Victorias—Duncan, s.s.; Nicholson, parties to the tender, and witnessed, cheque on a chartered bank of the Dominion of Canada, payable to the order of the Commissioners of the Transcontinental Railway, for a sum Athletics—Gratton, c.f.; Walsh, Ib. The right is reserved to reject any or all tenders.

By order, P. E. RYAN, Secretary. tinental Railway, Dated at Ottawa this 12th day of May, Newspapers inserting this advertise-ment without authority from the Commissioners will not be paid for it.

ANY PERSON WHO IS THE SOLE and the second of a family or any male over 18 years old may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

In the pind they lost by one run. The game was very wild at times, and when at the card of the seventh immunity will follow; on the other hand unity to their opponents, the supporters of the Athletics sighed and thought it was all up with the school chronic condition and cause life-long boys; but in the eighth the Athletics suffering.

Duties.—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in the ninth innings. During the eighth innings, the game was called for a few minutes on account of rain, but proceeded as soon as the shower headaches, pains in my muscles, and nervousness.

Score by innings:

"I tried to use tea in its stead, but good standing may pre-empt a quarter section alongside his homestead. Price.

\$3.00 per acre. Duties—Must reside upon the homestead or pre-emption six months in each of six years from date of homestead entry (including the time required to earn homestead patent)

The teams:

C.L.C.—Dorey, c.; Lucas, p.; Dickson, Ib.; Dice, 2b.; Laird, s.s.; Saunders, and cultivate fifty nerves extra and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain r.f. a pre-emption may enter for a purchased homestead in certain districts.

Price, \$3.00 per acre. Duties—Must reside six months in each of three years, cultivate fifty acres and erect

Water Pan Is Correctly Placed In The Sunshine

Few people realize the importance of the water-pan. Yet, without the moisture evaporated from the water in the pan, the warm air passing through the registers is harsh and dry. It is hard on your lungs and on your furnishings.

Now, the water-pan must be cor travel before it reaches the pipes leading to the rooms. It must pass alongside the fire-pot and radiator, and the terrific heat from these dries out nearly every particle of moisture ascending from the pan. Very little reaches the pipes or passes through registers. Now, notice the location of the Sunshine waterpan. It is placed over the fuel door. The moisture

takes the short, direct route to the pipes leading to the rooms. You can always have moisture-laden healthful air passing through your registers, provided you keep the Sunshine water-pan filled with

If you value your health you'll have our local dealer install the Sunshine, with a guarantee to heat your house to your entire satisfaction.
