year 1908 that a nasty itch came through my skin, and I scratched it until I tore the flesh. I tried several ointments to no effect. I went to a skin hospital. They advised me to go to the —— Hospital, but I refused. I could not sleep with the constant itch. I was that way until on or about the month of January.
One day I chanced to see in the papers
a case like mine, but I gave it no
credence. At last I said, 'I will try
the Cuticura Remedies.' With the
first wash and Cuticura Ointment I
used, I found their effects. I got
one box of the Ointment more, and
in less than one week the skin was ali right, and left no traces after it. I have not had a return of the same since, and I shall always praise the Cuticura Remedies as being the

THE HOME OF GOOD SHOES

## Water Pan Is Correctly Placed In The Sunshine

Few people realize the importance of the water-pan. Yet, without the moisture evaporated from the water in the pan, the warm air passing through the registers is harsh and dry. It is hard on your lungs and on your furnishings.

Now, the water-pan must be cor-

the pan. -Very little reaches the pipes or passes through registers. Now, notice the location of the Sunshine waterpan. It is placed over the fuel door. The moisture takes the short, direct route to the pipes leading to the rooms. You can always have moisture-laden, healthful air passing through your registers, provided you keep the Sunshine water-pan filled with de
