THE SPORT REVIEW

LIVE COALS DEFEATED THE PRINTERS BY 13 TO 6.

Game Played on a Rough Diamond—This Was the Live Coals Fourth Straight Win—News of the Game.

The Live Coals added another seal to the nice little collection which they have made this season by skinning the Printers at the junior diamond at the cricket field, Wednesday evening.

The game was very exciting, although it could not be said that a great deal of class prevailed, for glaring errors were made right and left.

The heavy hitting of the Live Coals was once more apparent, and was very effective, putting them on a good basis. The junior diamond where the game was played was very rough and the result was a great number of errors.

Score by innings: Live Coals—1 2 4 3 2 13; Printers—0 0 4 2 0—6.

Kingston Teams Lost. The Kingston team competing in the St. Lawrence bowling tournament at Prescott, were defeated in the first round of the Canada match, W. P. Spaulding's rink lost by 18 to 12, and J. W. Corbett's by 12 to 1.

Won by the Isis. The second race for the Bruce Caruthers trophy, which was postponed ten days ago, on account of lack of wind, was sailed from the yacht club house, on Wednesday afternoon at four o'clock.

Saturday's Game. The mighty conflict between the C. L.C.'s and Victorians, which is to come off Saturday next, at the cricket field, will be positively the most interesting game of the season.

Game Thrown Out. At the meeting of the executive of the S.S.A.A.A., Wednesday evening, the certificate entered by Cooke's over the game last Thursday evening, was awarded, and the game thrown out and ordered to be re-played.

Field Day Changed. The date for the field day which the S.S.A.A.A. contemplates holding at Lake Ontario park in August, was changed from Saturday, August 19th, to Wednesday, August 16th.

Game This Evening. Retailers and Civil Service clash at the cricket field this evening in the Mercantile series.

Played Under Difficulties. The Printers and Live Coals, who played at the cricket field, Wednesday evening, had to play under trying conditions.

Athletics Won in Napanee. "Anker" Walsh's junior athletic team won the Napanee junior team in Napanee, Wednesday afternoon, scoring eleven runs to the six which the Napanee boys got.

Game Defeated. The senior game, Thursday evening, between Brock and Sydenham, has been defeated, Sydenham having retired from the game altogether.

PORTSMOUTH OBJECTS TO USING STRAUBENZER PROPERTY FOR TUBERCULOSIS.

Village Board of Health Passed a Resolution—The Chief Objection Comes From the Market Gardeners Nearby.

A meeting of the Portsmouth board of health was held on Thursday evening at the request of Dr. William Gibson, medical health officer, for the village to consider the proposition of the Kingston General Hospital governors to erect the Mowat Memorial Sanatorium for tuberculosis, on the Straubenzere property.

The most strenuous opposition, however, came from the market gardeners whose properties adjoin the proposed site. Reeve Baiden stated that while he realized there was no danger, yet the prejudice of the people had to be considered with and he was certain his business would be injured, and hinted that should the sanatorium be placed on the Straubenzere property, an action for damages would be the result.

All the other members of the board were of the opinion that it would be an undesirable addition to Portsmouth's institutions and the following resolution was passed: Moved by R. A. Caughy, seconded by John Scally, that the board of health be absolutely opposed to the erection of a tubercular sanatorium on the Straubenzere property in the village.

It is understood that the village board has no power to prevent the Straubenzere property from being used as a hospital, as it is more than the required distance from nearby houses.
