## St. Lawrence "Crystal Diamonds"

may cost a few cents more on the nundred pounds than other lump sugar. Good things always cost more than inferior quality.

However, ST. LAWRENCE "CRYSTAL DIAMONDS" are really the most economical Sugar, because they go further on account of their matchless sweetness due to perfect purity.

To appreciate the superiority of St. Lawrence Sugar, compare it with any other sugar.

### When Baby Comes and you find your milk is insufficient either in quality or quantity, put baby at once on

MIEATIPO MILK FOOD It is intended for the youngest baby-to be

given immediately after birth. It is the next best

thing to perfect mother's milk-better in every

way than cow's milk because in better proportions and absolutely uniform in composition. Entirely different from Neave's Food. This Milk Food is for the very young baby who can take only milk.

Neave's Milk Food is absolutely free of starch and is ready for the bottle when hot water is added. It makes an ideal diet for hot weather because it is unaffected by heat and storms.
