Father Morrissey's "No. 7" Tablets

act directly on the kidneys, toning them up and helping them to clear the blood of the Uric Acid. If the Rheumatism is of long standing it may take some time to clear out all the poison, but almost from the first "No. 7" Tablets relieve the pain, and if used faithfully they rarely fail to cure.

Even if other remedies have done you no good, do not give up till you have tried Father Morrissey's "No. 7" Tablets.

THE HOME OF GOOD SHOES

ATHLETICS SHUT OUT

THE C.L.C.'S DEFEATED THEM BY 10 RUNS TO 0.

The Athletics Played Good Ball Till the Fourth Innings—Ten Errors Were Chalked Up Against Them.

In almost a repetition of the game a week ago, the C.L.C. team defeated the one-time promising Athletics at the cricket field; Saturday afternoon, by 10 to 0. With the exception of Muckler's pitching, the Athletics were away off color. Muckler, who pitched a very poor game against the Victorias, rallied considerably and showed good speed and headwork, striking out eight men against seven by Brooks, the twirler for the Locos.

The fans were tickled to death when up till the fourth innings Muckler had not allowed his opponents a hit, let alone a run. It was then that the C.L.C.'s realized that if they were to do anything it must be done right away. Lucas started things going by a single to left field, stole second, came to third on a drive of Dickson's, and stole in on an error of Rae, who threw the ball wild. Dickson had been doing some base stealing while this little bit of excitement was going on, and crossed the plate on a nice hit by Dickson.

With the lead of two runs in this innings, the C.L.C.'s "waded" right in and notched three in the fifth and three more in the sixth. Ewart, the first to bat in the fifth, aimed one at "Bouncer" Brouse, who failed to put enough steam behind the ball to assist in a putout, and by means of good base stealing, was around at third base when Brooks slammed one past third base which scored him. Ewart sacrificed to let Brooks across the home plate. Dickson got the disc just where he wanted it, and caused the little globe to sail out to centre field. Many thought the ball would not stop until it got to West street, but it did, though it did not get back in time to prevent Dickson from making a home run.

With the score standing 5 to 0, the wearers of the grey and red did not stop, but notched three in the sixth, Dice, Dorey, and Brooks figuring. Dice got his base on an error of short stop, and Dorey got his on a safe hit. Ewart sacrificed himself, and this, coupled with an error of short stop, allowed these two men to score. Brooks scored on a hit of Lucas. In the fifth time to bat, Dickson got his third hit, and scored later. Laird's run, the last of the ten, was made on an error of Muckler and one of Rae.

The game was spectacular in many respects. Athletics got only one hit off Brooks, got only two men on bases and only one man got to second base. Numerous errors on the part of the Athletics piled the score up against them, while the C.L.C.'s played almost an errorless game, the only error being that of Dice, when Douglas got his second base. In only one inning did the Athletics have more than three men to bat, and that was in the eighth.

Games for Picnics.
Brook and Queen teams will play an exhibition game of nine innings at the Sunday school picnic held by Queen street Methodist Sunday school on Tuesday. Brook and Bethel have a game arranged for the former's picnic on Thursday of this week.

Game Called Off.
The game Tuesday evening, between Brook and Bethel, has been postponed until a later date, probably until Friday evening, on account of the fact that several players of both teams are connected with the 14th regiment, P. W.O. rifles, which will hold its muster parade Tuesday evening.

Victoria's Couldn't Go.
Saturday, June 24th, was the day which the Victoria baseball team had accepted a challenge to play the Ottawa Athletic Club in Ottawa, but Manager "Harriet" thought that it was not best to take the team down at the present time as it has a game next Saturday with the C.L.C.'s and an exhibition game on Monday next. From reports which have been received the O. A. C. team is a crack one, in fact it is said that one of its pitchers is about to join the National League. Ottawans are very anxious to see the Vics play.

Park Nines Were Trimmed.
The Park Nine baseball team, one of the junior teams in the city league, went over to Cape Vincent on Sunday and had a friendly game with the same team which the C.L.C.'s played last Sunday, and were defeated by the close score of seven runs to six. Up till the ninth inning the Cape Vincent team led by seven runs to two and when the Park Nines went in to bat the Watertown man who was pitching for the Cape team went up in the air and allowed four runs. The Cape Vincent team is composed of veterans everyone of them being over twenty-five years of age. The Kingston team was made up of the regular players, with the addition of "Teddy" Saunders, who played first

base for seven innings and pitched the last two.

Manager Stansbury Resigns.
John Stansbury, manager of the Athletics baseball team, announced today his intention of resigning the position and in a letter which he wrote to the Athletic club he stated his reasons for resigning. As everyone knows Mr. Stansbury conducts a newstand at Swift's wharf, and now as the tourist season is here his work keeps him occupied for the most of the day. He has felt for some time that he had not the time to give to looking after the interests of the team, and certain difficulties have arisen between some of the players and himself. He has asked to be relieved of his office as soon as possible.

Park Nines Fell to Athletics.
In a rattling good game played at the cricket field early on Saturday afternoon the junior Athletics added another victory to their ever-increasing list by defeating the Park Nines by the score of six runs to one, in a very fast and clean exhibition. Derry's pitching for the Athletics, coupled with good fielding, both in the infield and outfield, was responsible for the victory. Park Nines played right up to the mark, but a number of errors proved costly. Derry has all the earmarks of a future senior league pitcher, and at the present time has all the tricks of the game at his command.

Score by innings:
Athletics—0 0 0 4 0 0 2 0—6.
Park Nines—0 0 0 0 1 0 0 0—1.

Y.M.C.A. Athletics.
Saturday morning was the last day of the collegiate boys and juniors for the May and June series of the Y.M.C.A. athletic competition. J. Evans won the collegiate boys' cup, while Stewart Toland won that presented to the juniors. Evans is one point ahead of D. Douglas and K. Mackenzie, who are tied for second place. W. Simmons is second in the junior series, being just two points behind Toland. W. Carroll is third by a few points.

In the 100 yards dash, D. Douglas just nosed J. Evans out by inches. W. Stewart was third. Evans won the broad jump, covering fifteen feet six inches; K. Mackenzie was second and D. Douglas third. Evans also won the high jump, with Douglas and Mackenzie tied for second and Stewart third. In the three-quarter mile run, Stewart had some trouble in warding off Mackenzie for first place. D. Douglas was third and J. Mills fourth.

LONG TRIP IN AUTO CAR.
W. F. Winter is here from Langdon, North Dakota.

W. F. Winter, wife and son, Morris, of Langdon, N.D., and F. R. Winter, of New Richmond, druggist, are in the city, attending the reunion of William Dick, burser of Rockwood asylum. They left St. Paul, Minn., on June 11th, in an auto car, and came through to Yarker to visit their brother, S. Winter. Two days were spent in Chicago and one day in South Bend, Indiana. They had a pleasant trip down and were in no way tired of the journey. This is F. Winter's first visit to Kingston in twenty-five years. He will leave next Tuesday, via Watertown, to visit his niece, Mrs. J. Conners, thence proceeding home by way of Buffalo, N.Y. W. F. Winter intends remaining in Kingston and vicinity for some time before returning home.

GAVE HIM A WRIST WATCH.
Major Alan Stroud Remembered by "C" Squadron.

A pleasant event took place at the armouries on Saturday afternoon, when the members of "C" squadron, 4th Hussars, waited upon Maj. Alan Stroud and presented him with a wrist watch as a token of appreciation of his work at the camp at Petawawa. Maj. Stroud showed himself to be a most capable and painstaking officer, and is well-liked by all the men in his squadron. By the way, Maj. Stroud had the largest squadron in the brigade, and the men showed up well in their work.

Drunks Gathered In.
A number of drunks were gathered in by the police on Saturday and they had all day Sunday to sober up in the cells. Michael McNally objected very strongly when Constable Downes took him in charge and endeavored to put the constable out of business but Michael came out second best in the trouble which followed. In the round up of drunks a member of the "prohibited list" was included.

ABERNETHY'S

THE CALL TO MINISTRY

THE GREAT NEED FOR MEN IS POINTED OUT.

By Rev. J. Tallman Pitcher, of Gananoque, Who Preached in Sydenham Street Methodist Church.

Rev. J. Tallman Pitcher, of Gananoque, chairman of the Kingston district, occupied the pulpit of Sydenham Street Methodist church, at both services, on Sunday.

At the evening service, Rev. Mr. Pitcher made a strong appeal for young men for the ministry, selecting for his text, St. Matthew ix, 38: "Pray ye therefore the Lord of the harvest, that He will send forth laborers into his harvest."

The preacher pointed out the position of the Christian church in the world. It was at the root of all advances for good. But, if the church is to continue this work it must have qualified leaders. It is a deplorable, but only too true, fact that not only in the Methodist, but in every denomination there is a dearth of men for the ministry.

Our population is steadily increasing. Between seventy and eighty ministers are coming out every year from the old land. The west is taking most of them, and many of the east's own sons. In our extremely rich young dominions there was never such a call for men for all branches of life, professional, commercial, mining, agricultural, etc. The one thing necessary is "quality." The church doesn't want the dull young men. It wants the best—men of prayer, consecration, reading, religious training. At the present time we have an educated pew and a minister must be trained and abreast with the questions of the day.

At Brock Street Methodist.
Rev. John Webster, who for the next four years will be the pastor of Brock street Methodist church, preached his first sermon to that congregation Sunday evening. The flower service in the morning made it impossible for him to deliver his initial discourse then. He is a man of pleasing personality, possessed of a spirit which is on fire with love for ministerial work. He said, in his opening remarks, that he preached the gospel because he loved it and regarded the ministry as high above all other callings. When he was told that he was to come to Brock street church, he never enquired what salary it paid. He made a practice of never doing that and he thought it was too late to begin now. He was in the work for the love of it and the good he could do, and not what money he could get out of it. He asked the sympathy and prayers of the congregation on behalf of his family and himself and assured them he would do his best if he had support.

He chose for his subject the words, "And sitting down they watched Him there," Matthew XXVII, 36. In graphic, burning words full of fire and enthusiasm, he related the story of the trying scenes in the garden of Gethsemane, when the Saviour spent the entire night in prayer, wrestling with the temptation to throw off the responsibility of saving the world and after searching for some other way than the cross, whereby the world might be saved, submitted to the highest will and said, "not my will, but Thine be done." His thrilling descriptions and fervent spirit held his audience till the end.

J. G. McNally, formerly manager of the Ontario Exploration company's iron mines at Wilbur, has been transferred to the company's silver mines at Cobalt.
Rev. Father Naish, S.J., Montreal, addressed the Children of Mary in St. Mary's cathedral Sunday morning. He has gone to Alexandria to conduct a mission for non-Catholics.
