THE SPORT REVIEW

ATHLETICS AND C.L.C.'S PLAY ON SATURDAY.

The Bowling Matches—Yacht Club Race—Hala Spoiled Sports—Sundays for Lake Ontario Park.

Whether the Athletics will rally from the slump they received last Saturday, at the hands of the victors, and "come back" sufficiently to put on a good game with the C.L.C.'s tomorrow afternoon, at the cricket field, is a speculation which is running through the minds of most followers of the city baseball League. The Athletics as a team are very uncertain. When one is expecting to beat the team it is hard to trim either of the other teams, and when a real good game is expected they will show a great deal of spirit. The game may be expected Saturday afternoon, it would be hard to predict. Athletics have the material if they can only hold themselves, and when one man goes up in the air it seems to have a mighty influence on the others. The trimming they got last Saturday may make them wary, but they were a week ago, from winning three weeks ago, they expected to do the trick again last Saturday and failed. The outcome of the game to-morrow will be watched with interest.

With the Bowlers.

The rain storm, on the holiday, caused the bowling matches arranged for to be called off with the members of the women's Bowling Club. Late in the afternoon, however, a few picked teams were secured for a few games. The bowlers and looked for a big day, and were much put out over the action of the weather man.

On Wednesday night a couple of games were played. Skip W. C. Spaulding defeated Skip J. W. Corbett, by a score of 16 to 13, and Skip J. M. Elliott trimmed Skip I. Slater, 13 to 11. The teams were as follows: George McKeller, D. Evans, J. Leckie, J. W. Corbett, skip—13. J. Gillies, Dr. Boyce, A. Turcotte, W. S. Spaulding, skip—16. W. C. Crozier, W. M. Campbell, W. G. Anderson, T. Slater, skip—11. E. E. Pardon, A. B. Williams, R. S. Graham, J. M. Elliott, skip—13.

Rain Spoiled Sports.

The field day which promised, with the aid of fine weather, to be so successful, had to be called off, Thursday afternoon, on account of the rain, and the result was that there was nothing doing. It was a big disappointment to the many hundred fans who were intent on seeing the only amusement which was billed for the holiday.

Junior City League Game.

Athletics and Park Nines will meet at the cricket field, early Saturday afternoon, in the Junior City League series, for a lively brush. These two teams are very evenly matched and a good game may be expected.

To Play Postponed Game.

The postponed game between the Railroaders and Wormwits will be played next Wednesday evening at the cricket field.

Executive Meeting To-night.

A meeting of the executive of the Sunday School A.A.A. has been called for this evening. A great deal of business is before the meeting principal of which is the considering the resignation of President Trotter, which is now in the hands of Secretary Trotter. A number of clauses for insertion in the constitution are also in the hands of the secretary.

Yacht Races on Holiday.

One of the races in the Bruce Caruthers series was run off at the Yacht Club, on the holiday, but owing to a dispute in the time no award was made. The judges have not yet been able to make an award. The race was run from the yacht club to the black spar buoy off Snake Island, twice around. Owing to there not being sufficient wind the races were not finished within the required time.

The boats entered were the Tezpi, owned by E. C. Gilderlove, the Shiryra, by Dutton Bros, the Isis, by Messrs. Waddell and Hora and the Heather by Charles McDonald, and sailed by Col. Strang.

BOY LIKELY DROWNED.

Five-Year-Old Son of John Lailey Disappeared.

John Lailey, and his five-year-old son, were fishing in the vicinity of Anglin's Bay, Thursday afternoon, when the little fellow disappeared. The father did not know where he had gone, and paid no attention to his absence, at the time. Time passed, and as he did not show up, his father became uneasy. A search was instituted, but the little fellow could not be found. The boy was dragged in the hope that the youngster might be found, but nothing resulted from the search. At eleven o'clock, last night, he had not been found, and the parents were nearly frantic. It is supposed that the youngster has been drowned, but at the time of going to press his body had not been found, and no trace of him alive had been heard.

The last seen of the little fellow he was standing on the spile wharf, watching some boys bathing, and if the boys who were there at the time would come forward and give any information which they know, it would help in the search for the missing lad.

THE THANKS OF HIS MAJESTY

Conveyed to Col. Crowe, Staff and Cadets of Royal Military College.

The following telegram was sent to His Majesty King George V., on Tuesday:

"The commandant, staff and cadets of the Royal Military College, of Canada humbly tender their loyal heartfelt wishes for your majesty's long and prosperous reign."

A reply was received as follows, on Wednesday: "The King commands me to convey the assurance of His Majesty's sincere appreciation of the loyal sentiments and good wishes which you have been kind enough to express on behalf of yourself and cadets." (Signed) BIGGE.

The telegram and reply were read by Col. Crowe at the conclusion of the closing exercises, on Wednesday afternoon.

CADETS' HAD DINNER.

Graduating Class Had Jolly Time Thursday Evening.

The dinner held on Thursday evening, in the mess room, at the Royal Military College, by the graduating class of cadets, was a most enjoyable affair. The event was attended by both the graduates and staff.

After "The King" had been toasted, Col. Crowe responded to the toast, "The Army," and gave the class a timely address. Other toasts replied to were "The College," "The Class," and "The Ladies." During the evening songs were rendered, and at a reasonable hour the jolly event was brought to a close with the singing of the national anthem.

Gift for Prof. Lanos.

The graduating class of cadets of the Royal Military College presented their professor of French, J. M. Lanos, with a handsome walking cane of Malacca wood with blonde ivory top and silver mounting, bearing his monogram on a shield. Prof. Lanos has raised the standard of French at the college in a marked degree, and has been most painstaking in all his work. The classes of cadets who have passed through his hands since he joined the college staff five years ago appreciate his efforts in their behalf.

Paid Heavy Fines.

Magistrate Farrell imposed two heavy fines, at the police court, on Friday morning. A man who was accused of procuring liquor for a companion, who is on the "prohibited list," was fined \$25 and costs, and the man on the list was taxed \$10 and costs.

Coats Were Recovered.

Two great coats which were reported at the police station Friday morning, as having been stolen, were recovered by Constable Samuel Arnie. The man who took them is a member of the 54th regiment, and was handed over to the authorities and will be looked after when he reaches his destination.

The Late H. Boak.

The remains of the late H. Boak, brother of Mrs. James Adams, of this city, arrived in the city Friday, and the funeral took place at 2:30 o'clock, at Cataract cemetery. Deceased was living in Orilla at the time of his death.

Were Further Adjourned.

Several adjourned cases for infractions of the sanitary by-laws were before Magistrate Farrell, on Friday morning, and were adjourned for another week, to allow for the carrying on of the work.

The homes of some might properly be termed "sleeping places."

FELL OFF A SCAFFOLD

THOMAS McCABE WAS STRICKEN WITH APOPLEXY

White at Work on a House—Fell on His Head—Died Several Hours Afterwards.

A distressing accident occurred shortly after two o'clock, Wednesday afternoon, on York street, when Thomas McCabe, a well-known painter of this city, fell off a scaffold, where he was engaged in painting a house, and died three hours afterwards as the result.

He was standing on the scaffold when he was seized with a stroke of apoplexy, and fell off the ladder, striking his head as he fell. He was knocked unconscious, and his sister, who saw the accident, summoned help and he was carried into his home directly across the road, and passed away at five o'clock, without recovering consciousness. A doctor was called, but could do nothing for the unfortunate man. He received a bad gash over his forehead which was bruised about the body considerably. It was decided that an inquest was not necessary, as his sister, Mrs. Hunter, saw him fall.

He was fifty-six years of age, unmarried and an Anglican in religion. He attended St. George's cathedral and the funeral service at 2:30 o'clock this afternoon, was conducted by Dean Bidwell, to Cataract cemetery.

A TOUCH OF ROMANCE

In Connection With the Brown-Burgess Wedding at Enterprise.

A touch of romance manifested itself Wednesday in a very charming wedding which took place in St. John's church, Enterprise, at 7 p.m. The bride and groom met each other for the first time as bride and groom at a wedding two and a half years ago in Christ Church, Tamworth, and on June 21st, this happy acquaintance was sealed in the bonds of holy matrimony. The happy couple were Miss Amanda Burgess, of Enterprise, and Allen Brown, of Murvale. The bride was gowned in white brussels net lined with Jap silk and wore a hat to match, and carried an ivory bound prayer book. James Burgess was groomsmen, while Miss Mauda Fox, of Napanee was bridesmaid. After the ceremony at which Rev. Rural Dean Jones officiated, the wedding party drove to the bride's home, where a sumptuous repast awaited them and their many friends. The usual toasts were honored, and the happy pair caught the train for Rochester, N.Y. Upon their return they will reside at Murvale. The presents were numerous, costly and handsome.

Irish Societies to Celebrate.

The members of the United Irish Societies of this city are completing arrangements for a big double-header attraction. CORONATION LAWN SOCIAL.

An Enjoyable Event Was Held at Latimer.

A coronation lawn social at Latimer took place, Thursday evening, on the grounds surrounding the church, and was all that could be desired. A large crowd was present from surrounding places, including a large number from Kingston. One corner of the yard was separated from the rest and during the entire evening a large staff was busily engaged selling ice cream, cake and strawberries. The programme which was furnished by residents of the place, assisted by the choir of Princess Street Methodist church, Kingston, was given on the porch of the church, while the audience stood near or sat on benches. Rev. G. Churchill, pastor of the church, was chairman. Three choruses by the choir from Princess Street Methodist church were rendered in pleasing style. Miss Purdy, of Cataract, sang in splendid style. The coronation street mixed quartette sang that old-time favorite, "Pro Phundo Basso." "Matrimonial Sweets," a vocal duet, in the hands of Master Arthur and Miss Kathleen Sherman, produced rounds of applause. Miss Beryl Arthur recited in splendid style. Miss Grace Mitchell sang in her capable manner, and William Mack's tenor voice was heard acceptably in two numbers. "Hail! King George," by Harold Lyons, was sung in a manner worthy of the day. Speeches were given by Rev. Mr. Danby, of Elginburg, and Rev. T. C. Cassidy, Cataract. Rev. Mr. Churchill conveyed the joyful news that through the instrumentality of the people of Elginburg, he would be kept there another year. The "Empire" drill, which was so capably given there at the Empire day concert, a short time ago, was repeated again by request, and pleased greatly. After a hearty vote of thanks was moved to all those who had assisted in making the concert a success, all adjourned to an adjoining field, where a brilliant display of fireworks was given.

DIRECTORS OF NEW COMPANY.

Hon. William Hart to Continue With Locomotive Works.

More definite information about the Canadian Locomotive company flotation (which is to be announced in the papers, Saturday, has at last been received. Aemilius Jarvis & Co. have announced that the directors of the new company are: Hon. William Hart, Kingston; James Redmond, Montreal; Robert Hobson, Hamilton; Frank G. Wallace, Pittsburg; Warren Y. Soper, Ottawa; John L. Whitling, K.C., Kingston, and Aemilius Jarvis, Toronto.

The appraisal of the company's property and plant and the reports of Messrs. Price, Waterhouse & Co., chartered accountants, shows that in addition to the real estate, buildings, plant, good will, etc., the old company will turn over to the new organization over three-quarters of a million dollars of liquid assets in the shape of municipal and other bonds. Further than that, an additional value of nearly \$500,000 is turned over in the way of cash, inventories, work in hand and accounts receivable, which makes a total of assets equivalent to cash turned over to the new organization nearly one and one-quarter millions of dollars.

The average earnings for the last four years show, in addition to the sum required for bond interest and sinking fund, an amount equivalent to practically twice the dividend on the preferred stock issued.

The preferred stock which is to be offered, Saturday, at par, carries with it a bonus of twenty-five per cent. in common stock.

City Refuge Celebration.

Coronation day was fittingly observed at the city refuge, in which there are several old British soldiers who fought for their queen and country. In the morning at seven o'clock, the old people gathered at breakfast time and sang "God Save the King," this being about the time the crown was placed upon the head of King George. The city refuge is so well managed that the directors are able to give the old people treats now and then without "going a-begging," and on Thursday the bill-of-fare was very elaborate. Mr. and Mrs. Greer, the superintendent and matron worked hard to make the inmates happy, and Mrs. Greer cooked them a particularly fine dinner. At supper, they were regaled with strawberries.
