, from his late residence, 294 University avenue, to Cataract cemetery. His six daughters acted as honorary pallbearers, it being one of the last requests of the deceased. The funeral was of a private nature, but many beautiful flowers were sent in by sympathizing friends.

## Goes to His Children.

George Bart, the South Crosby farmer who committed suicide by taking carbolic acid early in April, left an estate valued at \$14,000, \$9,000 of real estate. The estate is divided solely among the children of the testator, nothing being left to his widow, who, it will be remembered, eloped with a neighbor a few days after the suicide. The will was drawn in April, 1909.

## Carried Big Crowd.

The Kingston and Pembroke railway and the Bay of Quinte railway brought a big crowd to the city for the holiday. The morning train over the Kingston and Pembroke railway carried three hundred people and the Bay of Quinte railway brought in two hundred people.

**WAS JUST ONE RACE**  
THE 2.40 CLASS ONLY ONE THAT FILLED.  
Burnham's Jap Took First Place—Queen Deveras Reared and Fell Over Backwards.  
The horse races at the Fair Grounds Wednesday afternoon were watched by a large crowd and were very keenly contested. There were to have been two classes, but owing to some difficulty, the 2.40 class was the only one pulled off. Five horses were entered. Jap took first honors having first place in each of the three heats. Sir James finished second in all three heats and captured second money. Miss Guarnet with two third place positions and one fourth took third money, and Queen Deveras took fifth. The race was very close. Sir James followed right behind Jap in all three heats and in the second it was thought that he would take first place, but he was half a length behind. The result: Jap, (P. Burnham), Kingston, 1.11. Sir James, (T. Trudell), Bath Road, 2.22. Miss Guarnet, (G. B. McKane), Kingston, 3.34. Prince Wilks, (T. Fitzgerald, Pittsburg), 4.43. Queen Deveras, (J. Bannister), Kingston, 5.55. Time—2.34; 2.29; 2.30.  
What might have been a serious accident happened just as the race was about to start. Driver Bannister had taken his horse up the track before starting in the first heat, and just as he was about to turn around, the horse reared and stood straight up in the air. Mr. Bannister was thrown from his seat and the horse fell over backwards. Men who were near set on the horse until the harness was released sufficiently to allow it to get up, when it was found that it had sustained no injuries. A few pieces of harness were broken, and this delayed the race for some time. Other events were put on in the meantime.  
The judges for the races were: Starter, William Gibson; judges, W. Gibson, W. F. Kelly and Dr. G. W. Bell; timekeepers, John Carson and Dr. W. J. Morgan.

**Reliable Rheumatic Prescription.**

**CONCERT IN CITY HALL**  
By Miss Marie Ricardi and Other Artists.  
Miss Marie Ricardi, the celebrated English soprano, who appeared for the first time in this city in the city hall, on Tuesday evening, created a very favorable impression with her singing. Her voice is clear, pure and very flexible. The third number which she sang was in Italian, and in this selection the roundness and fullness of her voice was most apparent. At the conclusion of this matter, she was presented with a beautiful basket of flowers by some of the citizens. Ethel Reese-Burns, who was to appear as a dramatic reader, was unable, through illness, to be present. Her place was taken by Miss Marguerite Cross, violinist, whose work was most pleasing. Some claimed her equal had not been heard in Kingston in years. The feeling which she breathed in her music was apparent in every note which fell from the strings. She only appeared a limited number of times on the programme, but her work was so well received that she was encouraged three times and responded generously.  
Mrs. F. M. S. Jenkins, at the piano, was particularly good and was much commented upon. The trio of performers was of the very highest order, and they were assured that if they ever appeared in Kingston again they would be greeted by a packed house.

## MILITARY PARADE WEDNESDAY

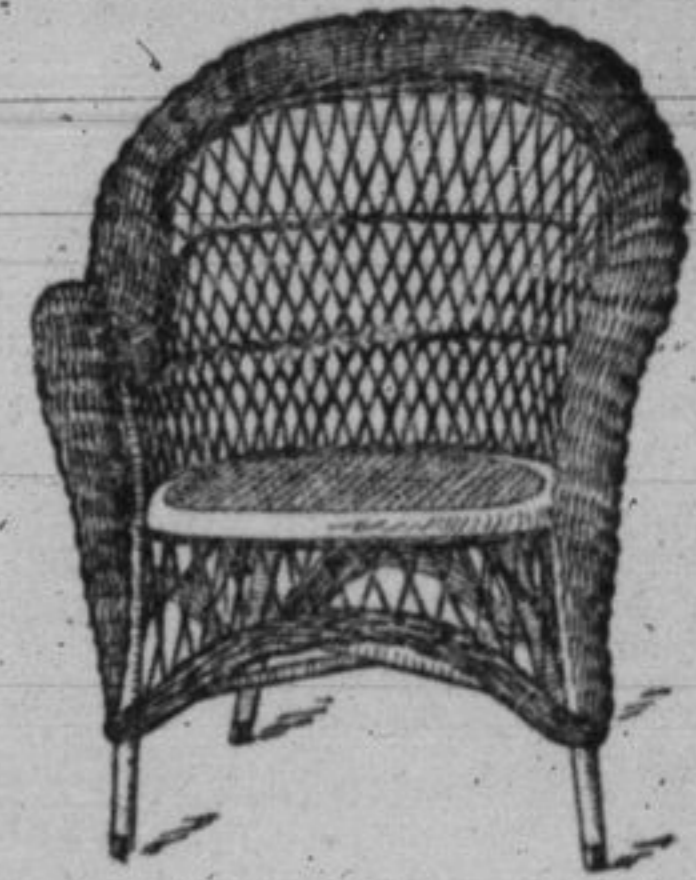

Horse Artillery and Boy Scouts Composed It.  
The Victoria day military parade was shorter than usual, as the 14th Regiment and the Royal Military College Cadets were unable to take part. However, the Royal Canadian Horse Artillery, and the Boy Scouts, of Sydenham street, Methodist church and St. George's cathedral came to the rescue of the celebration committee, and gave a fine street parade, the route being up Princess, along Clergy, down Barris and in King. The R.C.H.A. band headed the artillery, while the Watertown band did honors for the Boy Scouts. Major J. S. M. Leslie was in command of the artillery, and the celebration committee is deeply grateful to him for making the parade possible. The artillery horses were the comment of everyone along the line of march. A finer lot of animals has never been seen in a military parade here.

## It Can Expropriate.

The Ottawa Free Press says that the Hydro-Electric commission can expropriate the Chat Falls, wanted by the city of Ottawa for power supply. It says there is doubt in the minds of some whether Mr. Hartly is the owner of more than the island in the river.
