Thursday Morning Session. Rev. E. Leloy Rice, pastor of the church, led the devotional service, Rev. J. T. Daley, giving an address on "Our Religion."

Rev. R. Wilson Clegg and Rev. Dr. C. Haynes made application for membership. Referred to committee.

Rev. A. W. Robbins asked for a letter of transfer to the Presbyterian church. Referred to committee.

The membership committee reported: That Rev. John Murray, of Edgely, Rev. John T. Tucker, Herbert Moulds, B.A., R.M., Albert G. Slep, Rev. E. J. Thompson, Keswick Ridge, N.B., be admitted into membership.

That Rev. G. Watt Smith, Ottawa, be recommended by letter of transfer from the Scottish Congregational Church, Calgary, Alberta, and Ottawa South churches be recommended into membership.

That Zion church, Toronto, now formally disbanded, its name be dropped from the roll. Report adopted.

Rev. F. W. McCallum, of Maranath, Turkey, was on motion recommended as a corresponding member.

Rev. A. W. Main and Henry O'Hara, were appointed scrutineers for the chairman's ballots, Frank Saunders of Middleville, was recorded as a corresponding member.

Rev. A. Murray read the statistical secretary's report for the past year. His report was not complete. Mr. Margen suggested that thereafter the blanks be sent to the churches at the end of the year. The report showed that the total membership of the churches numbered 12,291 an increase of 900.

The value of church property amounted to \$1,547,995, an increase of \$325,000. Money raised, \$210,689, increase of \$11,770.

On motion the Misses Melville, from the African mission be received as corresponding members.

The scrutineers reported that T. B. Macaulay, of Montreal, was elected chairman for 1912, which report was received with enthusiasm. Mr. Macaulay is the managing director of the Sun Life Assurance Company of Canada and is regarded as one of the strongest men in the denomination.

The adjourned meeting of the C.C.W.B. with William Copp, the newly appointed president, in the chair, took place at 11 o'clock. Miss Silcox, secretary of the C.C.W.B.M. brought the greetings of their board as also did Mrs. Wickson, of Toronto.

Mr. Sheep, of Ottawa, brought a cheery report from the South church of that city.

Rev. A. W. Main then told of the good work being done in Point St. Charles church, Montreal. They had a struggle, but were going forward. On Easter Sunday fifty were received into the church.

A. McA. Murphy had greatly assisted them, and others as well. They had a membership of over 300, and yet were a mission church. The people are poor and need help. They need the gospel. He hoped the new church would be finished this summer. It is to cost \$800.

A letter from Rev. A. R. Schragg, of Calgary, was read by a delegate from that church (Mr. Winslow). There were sixty-seven members of the new church, mostly from churches in the east. A few Americans were in the church and quite a few from England. They had had sixty at a communion service. The church is well organized, has four lots secured. They have plans for two more churches in Calgary. The present building was too small. Prospects were good and they were most hopeful.

Rev. Frank J. Day reported regarding Zion Church Institute at Montreal. The past year had been the most successful since he became pastor four years ago. They have what is called a church house, which is a realization of a dream. The doors are always open with reading room, gymnasium, etc. Amherst Park church was being helped by Zion. Mr. Stout is immigration agent of the C.C.M.S. in Montreal and has headquarters at the church house.

L. Johnston, of Hamilton First, reported on behalf of the P.S.A. Brotherhood of that church. They held meetings every afternoon in the auditorium. In this way they get interested in the church itself. They have Bible readings, and other matters of interest to the men. They had a membership of 500. The work is going forward. A goodly number have become church members. The secret of their success was Jesus Christ, a brother, saviour, teacher, agitator, the revolutionary Christ—the original Christ.

A letter was read from Rev. J. K. Unsworth, Vancouver, B.C., conveying the greetings of that great western city. A new church is to be begun shortly and Dr. Garvie's trowel was expected to lay the foundation stone. The city is growing fast and the work is prospering.

Rev. Edgar Whitehouse spoke on behalf of Winnipeg. He was engaged in building up a church. Successful work was being done in the Sunday school. James Park church is conveniently situated. Other denominations were recognizing this fact and were coming as near as possible to them. He conveyed greetings from Rev. D. S. Hamilton.

Victoria, B.C., was heard from, Miss Silcox reading a letter from that church, written to the C.C.W.B.M. The letter spoke of the progress of the work there. They were looking forward to building a new church. Much credit was due to Rev. Mr. Rhythe, a former, and Rev. Mr. Carson, the present pastor.

Rev. J. L. Gordon, of Winnipeg, was called upon and directed attention to the hopefulness of the work being done. There was a constant increase in the membership of the church. The First church had recently sold a lot on which they had made a profit of \$20,000. \$15,000 was used to pay off a mortgage and the balance to be used in extension work in the city. There were 1,000 members in Central church and they were constantly growing.

The meeting adjourned till 2 p.m. The sessions on Friday are: 9 a.m., address by Rev. J. T. Daley; 10 a.m., reports from committees on apportionment plans, basis of transfer of various departments of work to the union, the Laymen's Missionary Movement, by Rev. John Schofield, Ph.D.; 12:30 p.m., luncheon in the church parlors; 2 p.m., annual meeting of the Congregational College of Canada; 4:30 p.m., annual meeting of the Congregational Publishing Company; 6 p.m., supper in the church parlors; 8 p.m., home and foreign missions, addresses by Rev. W. J. D. Gibson (Yarmouth, N.S.), Rev. H. A. Carson (Victoria, B.C.), Rev. F. W. Macallum (Constantinople, Turkey).

A CLASSIC SWINDLE

INGENUOUS SCHEME IS BEING WORKED ON PACIFIC COAST.

Bargain Bank Bills—Story of Financial Panic and Special Issue Bait Eagerly Swallowed.

Washington, D.C., June 8.—A brand new get-rich-quick scheme is being worked on the Pacific coast, which rivals some of the classic swindles of recent years for its ingenuity, is being successfully operated in some of the Pacific coast states. Its trail is said to reach as far east as New York. Secret service men are working on it.

Prospective victims are told that the United States government is very short of money, and that to avert a financial panic the treasury is quietly floating an immense issue of national bank notes. It is reported that a coterie of New York financiers have undertaken to underwrite the issue, which is offered to victims on the basis of fifty per cent. Secret service men say the swindlers usually exhibit a genuine \$5 national bank note as a sample of the issue.

Several citizens of Seattle, Washington, are reported to have paid in sums ranging from \$500 to \$1,000, with the expectation of receiving double that sum in genuine national bank notes before next winter.

The law says that sturgeons must not be caught without a license and the inspector says there are no sturgeon licenses in this district. It is thought that the fish came from the Bay of Quinte district. The industry which would weigh about 100 pounds and dressed weigh about eighty. Inspector Taudvin was looking for bass when he came across this fish. The bass season does not open until June 16th and he was looking for violators of this law.

The whip caught him over one eye, and it was not very long before he lost the sight of the member. Some time later, the other eye was affected. Green told his story to some of the police constables, to-day. He said that he can see just the least little bit, enough to notice the shadow of a person, but not sufficient to identify a person or to make his way around the city. He was on his way to Toronto to undergo an operation when he got into trouble here. He believes that he can be cured, and that he will again get his sight.

LETTERS TO THE EDITOR.

Information Asked in Regard to Cataract Bridge.

Kingston, June 8.—(To the Editor): Would you please ask through your paper those who are eager to buy the bridge what benefit will accrue to the city if they purchase the bridge? Will the bridge not cost the city not less than \$250,000? As it is in such bad repair there will certainly have to be a new structure built? Would it not be much better to surrender the stock the city owns to the bridge company and let it rebuild it, as the city is in debt enough now, and an intercepting sewer will have to be built in the near future, which will cost two or three hundred thousand dollars more. Why not call a meeting of the citizens and discuss this matter?—CITIZEN.
