THE SPORT REVIEW

ATHLETICS DEFEATED C.L.C'S. BY FIVE TO THREE.

The Senior City Baseball League Was a Fine One—Athletics Won the Junior Game From Park Nine, 8 to 7.

By a marvellous stroke of luck which remained with them to the end of the ninth innings, the Athletics trimmed the C.L.C.'s at the cricket field on Saturday afternoon by five runs to three, in one of the best games that has been played under the auspices of the City Baseball League for some time. Luck seemed to be with every move of the Athletics, while the hand of fate seemed to say that the C. L. C's. had to lose. At no time of the game were the C.L.C's. in the majority, but at one time in the last half of the fifth innings the score was one all, but when the Athletics went to bat they nailed four runs which won the game. The C.L.C's. managed to get in two runs in the ninth innings, but that was their limit.

Brouse, of the Athletics was the first man up, and he was hit by the pitcher, gaining his second bag on a fly of Walsh, who was put out. Dunlop fanned, and Stokes hit a slow one to the pitcher. He managed to beat it to first base, while Brouse got to third base. On a wild throw to Dice to the home plate, Brouse tallied the first run.

Laird was responsible for the first run for C.L.C's. In the first half of the fifth he made a two-base hit to centre field which brought Esford in. In their half of the fifth, everyone of the Athletics batted. Reid was the first man up and he walked. Robinson hit a safety to third and Brouse was hit the second time by the pitcher. With the bases full, "Lanker" Walsh hit to left field, which brought Reid and Robinson over the plate. Brouse scored later on a nice hit of Stokes to left field, and Rae hit a sacrifice on which Walsh scored. This finished the scoring for the "kids," while the C. L.C's. came back with two in the ninth. Brooks, after fanning twice, made a beautiful hit to left field, which was good for two bases, and later a run. Esford scored the last run.

It was predicted by competent authorities at the seventh innings that the perfect play which both teams was putting up could not last the remainder of the game, but it did and a pleasanter lot of fans could not have been found than those who left the field at five o'clock, for the game only occupied one hour and forty minutes.

The changes which were made in the Athletics was largely responsible for their winning. Stokes, one of the best catchers in the city, who played with the Irishmen last season, replaced Sleeman behind the bat, and played the game of his life. Brouse was moved up to short to replace Dick, who had left the city, and Rae was taken out of the field and dropped on third. With Dunlop on second; Muckler at first, and Walsh in the box, the infield could not be improved upon. Reid was the only fielder in Saturday's game who was there the week previous. Robinson, who played with the Junior Vics. last season, was in centre field, and Sleeman at right. Every man played his position perfectly. Walsh in the box, was right on the job every minute, and struck out eight men, while Brooks struck out seven. The C.L.C.'s got eleven hits off Walsh and the Athletics nipped only six off Brooks.

Notes on the Game.

Each team in the league is on an equal basis, with a win and a loss.

Muckler made a two-base hit in the eighth innings, but while running out first base and was declared out.

In the first innings, Laird made a three bagger to left field which was one of the prettiest hits during the game.

Wilson replaced Little in the seventh innings.

Lucas, who came from Hamilton with a record of only being struck out once in three years, has been struck out once since coming here, and that was in the first game with the Victorias at the opening of the league.

Brooks did not have good control as he hit Brouse twice and Rae twice.

The winner of next Saturday's game between the Vics. and C.L.C's will stand a good chance to win out in the end.

Athletics Beat Park Nine.

The opening game in the junior City league was pulled off Saturday morning at the cricket field and it took the Athletics ten innings to defeat the Park Nine. The game at times would do credit to a senior league, so perfect was the play. At the end of the ninth innings the score was even, each having seven runs to its credit and in the tenth the Athletics scored the winning run. For the first three innings, the Athletics led with two runs to one, when in the fourth the Park Nine got away with five and the Athletics retaliated in the sixth by bringing in three, and later two in the eighth. The Park Nine only got one in the ninth.

The game was watched by quite a large number of spectators. The Park Nine in their new white uniforms with red trimmings looked quite natty.
