A BAD SCHOOL SYSTEM

GANANOQUE TIDINGS.

Reciprocity Discussed at South
Leeds Conservative Meeting.

Gananoque, June 17.—Quite a large
delegation went out to Delta, yesterday,
to attend the general meeting of the
South Leeds Conservative Association.
Addressees were given by Dr. J.
W. Edwards, M.P., Frontenac; J. E.
Dargavel, M.P.P., Leeds, and George
Taylor, M.P., Leeds, on the question
of reciprocity.

Francis Labodie and Miss Lilian
Journeyc, entertainers, attracted a
fair-sized audience to St. Andrew's
church last evening.

The coal schooner Horace Taber
arrived, light for Oswego, yesterday,
for another cargo.

From present indications, the rumor-
ed coal deal between manufacturers
and workmen is no nearer a settlement
now than when first rumored, a month
ago.

The first searchlight excursion of the
season left here about 7:45 o'clock last
evening, on the steamer St. Lawrence,
to Clayton.

Mr. Wilson, inspector for the Cana-
dian Underwriters' Association, dropped
into town unexpectedly, yesterday
afternoon, for a test of local fire
fighting facilities, had an alarm rung
from No. 5, hose laid from nearby
and timed arrival of the brigade, time
taken in laying hose, pressure, etc.,
finding improvement along general
lines.

Mr. and Mrs. George F. Holstead,
Montreal, spent the past few days in
town, and while here, purchased D.
McKellar's launch, for use later in
the season, he having leased F. T.
Lent's cottage, in Hog Island channel
and expects to take possession in the
near future.

The fathers and mothers must
change existing methods. We can not
possibly expect of the philistine-edu-
cator and mandarin-pedagogue the
adoption of different views of education.
The present school system
squanders the resources of the country
and wastes the energies, the lives of
our children.

"Never in the history of man
have school teachers fallen to such a
level of mediocrity as in our
country."

The American nation entrusts the
fate of its younger generation to the
carelessness of young girls, or the ire
of old maids, all ruled by pettigressing
officials entrusted with educational
reform methods of discipline and rou-

"The fathers and mothers must
change existing methods. We can not
possibly expect of the philistine-edu-
cator and mandarin-pedagogue the
adoption of different views of education.
The present school system
squanders the resources of the country
and wastes the energies, the lives of
our children.

"Never in the history of man
have school teachers fallen to such a
level of mediocrity as in our
country."

The American school systems are ruled
by bureaucrats animated with hatred
toward talent and genius.

"American children at the age of ten
and eleven are little brutes and waste
their most precious years of childhood
in close, dusty, overheated school-
rooms."

There are in the United States 200,-
000 insane persons, while the victims
of psychopathic mental maladies reach
into the millions. This is entirely pre-
ventable and is the result of wanton
brain starving and mind crippling
methods of education."

The price of one suit of clothes was
recently invested will increase your yearly
income by at least 20 per cent. Yes
it's a Moon College ad, but like all
other Moon College Ad's, it is fact not
fiction.
