Afford A Home? Sure-Look Here!

Lots of good houses can be bought for as little as \$1,800. Lots of people will gladly lend \$1,800 for as little as six per cent interest.

Interest on \$1,800 at six per cent doesn't amount to such a lot—only 30 cents a day. Few men but who spend that in needless indulgences.

And yet there are lots of persons who imagine they cannot afford a home of their own!

It is costly to rent and you don't need to. Now is the time to act and get settled for the summer.

Come in and have an interview and look over our lists.

CITY GRANTED LANDS

BY THE KINGSTON AND PEMBROKE RAILWAY COMPANY.

Gets What It Has Sought for Some Time in the Vicinity of the Hay Market and Cataract Bridge—W. R. Baker, President of the Company, Acquiesced.

For the past two years, the city council and the board of trade have been trying to get the unoccupied lands held under lease from the Dominion government, by the Kingston and Pembroke Railway company, around the hay market, and the Cataract bridge. On Tuesday morning the city succeeded in getting practically all it wanted. A conference was held in the mayor's office, at which were present W. R. Baker, president of the Kingston and Pembroke Railway company, W. F. Nickle, K.C., as legal adviser, members of the civic finance and board of trade of railway committees, City Solicitor McIntyre and City Engineer Craig. The wishes of the city were briefly stated, and Mr. Baker agreed to them all, signing a memorandum containing what the railway company would grant as follows:

1. The opening of Bay street to the water.
2. The opening of King street to the water.
3. Control of lands under license, as to occupation bounded by King street, the hay market and the railway tracks.
4. The opening of Ontario street to the water.
5. The land bounded by Ontario street, Bridge street and the water.
6. Control of the water rights between Clarence and Brock streets and the tower shawl.

Mr. Baker will sell to the city two sections of land owned by the K. & P. railway company on Place d'Armes, by the hay market and the G.T.R. railway tracks.

The city has long desired these lands for the opening of streets to the water and for the new G.T.R. freight sheds and yards at the hay market.

OFF TO PETAWAWA.

Advance Guard from Battery Left Tuesday.

An advance guard of twenty-six men from the battery, left at noon, Tuesday, for the camp at Petawawa, to get things in readiness for the arrival of the other men. Another batch from the battery will leave on Thursday.

Major Hamilton was in charge of the men, and the other officers who went were Quarter-Master Sergeants McKimmon and Rider, Serjts. Fowler, Ross and Richardson.

The band turned out to give the boys a good send-off and a train pulled out of the Kingston and Pembroke railway station, played "Auld Lang Syne," in fine style.

WILL GET AN INCREASE.

Higher Wages for Kingston and Pembroke Railway Men.

It was indeed good news that Vice-President Baker of the C.P.R. and president of the Kingston and Pembroke railway had to give, while he was in the city, Tuesday morning.

The good news was to the effect that the conductors and the brakemen on the road would be given an increase in wages, also the mechanics at the round house, in this city. The increase will amount to about ten per cent all around. The conductors and brakemen will also receive extra pay for any extra switching they are called upon to do.

PORTSMOUTH COUNCIL.

Members Made Inspection of Streets and Walks.

The Portsmouth council had a special meeting Monday evening, and made a thorough tour of the village, for the purpose of ascertaining what repairs were necessary to the streets and walks. The streets were found to be in good condition, except in a few places which will be repaired. Quite extensive improvements to the walks will be made.

A GENEROUS OFFER

To Whom It May Concern.

There are hundreds of people in this vicinity at this season of the year who need a blood-making, body-building and strength-creating tonic.

It is to all such, which comprise old people, and children, the weak run-down and convalescents, and all those who suffer from chronic coughs and colds, that we ask to come to our store and get a bottle of Vinol, our delicious cod liver and iron tonic (without oil).

If it fails to build you up, create strength and restore normal health, we will cheerfully return the money paid us for it. We take all the chances—you take none. As a matter of fact, we don't take much chance either, because Vinol rarely disappoints us. Come in and get a bottle on these terms. Mahood's drug store, Kingston.

CITY AND VICINITY.

To be Married.

J. Melville Sands, B.S., son of Mrs. T. J. Barnett, Queen street, returned last week from Mexico and on Tuesday left for Prescott, where he will be married to Miss Reynolds on Wednesday.

Fractured Her Hip.

Mrs. Myles Robinson, of Violet in a patient at the general hospital was the result of an accident she met with at her home. She had the misfortune to slip on a stone and as a result her hip was fractured.

Death of Aged Lady.

The death is announced at her residence in Ernestown township, on May 29th, of Mary A. Snider, relict of the late Charles Snider, aged seventy-two years and four months. Deceased's funeral occurred on Wednesday.

License Transferred.

There was a meeting of the board of license commissioners, on Monday night, when the license of Philip Halper, at the Anglo-American hotel, was transferred to Michael Lawless, who recently purchased the hotel. The members of the board present were R. E. Burns and J. P. Hanley.

He Was Well Pleased.

W. R. Baker, president and general manager of the K. & P. railway company, left at noon, Tuesday, for Montreal, in his private car. He was pleased with the manner in which he was received by the civic finance committee, and said he would feel like coming to Kingston often.

Little Boy Injured.

Robert Norris, aged three years, living on Ontario street, met with a very painful accident, serving a six-week sentence for forgery of a receipt from the widow of Vani Simoff, murdered by Pavel Steffoff, for uttering that forgery and for theft of \$400 from the widow.

His Trial in June.

June 19th has been set for the trial of George A. Atlas, formerly a Presbyterian preacher and presently in Kingston penitentiary, for a six-year sentence for forgery of a receipt from the widow of Vani Simoff, murdered by Pavel Steffoff, for uttering that forgery and for theft of \$400 from the widow.

Street Watering Service Bad.

A Citizen writes: "Permit me through the columns of your paper to call the attention of the street watering committee to the watering of the main street of our city. The service is very unsatisfactory, and is almost useless to spend money for such a poor system. The dust seldom ceases to blow, and especially so when it blows into the restaurants and stores as it does."

Could Not Find Place.

Ralph Brown, physical director of the Y.M.C.A., returned, Monday evening, from a short trip up the Rideau, where he was looking for a suitable place to hold a boys' summer camp. He did not find a place which he thought suitable, so he and Secretary Trimble will go to Cranberry Lake, Wednesday, in an endeavor to locate a suitable place. It is likely a site will be chosen there.

Ministers Go to Conference.

The Methodist ministers of the city went to Montreal, to-day, to attend the annual conference. The twenty city elected delegates to represent the different churches, will go down on Thursday. There will be at least two new Methodist ministers appointed to Kingston to occupy the pulpits of Princess street and Brock street churches, whose pastors, Rev. F. H. Sproule and Rev. T. J. Souke, have completed their four years' stay.

Going on a Survey.

Stuart Schofield, who has been attending college at Boston, arrived in the city on Monday, and paid a short visit to his parents, Mr. and Mrs. James Schofield, at Williamsville. Mr. Schofield, who is a science student, left on Tuesday for Ottawa, prior to leaving on a government survey, in the Kootenay district. Mr. Schofield has passed his examination, and will be awarded his diploma later on when his practical work will have been examined.

Hans Waldheim Sentenced.

Hans Waldheim, who recently served a seven-year term in the penitentiary was given three years at Toronto, on Monday, by Magistrate Kingsford, for breaking into the Gladstone hotel. By the Toronto police Waldheim is believed to be the man who attempted to shoot a constable on Brunswick avenue recently, when he was attempting to enter the Brunswick hotel. Owning to the darkness he could not be identified and this charge was not laid.

Bethel's Good Work.

An idea of the good work which is being done in the city by the Young People's Societies of the city was brought to light, last evening, at the quarterly rally of the societies of the city, when it was shown that Bethel society, chafing because of the fact that they were doing nothing, undertook to canvass the city for funds for the Upper Canada Bible society. The month's canvass furnished sufficient funds to purchase 1,500 copies of the Bible for free distribution where they were needed.

Farmer With an Auto.

In the olden days the farmers came to the Kingston market with oxen. Then came horses, and now automobiles. Tuesday morning, a farmer from near Plum Hollow came to the market with an automobile loaded with maple syrup. This is the first time an auto has been used by a farmer in getting his produce to the local market. The farmer was sold out at 10:30 o'clock, and then delivered his goods, and probably he was home again for dinner, something the farmers of a few years ago would never think of doing.

THE SPORT REVIEW

COOKE'S AND SYDENHAM TO MEET THIS EVENING.

Locomotives Beat Queen Street—St. George's May Enter City League—Queen's Bowling Teams for Ottawa.

This evening at Victoria School grounds, Cooke's will meet Sydenham for their first scheduled game in the S.S.A.A.A. baseball series. It is expected that the game will equal in every respect the opening one between Queen and Brock. This league is putting up a great deal better brand of ball this season than last, and no doubt the games will be watched by larger crowds. The fans are requested not to forget to bring their small change along.

Locomotives Beat Queen Street.

Last evening at the cricket field, the Locomotive baseball team beat Queen street church team by the score of four runs to three in a nine-innings game. The game was close all through and was of the kind to keep the fans on their feet the whole time. Wednesday evening, Queen will play an exhibition game with the Retainers.

City League Meeting Postponed.

A meeting of the city baseball league executive was called for last evening to deal with a number of important matters, but owing to the fact that all the representatives were not present, the meeting was postponed until Thursday evening.

May Enter City League.

There is some talk that St. George's may enter a baseball team in the junior city league. At the present time there are only two teams in the Esque Park Nine and junior Athletics and the advent of a third team would be much welcomed. This church was represented in the Sunday school league last season, but did not enter a team this year.

May Arrange Game.

It is likely that an exhibition game may be arranged with Eaton's, of Toronto, for some holiday here during the summer. The challenge which was sent in by that team some time ago, has not been dropped, and several communications have passed between the management and city league officials. The Toronto team is willing to meet the Kingston sports half way as regards expenses, and the fans here may rest assured that the necessary arrangements will be completed.

Two Junior Games.

Two junior games in the S.S.A.A.A. baseball series are scheduled for this week. The one on Wednesday evening will be between St. Paul's and Cooke's and the one Friday evening between Queen and St. James.

To Play at Ottawa.

Queen's Bowling Club will send four crinks to Ottawa on coronation day, to meet the capital bowlers.

Y.M.C.A. Baseball.

The junior and business boys of the Y. M. C. A. will play outdoor-in-door baseball this afternoon and evening at the cricket field. This ball is played with a large soft ball, and is much enjoyed in the gymnasium in the winter. The juniors will play at 4 o'clock and the business boys at 6:30 o'clock.

Baseball on Monday.

Eastern League—Toronto, 20; Buffalo, 11; Montreal, 3; Rochester, 1; Providence, 3; Baltimore, 0; Newark, 5; Jersey City, 4.

MAYOR-GRAHAM ON BENCH.

Presided at Police Court Tuesday Morning.

In the absence of Magistrate Farrell, Mayor Graham handled the scales of justice at the police court, Tuesday morning. There were but two cases on the docket, so the mayor's duties were not very heavy.

This was the first occasion on which Mayor Graham occupied the bench, and he was in a rather lenient mood, being inclined to give an offender a chance.

Quintin Kirker, registered as a plain drunk, was given a chance and told not to come back for Thursday.

James Blake, was also charged with being drunk. The court was willing to overlook this charge, but there was a second charge—that of assault which had to be given some attention.

Blake was accused of assaulting one, Joseph Friend, and he pleaded guilty, and was remanded until Thursday, so that the magistrate might deal with the case. Blake was arrested by Constable Marshall Armstrong. Blake was under the influence of liquor, and attacked Friend at the corner of King and Princess streets, on Monday afternoon, and it is believed that the attack was a most brutal one. Friend having given him no cause whatever for such an attack, Friend was kicked several times on the leg and was quite lame to-day.

Grow Hot Over Water.

The water works intake pipe repair question is the topic of much discussion. It nearly caused a "scrap" between two aldermen and another citizen, on King street, Tuesday morning so warm was the battle of words.

"Spunges," 25c. to \$5. Gibson's.

Tourist automobiles are making their appearance daily in the city. On Monday several fine large cars were seen passing through here.
