A SEARCH FOR VICE.

Some uneasiness has been occasioned by the announcement that the Tem perance and Moral Reform Society is engaged in a new service. Its secretary says it is examining into social conditions of the cities of Or tario, by means of secret service men. hese are travelling over the terri tory as quickly as they can, are taking careful observations, and having ascertained the facts will later apply the remedy. How?

The Ottawa Free Press intimates that a volley from the pulpits will be beard, the ministers being made the medium for a frontal attack on vice. its results. It will not remove drunk Bred in filth and laden with enness, the social evil, the sins of the common people. That was demonstrated when Dr. Shearer attacked Winnipeg as one of the wickedest cities Canada, and caused a commotion which ended with an election and a judicial enquiry, and the continued exlistence, though perhaps less conspicuously, of the social evil.

The Temperance and Moral Reform League is definite in its influence, ordinarily, and will be expected to do mere than denounce wickedness low or high places. To combat known. Social conditions vary. They thods by dealing with them, it will under fitting auspices, a glorious camerit the expense which the labour in- reer shall be summed up-for the involves.
