IS THINNESS EMBARRASSING?

A scrawny, gangling youth or maid-en is almost invariably slighted, over-looked or ridiculed in any social gathering. There is something about a plump or well proportioned figure which attracts not only friendship, but love and adulation as well.

People with a proper amount of Suite 19 and 20 Queen City Cham-flesh are favored in all walks of life. ers. 22 Church St., Toronto. H. E while the thin are unblessed, unwel-Smallpeice, J.P., representative, come and frequently miserable for life. The difference lies in the power of the digestive functions and the ability of the blood and nerves to absorb and distribute over the body the nutrition extracted from the food eaten.

The thin person is abnormal and cha the power to absorb and retain the flesh and fat elements which the gastric juices in the stomach and in-
