R. WALDRON

THE SYNOD CHEERED

(Continued from page 1.)

of the Roman Catholic church, by the civil courts. He believed that there was far more danger from this. Here he commended that Ottawa be appealed to, to take steps to prevent such decisions.

The resolution as first drawn up, did not point out the disastrous effect the carrying out of the decree would have, in that it would have the effect of breaking up many homes, and Bishop Mills stated that the resolution was not strong enough. He felt that the resolution should be ten-fold stronger. Judge McDonald considered that the resolution was quite suitable, and did not favor any change.

W. B. Carroll said that nothing could be done to Rome, but that the government of this country could be appealed to.

Bishop Mills said that the resolution to be passed by the Synod, would have a wide influence, and that it was necessary to have a strong resolution, pointing out the evil of the decree, in order that the people would understand it.

There were many who did not understand the decree. The resolution if not made strong, embodying the evils of the decree, would have no effect. There should be a resolution of this kind, or none at all. It was not merely enough to say that the church resented the decree, the reason must be pointed out, as there were so many who did not understand.

Rev. Mr. Blagrove was also of the opinion that the resolution was too weak, and urged that a special committee be appointed to frame another resolution.

Dudley Hill agreed that a strong resolution should be passed, or none at all. Other religious bodies he said had given the hammer blow.

Rev. Mr. Fitzgerald then amended his resolution to read as already given, and it was carried by a standing vote, and with rousing cheers.

The question was then finally disposed of, and Synod went on with other business.

General Synod Business.

Rev. A. L. McTear reported for the finance committee, the said report being carried. The financial statement showed a debit balance of \$660.55. The estimated income was given as \$2,988.00 and the expenditure, \$3,948.08.

Dudley Hill presented the report of the Sunday school committee, which pointed out that the past year had been one full of gloom-hammer blows. Rev. Mr. Fitzgerald then amended his resolution to read as already given, and it was carried by a standing vote, and with rousing cheers.

The question was then finally disposed of, and Synod went on with other business.

Representatives were elected as follows to the provincial synod: Dean Bidwell, Rural Deans Patton, Beamish, Armstrong and Dobbs; Revs. H. H. Bedford-Jones, Canon Starr, F. P. Woodcock, R. S. Forneri, E. C. Blagrove, Canon Grant and Canon Bogart; substitutes, Archdeacon Carey, W. F. Fitzgerald, J. H. H. Coleman.

The following were elected lay representatives to the general synod, which will meet this year in Hamilton: Judge McDonald, J. R. Dargavel, W. B. Carroll, R. J. Carson, G. F. Rutau and Dudley Hill. Substitutes, Dr. Preston, S. F. Miller and Francis King.

The following were elected clerical members on the mission board: Rural Deans Jones, Dobbs, Patton, Armstrong, Beamish, Revs. R. de T. Wright, F. D. Woodcock, C. J. Young.

A report was received from the committee appointed to consider certain passages in the charge of the bishop. The report congratulated the bishop on completing another year of arduous labor for the diocese, and expressed his thankfulness that in this, the fiftieth year of the existence of the diocese, the government of it is in such capable hands.

Reporting on the Ne Temere decree the committee fully endorsed all the bishop stated on this subject and entirely approved of a motion to be brought forward on the subject by a member of synod.

In the bishop's remarks dealing with intercommunion, the committee prayed that the Prince of Peace may help all English-speaking parts of the world by the gift of the Holy Spirit, to further cement peace relations everywhere.

The committee also endorsed the remarks of the bishop asking for an awakening in the work of the Sunday school.

A telegram was received and read from the Toronto synod sending greetings to the Ontario synod.

Rev. J. K. Carson reported for the Clergy Trust Fund, the report being carried. The report stated that on May 1st, 1910, there was a balance on hand of \$1,237.94. The income of the fund for the eight months, ending December 31st, 1910, was \$1,549. Paid annuitants from May 1st to Dec. 31st, 1910, \$4,550. Paid to the Bishop of Ontario \$129.72, leaving a balance of \$697.22.

The solicitor's report, submitted by J. B. Walken, was also adopted.

The report of the divinity students' fund committee was presented by Rev. H. H. Bedford-Jones. The financial statement showed a small credit balance Jan. 2nd, 1911, which has been increased since. Two students were unable to continue their college course this year. Consequently we have only made grants to three men, viz: Messrs. Harrington, Buluel and Bayle. It is expected that the other two, Messrs. Tachaberry and Goodhand, will resume their studies next October, and with one or two additional men in view, all the funds will be needed to meet the claims on the fund.

In presenting the report Rev. Mr. Bedford-Jones drew attention to the great importance of securing men for the ministry. The members of synod should do all in their power to encourage boys to enter the ministry.

NEED LARGER VISION

IN TAKING UP THE QUESTION OF MISSIONS.

Eloquent Address by Dean Du Moulin, of Cleveland at St. George's Hall—Dean Bidwell's Appeal for United Prayer.

Stirring addresses on the missionary cause were given in St. George's hall, on Wednesday night, by Dean Dumoulin, of Cleveland, and Dean Bidwell, of Kingston, at the missionary meeting held in connection with the meeting of the Synod.

The attention was occupied by the chair, Rev. Mr. Gould was to have been present, to deliver an address, but found it impossible to attend.

Dean Bidwell was first called upon, and urged the workers for the missionary cause to make their work at the home base more effective. Some, no doubt, he pointed out, were tired of hearing about missions, but it was a matter which always had to be kept before the front.

The power of prayer in the home was also referred to. All the power one had should be let loose and prayer should be offered for the cause of missions with great power.

There should also be united prayer for the cause. It was very hard to get people to realize the good that could be accomplished through prayer.

Dean Dumoulin took occasion to refer to the fact that he had commenced his work in the diocese of Ontario, and was well acquainted with many of the charges, naming them over to his audience.

Branching out on his subject, he asked that his hearers secure the larger vision on the missionary question.

In the United States, many business men were prejudiced against missions, although it must be stated that a good deal of this was now disappearing.

The speaker claimed that the workers were holding back about two-thirds of the legacy God had bestowed upon them, as he had asked that the gospel be spread all over the world, that it should not be confined to just one parish.

It had not only been held back, but it had also been reduced, as it were. If the same amount of interest taken in missions should be applied to business, the business would be prevented from growing.

In other words, the forces for good were being held back and crowded into a small area.

Dean Dumoulin is an eloquent speaker, and was listened to with intense interest throughout his address.

He is not only an eloquent speaker, but at the same time forceful, his words sinking deep into the hearts of his hearers.

Game Wardens Asked to Stop Illegal Shooting.

Kingston, Station, June 14.—(To the Editor): I have come to the conclusion that it was nearly time the game inspectors were getting busy and put a stop to the illegal shooting perpetrated all times of the year in the neighborhood between the fourth and fifth concessions, township of Kingston.

No later than last Sunday a stranger would think that the game season had begun. If the inspectors don't stop it the property holders, whose shooting occurs will be compelled to put notices against such vandals.—OBSERVER.

Suggestion About Meters.

Kingston, June 14.—(To the Editor): As the light, heat and power committee appears to find that it cannot recommend the abolition of all the gas and electric light meter rents, at present, I wish to suggest for its consideration, that all consumers who have already paid in rents equal to the full value of their meters, discontinue further payment for the same, the meters to remain the property of the department.—Yours truly, A. CONSUMER.

CITY PROPERTY COMMITTEE Appoints the Adsett Brothers as Fairgrounds caretakers.

The city property committee met on Wednesday afternoon, with Aids Hoag, Bailey, Couper and Clugston in attendance.

It was decided to renew the McCallum nuisance ground lease for another year at \$300 rental.

The Adsett brothers, Stanley and Gordon, were appointed caretakers of the fair grounds, as successors to their late father. For the work they receive the use of the house in which they live.

Owing to the absence of the chairman, Ald. Ross, it was decided to leave over till next meeting the question of abolition of the market tolls.

TWO BIG LAWN SOCIALS

HELD CLOSE TO EACH OTHER ON WEDNESDAY.

The Events Were Under the Auspices of "The Children of Mary" and of the Ladies of St. Paul's Church.

The ladies who worked so hard and under such unpleasant weather conditions, to make the lawn social held at St. Mary's Palace grounds, were well repaid, and were pleased with the result of their endeavor. The affair was held under the auspices of the Children of Mary, and realized quite a neat sum for a worthy cause. The grounds looked very beautiful, decorated the way they were, and the ladies in charge are deeply grateful to Fire Chief Armstrong, the firemen and all who assisted in decorating the place. The garden was very tastefully arranged and the general appearance was much commented upon. Everything to draw the shillings from the purses of those who stepped inside the gate was apparent everywhere, even to "Aunt Sally." Tickets for a drawing, the prize of which was an organ, were sold at a quarter a bid. Those in charge of the different departments were:

Fancy Table—Misses Brophy, Hickey, Cunningham, Cartberry, B. Daly, Lovitt, Nicholson and Hagerty.
 Fish Pond—Mrs. McDonnell and the Misses Shaw.
 Candy Table—Mrs. T. Murphy, the Misses Ardagh, N. and E. Anderson, and S. Swan.

 Refreshment Booth—Mrs. Powers, Mrs. McNeill, Misses Lalonde, Givens and McAuley. These ladies were most zealous in their attention to all patrons of their booth.

St. Paul's Church Party.

The Ladies' Guild of St. Paul's church held a lawn social on the grounds adjoining the Y.W.C.A., on Johnson street, yesterday. The affair was held to raise money for general funds and quite a good sum was realized. The different tables and booths were looked after admirably by members of the guild who saw that no
