The magistrate said that this was Nicholson; 2nd, Muriel Graham. Mrs. Keenan's third appearance before the court inside of six months. Keenan claimed that her baby fallen out of the carriage and the child had not been thrown out. J. C. McConachie, the agent for the Children's Aid society, was present, in the interests of the society, and was instructed by the magistrate to ook after the welfare of the child.

OTTAWA WANTS QUEEN'S.

No Chance Whatever of University Being Moved.

A despatch from Ottawa to the Whig

An agitation is on here as to esirability now that Queen's secome a non-denominational institution, to get it moved from Kingston to Ottawa. It is pointed out that if became a big national university, the dominion povernment would probably, substantially support it. On the other hand, Queen's graduates and supporters residing here say this would be imossible; that certain grants made to t in the past by the corporation tion of its remaining there forever and a hundred of its ever being removed
