POWER OF FRUIT

"FRUIT-A-TIVES" IS THE ONL' REMEDY MADE OF FRUIT

Prait is nature's physician. Fruit fuices increase the action of liver, bowels, kidneys and skin-and form the greatest known blood purifier. Physicians know, however, that it is impossible to use fresh fruit in practice. "Fruit-a-tives" is made of the juices of apples, oranges, figs and prunes-which contain all the medicinal or healing properties of all fruits.
"Prait a-tives" acts just like the fresh

fruit juices-gently and mildly. "Fruit-a-tives" is a true stomach tonie-a certain cure for Constipation an I lilliousness-the best Kidney Regulator and Blood Purifying Medicine. enc. a box. 6 for \$2.50, trial size, 25c. At rigalers or from Fruit-a-tives Limited,

SEYMOUR POWER COMPANY

visited her son, D. Crawford, agent ty church, Napance, on Tuesday, May commissioners the offer of the com. at Snow Road, last week and also 30th. The statistical and financial re- pany to purchase the town's plant. The price offered is \$40,666.51, the amount of the outstanding bonds against the plant, said amount to be paid on the completion of a by-law Total membership, 5,491; increase, authorizing the council to sell the plant. The rates for lighting to be supplied by the Seymour company, are for general lighting, ten cents per K. W. hour with a discount of twenty per cent., or any householder may have a flat rate of ten cents per room per month with an additional charge

of three cents per K. W. hour, halls, Total amount raised, \$16,149.62; an cellars, porches, pantries, outbuilding or bath rooms not to be counted, as rooms although lighted. Current for p. at the rate of three cents per K. W. hour. No charge is to be made for meter rent provided \$6 worth of curare to cost \$55 per year and incandescent lamps on the streets \$15 per year. Current for town buildings, at ten cents per K. W. hour with twenty per cent. discount. The company agree to keep the present power house intact and in condition for immediate use. The town is to have the right to resume possession of the plant at the end of any ten years during the life Supt. Systematic Giving-Mrs. Real, of the contract. The electric light com missioners considered the offer at a meeting on Thursday afternoon, and they propose to bring the matter be-

fore the town council. THE PAVEMENT. Washington Star.

They took a little gravel And they took a little tar With various ingredients Imported from afar; They bammered it and rolled it, And when they went away They said they had a pavement That would last for many a day, But they came with picks and smote i To lay a water main; And then they called the workmen To put it back again. To run a railway cable They took it up once more: And they put it back again, Just where it was before, They took it up for conduit To run the telephone; And then they put it back again. As hard as any stone. They took it up for wires To feed the 'lectric light, And then they put it back again, ' Which was no more than right the pavement's full of furrows, there are patches everywhere; But it's seldom that you dare. It's a very handsome pavement, A credit to the town;

Saved by Dogs.

Or puttin' of it down.

An express train carrying two hundred passengers was saved from being wrecked near Gate City, Washington, recently by the instinct of two dogs and the quick action of two women, Hearing the noise made by an enormous log which had been dislodged by It may be the stomach, the heart, rain and rolled down across the rails. ing to the scene, one of the women The blood is thin and watery. It succeeded by heroic efforts in flagging fails to supply proper nourishment. the fast express with the red jacket

Your trouble may take the form of mals, it would undoubtedly have indigestion, you may have neuralgia plunged into the Chehalis river, one bundred feet below.

WE TOO SHALL KNOW.

Ask your grocer for "Quality and invigorating of the various organs Because we do not see that for our He answers not, or answers otherwise Every dose of this great restorative Than seems the best to our tear-blind-Chicago papecs are announcing the organ goes to form new, red corpuscle ed eyes.

weddings of Miss Edna Bell to Robert in the blood—to make the blood rich This is love's hardest task, to do hard things E. Harlan, and of Miss Gertrude Bell and red. The faltering organs resume For love's own sake, then bear the to Frank C. Harlan. Both the girls their functions, appetite improves, of ignorance, too dull to judge aright are nieces of Miss Mary Jackson, of digestion becomes good, and gradual. Father Morriscy's "No. 11" Cures Stomach Troubles.

KINGSTON, ONT.

When your stomach is working right you never know it is there. But when it feels as heavy as leadwhen you have Heartburn, Belching of Wind, Sourness, a gnawing hunger, with distress after eating-when you feel irritable and depressed - then you may know that the digestive

fluids in the stomach are not sufficient to digest what you eat, Father Morriscy's "No. 11" Tablets supply these fluids in concentrated form. Each tablet, dissolved in the stomach, will digest 134 pounds of food, which is more than an average meal.

Read what Father Morriscy's treatment did for Mr. Gosline, of Salmon Lake. He writes Nov. 30, 1908: "I was troubled with indigestion, so severe that I really thought I had cancer of the stomach, I took much doctors' remedies, till I was forced to seek another resource, and this was the Rev. Father Morriscy. His treatments worked miracles, until I have been entirely cured, so that now I do not look to the quality of the diet but
