Thanks of the Y.M.C.A. Kingston, July 27 .- (To the Editor) :- On behalf of the Y.M.C.A., J re to thank all those who have assisted us in the library contest just closed. It has been a long fight and rather uninteresting at times, but our friends have stuck to the guns, even in the face of almost certain defeat. For this we wish to thank them. As to the conquering firemen, we have nothing but the kindliest feelings, they have been more than generous their treatment of the officials of the Y.M.C.A., in this campaign. Captain Stratford has worked exceptionally hard, and has well earned the library they now possess. We take this privi-lege of publicly thanking any and all who have assisted in this contest.-E. F.
