The property on Gore and Upholstering promptly with two coal barges; cleared for Montreal with two coal barges. The steamer Toronto, of the Riche

lieu and Ontario Navigation company, had her trial run, Saturday afternoon, our small cleaner, out through the eastern gap and in through the western gap, at Toronto, with Capt. E. A. Booth at the helm. The steamer Kingston, of the same line, also had her trial trip, which was very successful, coming through the western gap and entering Yonge street wharf, through the eastern gap. The steamer Toronto is re-\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* modelled throughout, having a beautiful ice manufacturing plant aboard.

## POORLY LIGHTED CORNER

Was Responsible for an Accident

Saturday Night. Net, Marie Antoinette, Arabian and Barrie streets is a very poorly ant license, referring me to Mr. Baillie, was driving in a light buggy when the rig clashed with the dray used grounds of being "not a restaurant, by W. P. Peters. The result of the but an ice cream parlor." Neverthe-Fire Chief Armstrong has advocated of an ice cream parlor, and his conse better lighting at this corner, on be- quent refusal to acknowledge it as Some of the lights in the west end truly, D. CAMPBELL." of the city are giving anything but a good service, and it will indeed be a great blessing when new lights are installed. The light at the corner of censes, Kingston, Ont. King and Lower Gordon streets stays on for a few minutes and then goes Esq., city treasurer, to whom I apoff again. It is a case of "off again, plied for a restaurant license, I again on again," all the time. This is very dangerous corner, one used committee, which has the rearranging which you formerly refused me a li of the lights in charge, gets to work, cense, and to which you, in constituthey should not forget this corner.

PREPARING FOR BUILDING.

Macadam Construction is Soon to

The board of works concrete con etauction gang is still busy on curb and gutters on blocks that are to be macadamized. It will take it a couple of weeks more to complete the To Get Things in Readiness for the work, after which the construction concrete walks will be begun. Th menced within the next fortnight.

Going to Australia. A Halifax paper says that Lieut. Col. Paul Weatherbe, Royal Canadian Engineers, a graduate of the Royal Military College, is going to Austraofficer of the Australian militia. There is great sorrow in the R.C.E. owing to the loss of Col. Weatherbe, who is beloved by all under his command.
