PASSING OF THE WEST

Portrayed by Buffalo Bill's Cowboys and Rough Riders.

The story of the rapidly passing Great West, as it was found by the rough and ready pioneers of a quarter of a century ago, is vividly portrayed by the young buffalo and West show, which will exhibit in Kingston, Tuesday afternoon and night July 11th.

It was the privilege of but few men to go through that period and come out of it unscathed. But the new Greater Young Buffalo Wild West show, as it is being produced this year, gives every man, woman and child in America an opportunity to peep into the pages of history and view events, as they occurred, by the famous and credited by historians, but as they actually occurred. They must see the hunting of the savage bull buffalo, the lassoing of the animal by expert ropers, and, finally, the joy of every great hunter—the dragging of the trophies of the hunt into camp.

There is also the wonderful wild west girls band, known as "Salome and the Music," the famous "Indian Chief," Hawk Eye, who leads his own tribe, a great group of women bronco busters, and, last but not least, historical and stirring pictures of life on the plains in the early days.

LAI D CORNER STONE

OF NEW PRESBYTERIAN CHURCH AT SAND HILL.

Rev. W. H. Reede, the Pastor, Performed the Ceremony—Addresses by Other Ministers—The New Church Will be a Handsome One.

At 2.30 o'clock Tuesday afternoon the corner stone of the new Presbyterian church, which is being erected at Sand Hill, was put in place after an imposing ceremony. The church is being erected in place of the one burned last fall. For the past six months the pastor, Rev. W. H. Reede, and members of the congregation, have been busy planning and soliciting aid for the new church edifice and now that the foundation is laid and the corner stone about to be put in place the building is an assured fact.

The programme for the event began at two o'clock. Rev. Henry Gracey, of Gananoque, Rev. Mr. McConnell, of Pittsburg, and Rev. Mr. Brennan, of Inverary, were present and made short speeches in addition to that of the pastor. Rev. Mr. Reede laid the stone and a copy of the Whig of July 5th was placed in it.

This is an evidence that the people of Sand Hill are not slow at doing things. As soon as possible after the other church building was burned down preparations were made to erect another.
